PART I

Item 1. Business

Who We Are

Mister Car Wash, Inc. is the largest national car wash brand offering express exterior and interior cleaning services to customers across 436 car wash locations in 21 states, as of December 31, 2022. Founded in 1996, we employ an efficient, repeatable and scalable process, which we call the “Mister Experience,” to deliver a clean, dry and shiny car every time. The core pillars of the “Mister Experience” are providing the highest quality car wash and ensuring the experience is quick and convenient. We offer a monthly subscription program, Unlimited Wash Club ® (“UWC”), as a flexible, quick and convenient option for customers to keep their cars clean.

Our purpose is simple: Inspire People to Shine®. This starts with our people. We attract and retain a pool of talent by investing in their training and development through our specialized programs and our MisterLearn training platform that allows us to develop and promote entry-level team members to leadership roles. As a result, our team members are highly engaged and deliver memorable experiences to our customers. We have proven our people-first approach is scalable and has enabled us to develop a world class team, comprised of both internally developed talent and external hires from top service organizations. We believe our purpose-driven culture is critical to our success.

We believe Mister Car Wash offers an affordable, feel-good experience, enjoyed by all who value a clean, dry and shiny car. As we grow and to serve the approximately 276 million registered vehicles in the United States as of the end of 2022, we are dedicated to putting our team members first and delivering a consistent, convenient and high-quality car wash experience at scale.

Products and Services

Our car wash locations consist of two formats: (a) Express Exterior Locations (360 locations as of December 31, 2022) and (b) Interior Cleaning Locations (76 locations as of December 31, 2022). All locations offer express exterior wash packages and have exterior-only lanes. Every wash includes our T3 Cleaning Conditioner, Wheel Cleaner, and Dynamic Dry system.

Express Exterior Locations

Express Exterior Locations offer self-drive exterior cleaning services and include free vacuums available for customer use. Customers purchase a wash or sign-up for a UWC membership through sales kiosks or assisted by team members and remain in their vehicle through the tunnel and wash process. Customers have the option to use free self-serve vacuums at any time before or after their exterior wash.

Interior Cleaning Locations

Interior Cleaning Locations offer exterior and interior cleaning services, including vacuuming by our team members. Customers purchase a wash or sign-up for a UWC membership through sales kiosks or assisted by team members and either remain in their vehicle through the tunnel and wash process or wait in the lobby. Customers who purchase interior cleaning services have their vehicles vacuumed and cleaned by Mister team members.

Our Customers

We serve a diverse mix of customers, which include individual retail customers and UWC Members, which include both retail and corporate customers. Given the broad appeal of our services, we have a wide variety of customers spanning a broad set of demographics. The portfolio of cars serviced across our locations is diverse and represents a balance across new and old cars and across all vehicle price points. Our customer service, convenient locations and easy-to-manage membership programs have helped position our locations as the “go-to” destinations for our customers’ car wash needs.

Markets

We are the largest national car wash brand and have developed extensive resources and capabilities over our 25-year history. Our scale, consistency of operations at every location and culture of continuous improvement have allowed us to develop an efficient and high-quality customer experience with every wash.

We believe our key differentiators include our unified national brand, robust training & development programs which generate a talent pipeline, dedicated regional support infrastructure, sophisticated technology and proprietary product formulation, and strategic market density "network effect".

Key Growth Drivers

Grow Our UWC Members to Drive Predictable Earnings Growth and Higher Annual Customer Spend

We believe there is an opportunity to grow UWC penetration further in core, acquired and greenfield locations. In 2022, we increased overall UWC penetration from 64% to 68% of total wash sales. We estimate that the average UWC Member spends more than four times the retail car wash consumer, providing us an opportunity to increase our sales as penetration increases. At both new greenfield and acquired locations, we have developed proven processes for growing UWC membership per location.

Build Upon Our Established Success in Opening Greenfield Locations

During 2022, we successfully opened 28 greenfield locations and expect to lead our future location growth through greenfield locations. We have developed a process for opening new greenfield locations, from site selection to post-opening local marketing initiatives, which has driven our greenfield performance consistently over time. We plan to continue to invest in this part of our growth strategy and have a development pipeline for future locations in existing and adjacent markets nationwide.

Pursue Opportunistic Acquisitions in Highly Fragmented Industry

We will continue to employ a disciplined approach to acquisitions, carefully selecting locations that meet our criteria for a potential Mister Car Wash site. We have a track record of location growth through acquisitions and have a process for integrating acquired locations, which includes a variety of upgrades to each location that has led to the successful integration of over 100 acquisitions during our history.

Drive Scale Efficiencies and Robust Free Cash Flow Generation

We will continue to utilize our scale to drive operating leverage as our business grows. As we open and acquire new locations and maximize throughput at our existing locations through our ongoing focus on operational excellence, we believe we will have an opportunity to generate meaningful efficiencies of scale.

Marketing

We lead with a unified national brand across our entire footprint. To acquire, convert and retain our customers at a local level, we use a mix of traditional and digital marketing tactics and channels to emphasize our convenient, easy, and high-quality wash experience.

Competitive Conditions

The car wash industry is fragmented, and we compete with a variety of operators. Competitors include national, regional and local independent car wash operators, and other retailers (including gasoline and convenience retailers), each of which offer car washes. We believe our scale allows us to compete effectively due to our convenience, quality, price, and service.

Resources

Our Proprietary Products and Advanced Technology

Our research and development team is responsible for car wash processes, equipment and technology improvements. The team tests new products, formulations, processes and ideas in select markets before rolling out improvement and changes across the broader platform. Through continuous research and development, Mister Car Wash has formulated a balanced wash process that factors in conveyor length, line speed, water quality, mechanical equipment, ambient temperature and soil conditions.

Suppliers and Distribution

We maintain long-term relationships with our key vendors. We believe our scale and large purchase quantities provide us leverage in securing competitive pricing. Our key purchases include car wash equipment and parts and wash chemicals.

While we maintain a limited stock of parts and supplies for repairs and maintenance, most equipment, chemicals, and other supplies are purchased on an as-needed basis, which generally are shipped directly from the vendors to our locations. We have deep industry knowledge and maintain relationships with previous and prospective vendors to quickly address issues that may arise with our current supply chain.

In 2018, we entered into an agreement with a supplier of a comprehensive suite of hardware, software, and management systems for our car wash locations which better track our membership and customer loyalty programs, streamline our operations and enhance our ability to track costs.

Intellectual Property and Trademarks

We own intellectual property, including patents, patent applications, technology, trade secrets, know-how and trademarks in the United States and internationally. As of December 31, 2022, we had approximately 47 trademark registrations and applications, including registrations for “Mister Car Wash,” “Hotshine,” “Mister Hotshine” and “Unlimited Wash Club,” and held one U.S. patent, one foreign patent and one pending U.S. patent application. Our issued patents are expected to expire between 2023 and 2025. We have also registered the Internet domain name: “mistercarwash.com”.

We believe that our trademarks and other proprietary rights are important to our success and our competitive position, and, therefore, we devote resources to the protection of our trademarks and proprietary rights. However, we believe that no single patent, trademark or intellectual property asset is material in relation to our business as a whole.

Seasonality

As a result of our presence in certain markets that are subject to seasonal weather patterns, some of our business is seasonal. However, our 21-state geographic diversity typically limits the weather impacts of a specific region on overall performance. Additionally, we do experience a large majority of sales of UWC memberships during the first six months of the year.

Human Capital

We are centered around our purpose of Inspiring People to Shine, and that starts with our team members. To recruit and retain the most qualified team members in the industry, we focus on treating our team members well by paying them competitive wages, offering them attractive benefit packages, offering robust training and development opportunities, and providing an operational support infrastructure with opportunities for upward mobility. We believe satisfied employees are more productive, are more likely to have a positive impact on other employees around them and are more likely to deliver great customer service.

Team Members

Throughout 2022, we focused our efforts on refining our staffing model to ensure our wash locations run as efficiently as possible. This will allow us to continue our focus on competitive wages and benefits as well as investing in the training and development of our team members. We invest in the training and development of our team members through our specialized programs and our MisterLearn training platform that allows us to develop and promote entry-level team members to leadership roles. As a result, our team members are highly engaged and deliver memorable experiences to our customers. Through these efforts, we expect to build strength in our bench of future leaders while increasing retention and diversity.

As of December 31, 2022, we employed approximately 6,350 team members, which is a 6% reduction from the prior year, even while adding 40 locations throughout the year. This reduction was achieved primarily through natural attrition combined with more precise staffing guidelines for our wash locations and converting eight of our interior clean locations to express locations.

Environmental Matters & Other Governmental Regulation

We are subject to various laws and regulations, including those governing labor and employment including minimum wages and paid sick time, workplace safety, employee and public health including COVID-19, consumer protection, recurring debit and credit card charges, information security, consumer protection, data privacy, marketing and advertising, environmental protection and compliance, including recycling, waste and water usage, zoning and land use, taxation and public company compliance. We monitor changes in these laws and believe that we are in material compliance with applicable laws.

We are subject to various federal, state and local environmental laws and regulations, including those relating to ownership and operation of underground storage tanks; the release or discharge of regulated materials into the air, water and soil; the generation, storage, handling, use, transportation and disposal of regulated materials, including wastes; the exposure of persons to hazardous materials; remediation of contaminated soil and groundwater; and the health and safety of employees dedicated to such transportation and storage activities.

Environmental laws and regulations can restrict or impact our business activities in many ways, such as:

- requiring the acquisition of certifications, registrations, permits or other authorizations or the provision of financial assurances in connection with the transportation, storage and sale of hazardous substances and other regulated activities;
- requiring remedial action to mitigate releases of petroleum hydrocarbons, hazardous substances or wastes caused by our operations or attributable to former operators;
- requiring capital expenditures to comply with environmental pollution control, cathodic protection or release detection requirements;
- enjoining the operations of facilities deemed to be in noncompliance with environmental laws and regulations; and
- imposing substantial liabilities for pollution resulting from our operations.

Compliance with existing laws, rules, and regulations has not historically had a material impact on our capital expenditures, earnings or competitive position. With respect to acquired locations, we conduct due diligence regarding potential exposure to environmental liabilities and overall regulatory compliance but cannot be certain that we have identified or will identify all adverse environmental conditions or non-compliance with applicable laws, rules and regulations.

For further discussion, see Part I, Item 1A. “Risk Factors – Risks Related to Governmental Regulation – Our locations are subject to certain environmental laws and regulations.”

Item 1A. Risk Factors

You should carefully consider the risks described below, together with all of the other information included in this Annual Report on Form 10-K, before making an investment decision. Our business, financial condition and results of operations could be materially and adversely affected by any of these risks or uncertainties. In that case, the trading price of our common stock could decline, and you may lose all or part of your investment.

Risks Related to Our Business

Global economic conditions, including inflation and supply chain disruptions, could adversely affect our operations.

General global economic downturns and macroeconomic trends, including heightened inflation, capital market volatility, interest rate fluctuations, and economic slowdown or recession, may result in unfavorable conditions that could negatively affect demand for our products and exacerbate some of the other risks that affect our business, financial condition and results of operations. Domestic markets experienced significant inflationary pressures in fiscal year 2022 and inflation rates in the U.S. are currently expected to continue at elevated levels for the near-term. In addition, the Federal Reserve in the U.S. has raised, and may continue to raise, interest rates in response to concerns about inflation, which, coupled with reduced government spending and volatility in financial markets, may have the effect of further increasing economic uncertainty and heightening these risks. Interest rate increases or other government actions taken to reduce inflation could also result in recessionary pressures. Additionally, these risks which are beyond our control, could adversely affect operating costs and administrative expenses such as wages, benefits, supplies and inventory costs, legal claims, insurance costs and borrowing costs. Any such increase could reduce our sales and profit margins if we do not choose, or are unable, to pass the increased costs to our customers.

Furthermore, consumer purchases of car washes decline during periods when economic or market conditions are unstable or weak. Reduced consumer confidence and spending cutbacks may result in reduced demand for our services, which could result in lost sales. Reduced demand also may require increased selling and promotional expenses, thereby impacting our profitability. Changes in areas around our locations or to the adjacent streets that reduce car traffic or otherwise render the locations unsuitable, could cause our sales to be less than expected. Prolonged or pervasive economic downturns could slow the pace of new greenfield openings, reduce comparable sales or cause us to close certain locations, which could have a material negative impact on our financial performance.

We may be unable to sustain or increase demand for our UWC subscription program, which could adversely affect our business, financial condition and results of operations and rate of growth.

Because our UWC subscription program accounted for 68% of our total wash sales in 2022, our continued business and revenue growth is dependent on our ability to continue to attract and retain UWC Members. We view the number of UWC Members and the growth in the number of UWC Members on a net basis from period to period as key indicators of our revenue growth. We may not be successful, however, in continuing to grow the number of UWC Members on a net basis from period to period and our membership levels may decline.

UWC Members can cancel their membership at any time and may decide to cancel or forego memberships due to any number of reasons, including increased prices for UWC membership or for our services, quality issues with our services, harm to our reputation or brand, seasonal usage, or individuals' personal economic pressures. Increasing governmental regulation of automatically renewing subscription programs may negatively impact our marketing of this program. A decline in the number of UWC Members could materially and adversely affect our business, results of operations and financial condition.

If we fail to acquire, open and operate new locations in a timely and cost-effective manner or fail to successfully enter new markets, our financial performance could be materially and adversely affected.

Our growth strategy depends on growing our location base, both through greenfield expansion and acquisitions, in existing and new geographic regions and operating our new locations successfully. Our ability to execute our growth strategy on favorable terms and successfully operate new locations may be exposed to significant risks, including, but not limited to, the following:

- we may be unable to acquire a desired location or property because of competition from other investors with significant capital;
- even if we are able to acquire a desired location or property, competition from other potential acquirers may significantly increase the purchase price or result in other less favorable terms;
- we may be unable to complete an acquisition because we cannot obtain debt and/or equity financing on favorable terms or at all;
- we may spend more than budgeted amounts to make necessary improvements or renovations to acquired locations;
- we may be unable to quickly and efficiently integrate acquired locations into our existing operations;
- acquired properties may be subject to tax reassessment, which may result in higher-than-expected property tax payments;
- loss of key staff at acquired locations or inability to attract, retain and motivate staff necessary for our expanded operations;
- acquired locations or greenfield expansions in regions where we have not historically conducted business may subject us to new operational risks, laws, regulations, staff expectations, customs, and practices; and
- we may acquire properties subject to liabilities and without any recourse, or with only limited recourse, with respect to unknown liabilities, such as liabilities for the remediation of undisclosed environmental contamination; and claims for indemnification by general partners, directors, officers, and others indemnified by the former owners of the properties.

The realization of any of the above risks could significantly and adversely affect our ability to meet our financial expectations, our financial condition, results of operations, and cash flows, the market price of our common stock, and our ability to satisfy our debt service obligations. We cannot assure you that our growth strategy will be successful, or that such expansion will be completed in the time frames or at the costs we estimate.

In addition, there can be no assurance that newly opened or acquired locations will achieve sales or profitability levels comparable to those of our existing locations in the time periods estimated by us, or at all. In instances where new or acquired locations are geographically proximate to existing locations, such locations may also adversely impact the comparable store sales growth of our existing car wash locations. If our locations fail to achieve, or are unable to sustain, acceptable total sales and profitability levels, our business may be materially and adversely affected, and we may incur significant costs associated with the early closure of such locations. Our plans to accelerate the growth of our location base may increase this risk.

We may not be able to successfully implement our growth strategies on a timely basis or at all.

We believe that maintaining and enhancing our reputation and brand recognition are critical to our relationships with existing customers and our ability to attract new customers. The promotion of our brand may require us to make substantial investments and we anticipate that, as our market becomes increasingly competitive, these marketing initiatives may become increasingly difficult and expensive. Our marketing activities may not be successful or yield increased revenue, and to the extent that these activities yield increased revenue, the increased revenue may not offset the expenses we incur, and our results of operations could be materially and adversely affected.

In addition, any factor that diminishes our reputation or that of our management, including failing to meet the expectations of our customers, could make it substantially more difficult for us to attract new customers. The marked increase in the use of social media platforms that provide individuals with access to a broad audience of consumers and other interested persons results in the opportunity for dissemination of information, including inaccurate information. Information posted may be averse to our interests or inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate without affording us an opportunity for redress or correction.

If we do not successfully maintain and enhance our reputation and brand recognition with our customers, our business may not grow and we could lose our relationships with customers, which would materially and adversely affect our business, results of operations and financial condition.

We are subject to a number of risks and regulations related to credit card and debit card payments we accept.

We accept payments through credit card and debit card transactions. For credit card and debit card payments, we pay interchange and other fees, which may increase over time. An increase in those fees would require us to either increase the prices we charge for our memberships, which could cause us to lose UWC Members or suffer an increase in our operating expenses, either of which could harm our operating results.

If we or any of our processing vendors have problems with our billing software or the billing software malfunctions, it could have an adverse effect on our member satisfaction and could cause one or more of the major credit card companies to disallow our continued use of their payment products. In addition, if our billing software fails to work properly and, as a result, we do not automatically charge our UWC Members' credit cards or debit cards on a timely basis or at all, we could lose membership revenue, which would materially and adversely affect our operating results.

If we fail to adequately control fraudulent credit card and debit card transactions, we may face civil liability, diminished public perception of our security measures and significantly higher credit card and debit card related costs, each of which could adversely affect our business, financial condition and results of operations. We are subject to a number of federal regulations relating to the use of debit and credit cards, such as the Electronic Funds Act and the Truth in Lending Act of 1968, which provide guidelines and parameters for payment processing on debit cards and credit cards, respectively, and certain state regulations relating to automatic renewal, including, among others, the California Business & Professional Code Section 17601-17606, as amended, which provides requirements we must follow for the automatic renewal of subscription fees such as those charged to our UWC Members. We may also face legal liability or reputational harm for any failure, or any allegation that we have failed, to comply with such consumer protection laws relating to consumer debit or credit transactions. We also are subject to the Payment Card Industry Data Security Standard ("PCI DSS"), issued by the PCI Council and to the American National Standards Institute ("ANSI") data encryption standards and payment network security operating guidelines, as well as the Fair and Accurate Credit Transactions Act ("FACTA"). Failure to comply with these guidelines or standards may result in the imposition of financial penalties or the allocation by debit and credit card companies of the costs of fraudulent charges to us.

Any material interruptions or failures in our payment related systems could have a material adverse effect on our business, results of operations and financial condition. If we are unable to comply with the security standards established by banks and the payment card industry, we may be subject to fines, restrictions and expulsion from card acceptance programs, which could materially and adversely affect our retail operations and the UWC program.

We depend on a limited number of suppliers for most of our car wash equipment and certain supplies.

We rely on a limited number of suppliers for most of the car wash equipment and certain other supplies we use in our operations. Our ability to secure such equipment and supplies from alternative sources as needed may be time-consuming or expensive or may cause a temporary disruption in our supply chain. In recent months, we have anticipated intermittent shortages of certain supplies from our standard vendors and, accordingly, we enhanced our sourcing procedures to identify alternative suppliers and avoid any actual shortages, albeit sometimes at additional cost. Additionally, we do not have a supplier contract with our main supplier of car wash tunnel equipment, and our orders are based on purchase orders. As such, we are subject to the risk that a supplier will not continue to provide us with the required car wash tunnel equipment. We also do not carry a significant inventory of such equipment. Increasingly during 2021, the delivery times were extended on certain equipment for our greenfield pipeline but, through alternative sourcing, we have thus far avoided any significant disruptions. Shortages or interruptions in the supply of car wash equipment and other supplies could occur for reasons within or beyond the control of us and the supplier. Decreased fuel supplies are anticipated to increase fuel prices, which may adversely impact our transportation costs. Any shortage or interruption to our supply chain could reduce our sales and profit margins, which in turn may materially and adversely affect our business and results of operations.

Our locations may experience difficulty hiring and retaining qualified personnel, resulting in higher labor costs.

The operation of our locations requires both entry-level and skilled team members, and trained personnel continue to be in high demand and short supply at competitive compensation levels in some areas, which is likely to result in increased labor costs. Accordingly, we may experience increased difficulty hiring and maintaining such qualified personnel. In addition, the formation of unions may increase the operating expenses of our locations. Any such future difficulties could result in a decline in customer service negatively impacting sales at our locations, which could in turn materially and adversely affect our business, results of operations and financial condition.

Many of our key personnel have worked for us for a significant amount of time or were recruited by us specifically due to their experience. Our success depends in part upon the reputation and influence within the industry of our senior managers. Each of our executive officers and other key employees may terminate his or her relationship with us at any time and the loss of the services of one or a combination of our senior executives or members of our senior management team may significantly delay or prevent the achievement of our business or development objectives and could materially harm our business. Further, contractual obligations related to confidentiality and noncompetition may be ineffective or unenforceable, and departing employees may share our proprietary information with competitors in ways that could adversely impact us.

We lease or sublease the land and buildings where a number of our locations are situated, which could expose us to possible liabilities and losses.

We lease the land and buildings where a significant number of our locations are located. The terms of the leases and subleases vary in length, with primary terms (i.e., before consideration of option periods) expiring on various dates. In addition, we may not be able to terminate a particular lease if or when we would like to do so, which could prevent us from closing or relocating certain underperforming locations. Our obligations to pay rent are generally non-cancelable, even if the location operated at the leased or subleased location is closed. Thus, if we decide to close locations, we generally are required to continue paying rent and operating expenses for the balance of the lease term. The performance of any of these obligations may be expensive. We may not assign or sublet the leased locations without consent of the landlord. When we assign or sublease vacated locations, we may remain liable on the lease obligations if the assignee or sub-lessee does not perform. Accordingly, we are subject to the risks associated with leasing locations which can have a material adverse effect on us.

As leases expire, we may be unable to negotiate renewals on commercially acceptable terms or at all, which could cause us to close locations in desirable locations or otherwise negatively affect profits, which in turn could materially and adversely affect our business and results of operations.

We depend on cash from our operating activities to make lease payments for our leases, which may strain our cash flow.

We depend on net cash provided by operating activities to pay our rent and other lease expenses and to fulfill our other cash needs. If our business does not generate sufficient cash provided by operating activities, and sufficient funds are not otherwise available to us from borrowings under our First Lien Term Loan and Revolving Commitment or from other sources, we may not be able to service our lease expenses, grow our business, respond to competitive challenges or fund our other liquidity and capital needs, which would harm our business.

Changes in applicable tax laws could have a material and adverse effect on our business, financial condition and results of operations. Our effective tax rate could also change materially as a result of various evolving factors, including changes in income tax law or changes in the scope of our operations.

We are subject to income taxation at the federal and state level due to the scope of our operations. We have also recorded non-income tax-based liabilities such as those related to sales, property, payroll and withholding tax. We have structured our operations in a manner designed to comply with current prevailing laws but the Internal Revenue Service, state and/or local taxing authorities could seek to impose incremental or new taxes on our business operations. In addition, changes in federal and state tax rates, laws and regulations may result in additional income and non-income tax liabilities being imposed on us and have an adverse effect on our effective tax rate, results of

operations and financial condition. Lastly, changes in the scope of our operations, including expanding into new geographies, could increase our income tax liabilities and have an adverse impact on our effective tax rate.

Risks Related to Our Indebtedness and Capital Requirements

Our indebtedness could adversely affect our financial health and competitive position.

As of December 31, 2022, we had \$895.5 million of indebtedness, net of unamortized debt issuance costs, outstanding pursuant to an amended and restated first lien credit agreement entered into on May 14, 2019 (“First Lien Term Loan”). To service this debt and any additional debt we may incur in the future, we need to generate cash. Our ability to generate cash is subject, to a certain extent, to our ability to successfully execute our business strategy, including acquisition activity, as well as general economic, financial, competitive, regulatory and other factors beyond our control. There can be no assurance that our business will be able to generate sufficient cash flow from operations or that future borrowings or other financing will be available to us in an amount sufficient to enable us to service our debt and fund our other capital needs. To the extent we are required to use our cash flow from operations or the proceeds of any future financing to service our debt instead of funding working capital, capital expenditures, or acquisitions, we will be less able to plan for, or react to, changes in our business, industry and in the economy generally. This places us at a competitive disadvantage compared to our competitors that have less debt. There can be no assurance that we will be able to refinance any of our debt on commercially reasonable terms or at all, or that the terms of that debt will allow any of the above alternative measures or that these measures would satisfy our scheduled debt service obligations. If we are unable to generate sufficient cash flow to repay or refinance our debt on favorable terms, it could significantly adversely affect our financial condition and the value of our outstanding debt. Our ability to restructure or refinance our debt will depend on the condition of the capital markets and our financial condition. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations, make it more difficult for us to obtain additional capital and to pursue business opportunities, including potential acquisitions.

On March 5, 2021, the ICE Benchmark Administration (“IBA”), the administrator of LIBOR, and the United Kingdom’s Financial Conduct Authority (the “FCA”), the regulatory supervisor of the IBA, announced in public statements (the “Announcements”) that the final publication or representativeness date for one-week and two-month USD LIBOR tenors will be December 31, 2021 and all other USD Libor tenors (overnight, one-month, three-month, six-month and 12-month) will be June 30, 2023. As a result, USD LIBOR will not be available for use in agreements and other instruments after the relevant cessation date and may ultimately cease to be utilized in advance of such relevant cessation date. In December 2022, we entered into Amendment No. 4 to our Amended and Restated First Lien Credit Agreement with the lenders party thereto, and Jeffries Finance LLC, as administrative agent, to transition from LIBOR to Eurocurrency rate SOFR spread, whereas all revolver borrowings and term loan borrowings under the existing credit agreement will be SOFR based.

The terms of our Credit Facilities impose certain operating and financial restrictions on us that may impair our ability to adapt to changing competitive or economic conditions.

The credit agreements governing our Credit Facilities contain, and any agreements evidencing or governing other future debt may contain, certain restrictive covenants that limit our ability, among other things, to engage in certain activities that are in our long-term best interests, including our ability to:

- incur liens;
- incur or assume additional debt or amend our debt and other material agreements;
- issue certain disqualified stock;
- declare or make dividends or distributions and redeem, repurchase or retire equity interests;
- prepay, redeem or repurchase debt;
- make investments, loans, advances, guarantees and acquisitions;
- enter into agreements restricting the ability to pay dividends or grant liens securing the obligations under the credit agreements;

- amend or modify governing documents;
- enter into transactions with affiliates;
- engage in certain business activities or alter the business conducted by us and our restricted subsidiaries; and
- engage in certain mergers, consolidations and asset sales.

In addition, the First Lien Term Loan contains a springing maximum first lien net leverage ratio financial covenant. Our ability to meet this requirement can be affected by events beyond our control, and we may not be able to satisfy such financial covenants. Our ability to comply with these covenants and restrictions may be affected by events and factors beyond our control. Our failure to comply with any of these covenants or restrictions could result in an event of default under our Credit Facilities. An event of default would permit the lending banks under the facility to take certain actions, including terminating all outstanding commitments and declaring all amounts outstanding under our credit facility to be immediately due and payable, including all outstanding borrowings, accrued and unpaid interest thereon, and all other amounts owing or payable with respect to such borrowings and any terminated commitments.

In addition, the lenders would have the right to proceed against the collateral we granted to them, which includes substantially our assets.

In order to support the growth of our business, we may need to incur additional indebtedness or seek capital through new equity or debt financings, which sources of additional capital may not be available to us on acceptable terms or at all.

We intend to continue to make significant investments to support our business growth, respond to business challenges or opportunities, develop new services, enhance our existing services and operating infrastructure and potentially acquire complementary businesses and assets. For the year ended December 31, 2022, our net cash provided by operating activities was \$229.2 million. As of December 31, 2022, we had \$65.2 million of cash and cash equivalents, which were held for working capital purposes.

Our future capital requirements may be significantly different from our current estimates and will depend on many factors, including the need to:

- finance unanticipated working capital requirements;
- develop or enhance our infrastructure and our existing services;
- acquire complementary businesses, assets or services;
- ensure the availability of sale-leaseback arrangements when we engage in an acquisition;
- fund strategic relationships, including joint ventures and co-investments;
- fund additional implementation engagements; and
- respond to competitive pressures.

Accordingly, we may need to engage in equity or debt financings or other arrangements to secure additional funds. Additional financing may not be available on terms favorable to us, or at all. If we raise additional funds through further issuances of equity or convertible debt securities, our existing stockholders could suffer significant dilution, and any new equity securities we issue could have rights, preferences and privileges superior to those of holders of our ordinary shares. In addition, during times of economic instability, it has been difficult for many companies to obtain financing in the public markets or to obtain debt financing, and we may not be able to obtain additional financing on commercially reasonable terms, if at all. If we are unable to obtain adequate financing or financing on terms satisfactory to us, it could have a material and adverse effect on our business, results of operations and financial condition.

We are a holding company and depend on our subsidiaries for cash to fund operations and expenses, including future dividend payments, if any.

We are a holding company that does not conduct any business operations of our own. As a result, we are largely dependent upon cash distributions and other transfers from our subsidiaries to meet our obligations and to make future dividend payments, if any. We do not currently expect to declare or pay dividends on our common stock for the foreseeable future; however, the agreements governing the indebtedness of our subsidiaries impose restrictions on our subsidiaries' ability to pay dividends or other distributions to us. See "Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources." The deterioration of the earnings from, or other available assets of, our subsidiaries for any reason could impair their ability to make distributions to us.

Risks Related to Government Regulation

Our business is subject to various laws and regulations and changes in such laws and regulations, or failure to comply with existing or future laws and regulations, could adversely affect our business.

Our business is subject to numerous and frequently changing federal, state and local laws and regulations. We routinely incur significant costs in complying with these regulations. New or existing laws, regulations and policies, liabilities arising thereunder and the related interpretations and enforcement practices, particularly those dealing with minimum wages, paid sick time, workplace safety, employee and public health crisis, such as the COVID-19 pandemic, advertising and marketing, consumer protection, recurring debit and credit card charges, information security, data privacy, environmental protection including recycling, waste, water usage, zoning and land use, taxation and public company compliance, may result in significant added expenses or may require extensive system and operating changes that may be difficult to implement and/or could materially increase our cost of doing business. In addition, we are subject to environmental laws pursuant to which we could be strictly liable for any contamination at our current or former locations, or at third-party waste disposal sites, regardless of our knowledge of or responsibility for such contamination.

Our locations are subject to certain environmental laws and regulations.

Our current and former car wash operations and quick lube businesses, as well as our former motor fuel dispensing, are governed by stringent federal, state and local laws and regulations, including environmental regulations of the handling, storage, transportation, import/export, recycling, or disposing of various new and used products the generation, storage and disposal of solid and hazardous wastes, and the release of materials into the environment. Additionally, in the course of our operations, we may generate some amounts of material that may be regulated as hazardous substances.

Pursuant to these laws and regulations, or future changes thereto, we may be required to obtain and maintain approvals or permits for the discharge of wastewater or storm water and are required to develop and implement spill prevention, control and countermeasure plans in connection with on-site storage of significant quantities of motor fuel. We believe that we maintain all required discharge permits necessary to conduct our operations, and further believe we are in substantial compliance with the terms thereof.

The federal Clean Air Act, as amended, ("CAA") and similar state laws impose requirements on emissions to the air from motor fueling activities in certain areas of the country, including those that do not meet state or national ambient air quality standards. These laws may require the installation of vapor recovery systems to control emissions of volatile organic compounds to the air during the motor fueling process.

Under the CAA and comparable state and local laws, permits are typically required to emit regulated air pollutants into the atmosphere. In addition, the federal Clean Water Act ("CWA") and analogous state laws may require us to obtain and maintain individual permits or coverage under general permits for discharges of wastewater or storm water runoff. While we expect to obtain necessary approvals for our operations, as with all governmental permitting processes, there is a degree of uncertainty as to whether a particular permit will be granted, the time it will take for such permit to be issued, and the conditions that may be imposed in connection with the granting of such permit. We are unaware of pending changes to environmental laws and regulations that will have a material adverse effect on our financial condition, results of operations or cash available for distribution to our stockholders; nonetheless, there exists the possibility that new laws or regulations may be imposed in the future that could result in more stringent

and costly compliance requirements that potentially could materially and adversely affect our business. We are not presently aware of any material liability related to the costs of investigations and cleaning up sites of spills, disposals or other releases of hazardous materials at our current or former locations or business operations.

The historical transportation, distribution and storage of motor fuels (diesel fuel and gasoline) and other chemicals are subject to environmental protection and operational safety laws and regulations.

As of December 31, 2020, the Company had divested its quick lube business but in December 2021 acquired four quick lube operations. As of December 31, 2022, the Company was no longer dispensing gasoline or diesel fuels at any location.

Where releases of motor fuels, petroleum products, chemicals or other substances or wastes have occurred, federal and state laws and regulations require that contamination caused by such releases be assessed and remediated to meet applicable clean-up standards.

Changing Climate, Global Climate Change Regulations and Greenhouse Gas Effects may Adversely Affect our Operations and Financial Performance.

There is continuing concern from members of the scientific community and the general public that emissions of greenhouse gases ("GHG") and other human activities have or will cause significant changes in weather patterns and increase the frequency or severity of extreme weather events, including droughts, wildfires and flooding. These types of extreme weather events have and may continue to adversely impact us, our suppliers, our customers and their ability to purchase our products and our ability to timely receive appropriate raw materials to manufacture and transport our products on a timely basis.

Any adverse environmental impact on our locations due to climate change could materially and adversely affect our business and the results of our operations. New federal or state legislation or regulations on greenhouse gas ("GHG") emissions that may be imposed in areas of the United States in which we conduct business and that apply to our operations could adversely affect our business.

If such legislation or regulations are enacted, we could incur increased energy, environmental and other costs and capital expenditures to comply with the limitations.

We, along with other companies in many business sectors, are considering and implementing environmental, social and governance ("ESG") and sustainability strategies, specifically ways to reduce GHG emissions. As a result, our customers may request that changes be made to our products or facilities, as well as other aspects of our business, that increase costs and may require the investment of capital. Failure to provide climate-friendly products or demonstrate GHG reductions could potentially result in loss of market share.

Government regulations, weather conditions including drought and natural hazards may affect the availability of water supplies for use at our car wash locations.

Our ability to meet the existing and future water demands at our car wash locations depends on adequate supplies of water. Generally, the water used in our car wash locations is sourced from rivers, lakes, streams and groundwater aquifers and, in some limited instances, through onsite groundwater wells. As such, we typically do not own the water that we use in our operations but instead are dependent on local public and/or private water agencies for most of the water used. Accordingly, governmental restrictions on water use may result in decreased access to water supplies or to temporary suspension of water usage from time to time.

Climate change, drought, overuse of sources of water, the protection of threatened species or habitats or other factors may limit the availability of ground and surface water and our access to water supplies. Ongoing drought conditions currently exist in several areas of the United States, particularly in the western states, where we operate. Governmental restrictions on water use may also result in decreased access to water supplies, which may adversely affect our financial condition and results of operations. Water service interruptions are also possible due to severe weather events, including winter storms and freezing conditions in colder climate locations, high wind conditions in areas known to experience tornados, earthquakes in areas known to experience seismic activity, high water conditions in areas located in or near designated flood plains, hurricanes, and severe electrical storms.

Any interruption in our ability to access water could materially and adversely affect the results of our operations and financial condition. Furthermore, losses from business interruptions or damage to our facilities might not be covered by our insurance policies and such losses may make it difficult for us to secure insurance coverage in the future at acceptable rates.

Risks Related to Intellectual Property, Information Technology and Data Privacy

We are subject to data security and privacy risks that could negatively impact our results of operations or reputation.

We collect, process, transmit and store personal, sensitive and confidential information, including our proprietary business information and that of consumers (including UWC Members), employees and suppliers. The secure processing, maintenance and transmission of this information is critical to our operations.

Increased global IT security threats and more sophisticated and targeted computer crime and increased ransomware attacks pose a risk to the security of our computer systems and networks and the confidentiality, availability and integrity of our data. Despite our security measures, we have been subject to cyber-attacks and attempts in the past and our IT systems and infrastructure may continue to be vulnerable to computer viruses, cyber-attacks, security breaches caused by employee error or malfeasance or other disruptions in the future. Though no such incident to date has had a material impact on our business, we cannot ensure that our security efforts will prevent unauthorized access or loss of functionality to our or our third-party providers' systems. Any such incident could compromise our networks and the information stored there could be accessed, publicly disclosed, lost or stolen. A security breach of our computer systems or those of our third-party service providers and business partners could interrupt or damage our operations or harm our reputation, or both. In addition, any such breach, attack, virus or other event could result in costly investigations and litigation, government enforcement actions, civil or criminal penalties, fines, operational changes or other response measures, loss of consumer confidence in our security measures, and negative publicity that could materially and adversely affect our brand, business, results of operations and financial condition. These costs and losses may not be adequately covered by applicable insurance coverage or other contractual rights available to us.

We must comply with increasingly and complex privacy and security laws and regulations in the United States. Further, in June 2018 California enacted the California Consumer Privacy Act (the "CCPA"), which went into effect on January 1, 2020. The CCPA gives California residents certain rights to access and delete their personal information, opt out of certain personal information sharing, and receive detailed information about how their personal information is used. The CCPA provides for civil penalties for violations, as well as a private right of action for data breaches that is expected to increase data breach litigation. Although there are limited exemptions for health-related information, including Protected Health Information and clinical trial data, the CCPA may increase our compliance costs and potential liability. Further, the California Privacy Rights and Enforcement Act (the "CPRA"), which went into effect on January 1, 2023, significantly amends the CCPA and will impose additional data protection obligations on covered businesses, including additional consumer rights processes, limitations on data uses, new audit requirements for higher risk processing, and opt outs for certain uses of sensitive data. It will also create a new California data protection agency authorized to issue substantive regulations and could result in increased privacy and information security enforcement. Similar laws have been proposed or enacted in other states and at the federal level, and when passed, such laws may have potentially conflicting requirements that would make compliance challenging. Our operations are subject to the Telephone Consumer Protection Act and similar state laws.

As a general matter, compliance with laws, regulations and any applicable rules or guidance from self-regulatory organizations relating to privacy, data protection, information security and consumer protection may result in substantial costs and may necessitate changes to our business practices, which may compromise our growth strategy, materially and adversely affect our ability to acquire customers and otherwise materially and adversely affect our business, results of operations and financial condition.

We may be unable to adequately protect, and we may incur significant costs in enforcing or defending, our intellectual property and other proprietary rights.

Our success depends in part on our brand image and our ability to enforce and defend our intellectual property and other proprietary rights and differentiate ourselves from our competitors. We rely upon a combination of trademark,

patent, trade secret, copyright, and unfair competition laws, and other contractual provisions, to protect our intellectual property and other proprietary rights. We cannot assure you that the steps we take to protect our intellectual property and other proprietary rights will be adequate to prevent the infringement or other violation of such rights by others, including the imitation and misappropriation of our brand, which could damage our brand identity and the goodwill we have created. To the extent that our intellectual property and other proprietary rights are not adequately protected, third parties may challenge, invalidate, circumvent, infringe or misappropriate our intellectual property or the intellectual property of our third-party licensors, or such intellectual property may not be sufficient to permit us to take advantage of current market trends or otherwise to provide competitive advantages, which could result in costly redesign efforts, discontinuance of certain service offerings or other competitive harm. We may have to litigate to enforce or determine the scope and enforceability of our intellectual property rights, which is expensive and could exceed applicable insurance coverage, could cause a diversion of resources and may not prove successful. The loss of intellectual property protection or the inability to obtain sufficient rights to use third-party intellectual property could harm our business and ability to compete.

We may be subject to infringement claims.

Although we believe that our services and operations do not infringe upon or otherwise violate the proprietary rights of third parties, we cannot guarantee that we do not, and will not in the future, infringe or otherwise violate the proprietary rights of third parties. Third parties have in the past, and may in the future, assert infringement or other intellectual property violation claims against us with respect to future products, services or operations. Any claim from a third party may result in a limitation on our ability to use our intellectual property. Even if we believe that intellectual property related claims are without merit, defending against such claims is time-consuming, expensive and could result in the diversion of the time and attention of our management and employees. Claims of intellectual property infringement are inherently uncertain, and might require us to redesign affected services, enter into costly settlement or license agreements, pay costly damage awards for which we may not have insurance coverage, or face a temporary or permanent injunction prohibiting us from marketing or selling certain of our services. Even if we have an agreement for indemnification against such costs, the indemnifying party, if any in such circumstances, may be unable to uphold its contractual obligations. If we cannot or do not license the infringed technology on reasonable terms or substitute similar technology from another source, our business, results of operations, and financial condition could be materially and adversely affected.

Risks Related to Ownership of Our Common Stock

We are a "controlled company" within the meaning of the NYSE rules and, as a result, will qualify for, and may rely on, exemptions from certain corporate governance requirements.

LGP has more than 50% of the voting power for the election of directors, and, as a result, we are considered a "controlled company" for the purposes of the New York Stock Exchange ("the NYSE"). Although we currently comply with the NYSE rules applicable to companies that do not qualify as a "controlled company," as a "controlled company," in the future we may elect not to comply with certain corporate governance standards, including the requirements:

- that a majority of our board of directors consist of independent directors;
- that our board of directors have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;
- that our board of directors have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and
- for an annual performance evaluation of the nominating and corporate governance committee and compensation committee.

For as long as LGP owns more than 50% of our common stock it will be able to exert a controlling influence over all matters requiring stockholder approval, including the nomination and election of directors and approval of significant corporate transactions, such as a merger or other sale of our Company or its assets. Even if LGP were to own or control less than a majority of our total outstanding shares of

common stock, it will be able to influence the outcome of corporate actions so long as it owns a significant portion of our total outstanding shares of common stock.

LGP may have interests that are different from our other stockholders and may vote in a way with which our other stockholders disagree and that may be averse to their respective interests. In addition, LGP's concentration of ownership could have the effect of delaying or preventing a change in control or otherwise discouraging a potential acquirer from attempting to obtain control of us, which could cause the market price of our common stock to decline or prevent our stockholders from realizing a premium over the market price for their common stock.

Our amended and restated certificate of incorporation could prevent us from benefiting from corporate opportunities that might otherwise have been available to us.

Our amended and restated certificate of incorporation will, to the maximum extent permitted from time to time by Delaware law, renounce any interest or expectancy that we have in, or right to be offered an opportunity to participate in, specified business opportunities that are from time to time presented to our officers, directors or stockholders or their respective affiliates, other than those officers, directors, stockholders or affiliates who are our or our subsidiaries' employees. Our amended and restated certificate of incorporation will provide that, to the fullest extent permitted by law, none of LGP or any of their affiliates or any director who is not employed by us (including any non-employee director who serves as one of our officers in both his director and officer capacities) or his or her affiliates will have any duty to refrain from (i) engaging in a corporate opportunity in the same or similar lines of business in which we or our affiliates now engage or propose to engage or (ii) otherwise competing with us or our affiliates. In addition, to the fullest extent permitted by law, in the event that LGP or any non-employee director acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity for itself or himself or its or his affiliates or for us or our affiliates, such person will have no duty to communicate or offer such transaction or business opportunity to us or any of our affiliates and they may take any such opportunity for themselves or offer it to another person or entity. Our amended and restated certificate of incorporation will not renounce our interest in any business opportunity that is expressly offered to a non-employee director solely in his or her capacity as a director or officer of the Company. To the fullest extent permitted by law, no business opportunity will be deemed to be a potential corporate opportunity for us unless we would be permitted to undertake the opportunity under our amended and restated certificate of incorporation, we have sufficient financial resources to undertake the opportunity and the opportunity would be in line with our business.

As a result of these provisions in our amended and restated certificate of incorporation, we may not receive the benefit from certain corporate opportunities, such as an acquisition target or other extraordinary transaction, that might have otherwise been available to us and potentially beneficial to our business.

Sales of a substantial number of shares of our common stock in the public market by our existing stockholders could cause our stock price to fall.

Sales of a substantial number of shares of our common stock in the public market or the perception that these sales might occur, could depress the market price of our common stock and could impair our ability to raise capital through the sale of additional equity securities.

Moreover, holders of approximately 73% of our outstanding common stock as of the date of this Annual Report on Form 10-K have rights, pursuant to the Stockholders Agreement, to require us to file registration statements for the public sale of their shares or to include their shares in registration statements that we may file for ourselves or other stockholders. A registration statement covering such shares has been filed and has been declared effective. Any sales of securities by these stockholders could have a material and adverse effect on the trading price of our common stock.

As of December 31, 2022 we are no longer an "emerging growth company", and we are no longer able to take advantage of the reduced disclosure requirements applicable to "emerging growth companies".

As of June 30, 2022, the market value of our ordinary shares that were held by non-affiliates exceeded \$700.0 million and therefore, as of December 31, 2022, we no longer qualified as an emerging growth company under the Jumpstart Our Business Startups Act of 2012. On December 31, 2022, we became a large accelerated filer and the reduced disclosure obligations of emerging growth companies are no longer available to us. As an emerging growth

company, we took advantage of certain exemptions from various reporting requirements that are applicable to other public companies. As a result, we will need to comply with the independent auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002, or the Sarbanes-Oxley Act, beginning with this Annual Report on Form 10-K for the year ended December 31, 2022, will be required to hold a say-on-frequency vote at our 2023 annual general meeting of stockholders, and will no longer be entitled to provide the reduced executive compensation disclosures permitted by emerging growth companies in this Annual Report on Form 10-K and our proxy statement for the 2023 annual general meeting of stockholders. We expect that our transition from “emerging growth company” to “large accelerated filer” will require additional attention from management and will result in increased costs to us, which could include higher legal fees, accounting fees and fees associated with investor relations activities, among others.

If we fail to maintain proper and effective internal controls, our ability to produce accurate and timely financial statements could be impaired, which could harm our operating results, our ability to operate our business and investors’ views of us.

We are required to comply with Section 404 of the Sarbanes-Oxley Act. Section 404 of the Sarbanes-Oxley Act requires public companies to maintain effective internal control over financial reporting. In particular, we must perform system and process evaluation and testing of our internal control over financial reporting to allow management to report on the effectiveness of our internal control over financial reporting. In addition, we are required to have our independent registered public accounting firm attest to the effectiveness of our internal control over financial reporting beginning with this Annual Report on Form 10-K for the fiscal year ended December 31, 2022. Ensuring that we have adequate internal financial and accounting controls and procedures in place so that we can produce accurate financial statements on a timely basis is a costly and time-consuming effort that will need to be evaluated frequently. If we fail to maintain the effectiveness of our internal controls or fail to comply in a timely manner with the requirements of the Sarbanes-Oxley Act, or if we or our independent registered public accounting firm identify deficiencies in our internal control over financial reporting that are deemed to be material weaknesses, this could have a material adverse effect on our business. We could lose investor confidence in the accuracy and completeness of our financial reports, which could have an adverse effect on the price of our common stock and we could be subject to sanctions or investigations by NYSE, the SEC or other regulatory authorities, which would require additional financial and management resources. In addition, if our efforts to comply with new or changed laws, regulations, and standards differ from the activities intended by regulatory or governing bodies due to ambiguities related to practice, regulatory authorities may initiate legal proceedings against us and our business may be harmed.

Some provisions of our charter documents and Delaware law may have anti-takeover effects that could discourage an acquisition of us by others, even if an acquisition would be beneficial to our stockholders, and may prevent attempts by our stockholders to replace or remove our current management.

Provisions in our amended and restated certificate of incorporation and our amended and restated bylaws, as well as provisions of the Delaware General Corporation Law (“DGCL”), could make it more difficult for a third party to acquire us or increase the cost of acquiring us, even if doing so would benefit our stockholders, including transactions in which stockholders might otherwise receive a premium for their shares. These provisions include:

- establishing a classified Board such that not all members of the Board are elected at one time;
- allowing the total number of directors to be determined exclusively (subject to the rights of holders of any series of preferred stock to elect additional directors) by resolution of our Board and granting to our Board the sole power (subject to the rights of holders of any series of preferred stock or rights granted pursuant to the Stockholders’ Agreement) to fill any vacancy on the Board;
- providing that our stockholders may remove members of our Board only for cause and only by the affirmative vote of the holders of at least two-thirds of the voting power of our then-outstanding stock, following such time as LGP ceases to beneficially own, in the aggregate, at least 50% of the voting power of our common stock;
- authorizing the issuance of “blank check” preferred stock by our Board, without further stockholder approval, to thwart a takeover attempt;

- prohibiting stockholder action by written consent (and, thus, requiring that all stockholder actions be taken at a meeting of our stockholders), if LGP ceases to beneficially own, in the aggregate, at least 50% of the voting power of our common stock;
- eliminating the ability of stockholders to call a special meeting of stockholders, except for LGP for so long as LGP beneficially owns, in the aggregate, at least 50% of the voting power of our common stock;
- establishing advance notice requirements for nominations for election to the Board or for proposing matters that can be acted upon at annual stockholder meetings; and
- requiring the approval of the holders of at least two-thirds of the voting power of all outstanding stock entitled to vote thereon, voting together as a single class, to amend or repeal our certificate of incorporation or bylaws if LGP ceases to beneficially own, in the aggregate, at least 50% of the voting power of our common stock.

These provisions could discourage, delay or prevent a transaction involving a change in control. They could also discourage proxy contests and make it more difficult for stockholders to elect directors of their choosing and cause us to take corporate actions other than those that stockholders desire.

Our amended and restated certificate of incorporation provides that the Court of Chancery of the State of Delaware or federal district courts of the United States will be the sole and exclusive forum for certain types of lawsuits, which could limit our stockholders' abilities to obtain a favorable judicial forum for disputes with us or our directors, officers or employees.

Our amended and restated certificate of incorporation and amended and restated bylaws require, to the fullest extent permitted by law, that (i) any derivative action or proceeding brought on our behalf, (ii) any action asserting a claim of breach of a fiduciary duty owed by any of our directors, officers, or other employees to us or our stockholders, (iii) any action asserting a claim against us arising pursuant to any provision of the DGCL or the amended and restated certificate of incorporation or the proposed bylaws, or (iv) any action asserting a claim against us governed by the internal affairs doctrine will have to be brought only in the Court of Chancery in the State of Delaware (or the federal district court for the District of Delaware or other state courts of the State of Delaware if the Court of Chancery in the State of Delaware does not have jurisdiction). The amended and restated certificate of incorporation and amended and restated bylaws also require that the federal district courts of the United States of America will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act; however, there is uncertainty as to whether a court would enforce such provision, and investors cannot waive compliance with federal securities laws and the rules and regulations thereunder. Although we believe these provisions benefit us by providing increased consistency in the application of applicable law in the types of lawsuits to which they apply, the provisions may have the effect of discouraging lawsuits against our directors and officers. These provisions would not apply to any suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal courts of the United States have exclusive jurisdiction.

We do not intend to pay dividends for the foreseeable future.

We currently intend to retain any future earnings to finance the operation and expansion of our business and we do not expect to declare or pay any dividends in the foreseeable future. Moreover, the terms of our existing First Lien Term Loan and Revolving Commitment restrict our ability to pay dividends, and any additional debt we may incur in the future may include similar restrictions. In addition, Delaware law may impose requirements that may restrict our ability to pay dividends to holders of our common stock. As a result, stockholders must rely on sales of their common stock after price appreciation as the only way to realize any future gains on their investment.

Item 3. Legal Proceedings

We are subjected from time-to-time to various claims, lawsuits and other legal proceedings, including intellectual property claims. Some of these claims, lawsuits and other legal proceedings involve highly complex issues, and often these issues are subject to substantial uncertainties. Accordingly, our potential liability with respect to a large portion of such claims, lawsuits and other legal proceedings cannot be estimated with certainty. Management, with the assistance of legal counsel, periodically reviews the status of each significant matter and assesses potential financial exposure. We recognize provisions for claims or pending litigation when we determine that an unfavorable outcome is probable, and the amount of loss can be reasonably estimated. Due to the inherent uncertain nature of litigation, the ultimate outcome or actual cost of settlement may materially vary from estimates. If management's estimates prove incorrect, we could incur a charge to earnings which could have a material and adverse effect on our business, results of operations, and financial condition. We are not party to any material legal proceedings.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

You should read the following discussion and analysis of our financial condition and results of operations together with our consolidated financial statements and related notes included elsewhere in this Annual Report on Form 10-K. This discussion contains forward-looking statements based upon current plans, expectations and beliefs involving risks and uncertainties. Our actual results may differ materially from those anticipated in these forward-looking statements as a result of various factors, including those set forth under Part I, Item 1A. "Risk Factors" or in other sections of this Annual Report on Form 10-K.

Factors Affecting Our Business and Trends

We believe that our business and growth depend on a number of factors that present significant opportunities for us and may pose risks and challenges, including those discussed below and in Part I, Item 1A. "Risk Factors" included elsewhere in this Annual Report on Form 10-K.

- *Growth in comparable store sales.* Comparable store sales have been a driver of our net revenue growth and we expect it to continue to play a key role in our future growth and profitability. We will seek to continue to grow our comparable store sales by increasing the number of UWC Members, maximizing efficiency and throughput of our car wash locations, optimizing marketing spend to add new customers, and increasing customer visitation frequency.
- *Number and loyalty of UWC Members.* The UWC program is a critical element of our business. UWC Members contribute a significant portion of our net revenue and provide recurring revenue through their monthly membership fees.
- *Labor management.* Hiring and retaining skilled team members and experienced management represents one of our largest costs. We believe people are the key to our success and we have been able to successfully attract and retain engaged, high-quality team members by paying competitive wages, offering attractive benefit packages, and providing robust training and development opportunities. While the competition for skilled labor is intense and subject to high turnover, we believe our approach to wages and benefits will continue to allow us to attract suitable team members and management to support our growth.

Factors Affecting the Comparability of Our Results of Operations

Our results have been affected by, and may in the future be affected by, the following factors, which must be understood in order to assess the comparability of our period-to-period financial performance and condition.

Greenfield Location Development

Our primary historical growth strategy has involved acquiring local and regional car wash operators, upgrading the facilities and equipment, training the team to provide the "Mister Experience" and converting the site to the "Mister" brand. More recently, we have also grown through greenfield development of Mister Car Wash locations, with particular focus on Express Exterior Locations, and anticipate further pursuit of this strategy in the future. During 2022, we successfully opened a total of 28 greenfield locations, with the expectation of driving the majority of our future location growth through greenfield development. We believe such a strategy will drive a more controllable pipeline of unit growth for future locations in existing and adjacent markets.

The comparability of our results may be impacted by the inclusion of financial performance of greenfield locations that have not delivered a full fiscal year of financial results nor matured to average unit volumes, which we typically expect after approximately three full years of operation.

Business Acquisitions

In 2022, we completed four business acquisitions of 11 properties. Following acquisition, we implement a variety of operational improvements to unify branding and enhance profitability. As soon as feasible, we fully integrate and transition acquired locations to the "Mister" brand and make investments to improve site flow, upgrade tunnel equipment and technology, and install our proprietary Unity Chemical system, which is a unique blend of our signature products utilizing the newest technology and services to make a better car wash experience for our

customers. We also establish member-only lanes, optimize service offerings and implement training initiatives that we have successfully utilized to improve team member engagement and drive UWC growth post-acquisition. The costs associated with these onboarding initiatives, which vary by site, can impact the comparability of our results.

The comparability of our results may also be impacted by the inclusion of financial performance of our acquisitions that have not delivered a full fiscal year of financial results under Mister Car Wash's ownership.

Divestitures

During the years ended December 31, 2022 and December 31, 2021, we did not consummate any significant divestitures.

Key Performance Indicators

We prepare and analyze various operating and financial data to assess the performance of our business and to help in the allocation of our resources. The key operating performance and financial metrics and indicators we use are set forth below, as of and for the years ended December 31, 2022 and 2021.

	(Dollars in thousands)	Year Ended December 31,	
		2022	2021
Financial and Operating Data			
Location count (end of period)		436	396
Comparable store sales growth		5 %	32 %
UWC Members (in thousands, end of period)		1,884	1,656
UWC sales as a percentage of total wash sales		68 %	64 %
Net income (loss)	\$	112,900	\$ (22,045)
Net income (loss) margin		12.9 %	(2.9)%
Adjusted EBITDA	\$	281,646	\$ 254,348
Adjusted EBITDA margin		32.1 %	33.5 %

Location Count (end of period)

Our location count refers to the total number of car wash locations operating at the end of a period, inclusive of new greenfield locations, acquired locations and offset by closed locations. The total number of locations that we operate, as well as the timing of location openings, acquisitions and closings, have, and will continue to have, an impact on our performance. In fiscal year 2022, we increased our location count by 40 locations, including 28 greenfield locations and 12 business acquisition locations. One location, which was part of a 2021 acquisition, opened during the second quarter of 2022 and is included as an acquired location above. In fiscal year 2021, we increased our location count by 54 locations, including 17 greenfield locations, 37 business acquisition locations, and one asset purchase location, partially offset by one closed location.

Comparable Store Sales Growth

A location is considered a comparable store on the first day of the 13th full calendar month following a location's first day of operations. A location converted from an Interior Cleaning Location format to an Express Exterior Location format is excluded when the location did not offer interior cleaning services in the current period but did offer interior cleaning services in the prior year period. Comparable store sales growth is the percentage change in total wash sales of all comparable store car washes.

Opening new locations is a component of our growth strategy and as we continue to execute on our growth strategy, we expect that a significant portion of our sales growth will be attributable to non-comparable store sales. Accordingly, comparable store sales are only one measure we use to assess the success of our growth strategy. During 2022, comparable store sales increased 5% compared to an increase of 32% in 2021.

UWC Members (end of period)

Members of our monthly subscription service are known as Unlimited Wash Club Members, or UWC Members. We view the number of UWC Members and the growth in the number of UWC Members on a net basis from period to period as key indicators of our revenue growth. The number of UWC Members has grown over time as we have

acquired new customers and retained previously acquired customers. There were approximately 1.9 million and approximately 1.7 million UWC Members as of December 31, 2022 and 2021, respectively. Our UWC program grew by approximately 0.2 million UWC Members, or approximately 13.8%, from December 31, 2021 to December 31, 2022.

UWC Sales as a Percentage of Total Wash Sales

UWC sales as a percentage of total wash sales represent the penetration of our subscription membership program as a percentage of our overall wash sales. Total wash sales are defined as the net revenue generated from express exterior cleaning services and interior cleaning services for both UWC Members and retail customers. UWC sales as a percentage of total wash sales is calculated as sales generated from UWC Members as a percentage of total wash sales. We have consistently grown this measure over time as we educate customers as to the value of our subscription offering. UWC sales were 68% and 64% of our total wash sales for the years ended December 31, 2022, and 2021, respectively.

Adjusted EBITDA and Adjusted EBITDA Margin

Adjusted EBITDA is a non-GAAP measure of our operating performance and should not be considered as an alternative to net income as a measure of financial performance or any other performance measure derived in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP"). Adjusted EBITDA is defined as net income (loss) before interest expense, net, income tax provision (benefit), depreciation and amortization expense, (gain) loss on sale of assets, loss on extinguishment of debt, stock-based compensation expense, acquisition expenses, management fees, non-cash rent expense, expenses associated with the completion of our initial public offering in June 2021 ("the IPO"), expenses associated with the secondary public offering, and other nonrecurring charges. Adjusted EBITDA margin is defined as Adjusted EBITDA divided by net revenues for a given period.

We present Adjusted EBITDA because we believe it assists investors and analysts in comparing our operating performance across reporting periods on a consistent basis by excluding items that we do not believe are indicative of our ongoing operating performance. You are encouraged to evaluate these adjustments and the reasons we consider them appropriate for supplemental analysis. In evaluating Adjusted EBITDA, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in our presentation of Adjusted EBITDA. Our presentation of Adjusted EBITDA should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. There can be no assurance that we will not modify the presentation of Adjusted EBITDA in future periods, and any such modification may be material. In addition, Adjusted EBITDA may not be comparable to similarly titled measures used by other companies in our industry or across different industries.

Our management believes Adjusted EBITDA is helpful in highlighting trends in our core operating performance compared to other measures, which can differ significantly depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which companies operate and capital investments. We also use Adjusted EBITDA in connection with establishing discretionary annual incentive compensation; to supplement U.S. GAAP measures of performance in the evaluation of the effectiveness of our business strategies; to make budgeting decisions; and because our Amended First Lien Credit Agreement (as defined below) uses measures similar to Adjusted EBITDA to measure our compliance with certain covenants.

•Adjusted EBITDA has its limitations as an analytical tool, and you should not consider it in isolation or as a substitute for analysis of our results as reported under U.S. GAAP. Some of these limitations include:

- Adjusted EBITDA does not reflect our cash expenditure or future requirements for capital expenditures or contractual commitments;
- Adjusted EBITDA does not reflect changes in our cash requirements for our working capital needs;
- Adjusted EBITDA does not reflect the interest expense and the cash requirements necessary to service interest or principal payments on our debt;
- Adjusted EBITDA does not reflect cash requirements for replacement of assets that are being depreciated and amortized;

- Adjusted EBITDA does not reflect non-cash compensation, which is a key element of our overall long-term compensation;
- Adjusted EBITDA does not reflect the impact of certain cash charges or cash receipts resulting from matters we do not find indicative of our ongoing operations; and
- other companies in our industry may calculate Adjusted EBITDA differently than we do.

Our Adjusted EBITDA was approximately \$281.6 million and \$254.3 million for the years ended December 31, 2022 and 2021, respectively. Our Adjusted EBITDA margin was 32% and 34% for the years ended December 31, 2022 and 2021, respectively. The increase experienced in the year ended December 31, 2022 compared to the prior year is primarily attributable to an increase in car wash sales due to growth in UWC Members and the year-over-year addition of 40 locations, offset by an increase in operating costs and expenses. The following is a reconciliation of our net income (loss) to Adjusted EBITDA for the periods presented.

(Dollars in thousands)	Year Ended December 31,

Net Revenues

(Dollars in thousands)	Year Ended December 31,			
	2022	2021	\$ Change	% Change
Net revenues	\$ 876,506	\$ 758,357	\$ 118,149	16 %

The increase in net revenues was primarily attributable to the increase in car wash sales due to growth in UWC Members and the year-over-year addition of 40 locations.

Store Operating Costs

Cost of Labor and Chemicals

(Dollars in thousands)	Year Ended December 31,			
	2022	2021	\$ Change	% Change
Cost of labor and chemicals	\$ 268,467	\$ 265,171	\$ 3,296	1 %
Percentage of net revenues	31 %	35 %		

The increase in the cost of labor and chemicals is primarily driven by an increase in labor and benefits of approximately \$25.6 million and an increase in wash chemicals and supplies of approximately \$5.8 million during the year ended December 31, 2022, both attributable to an increase in volume and the year-over-year addition of 40 locations, as well as some inflationary pressures on both our labor and chemicals. The prior year period reflected the recognition of stock-based compensation expense of \$31.3 million related to our performance-based vesting stock options that vested on the consummation of our IPO in June 2021, which offset the current year increases. As a percentage of net revenues, costs of labor and chemicals for the year ended December 31, 2022 decreased by 4% due to improved labor staffing and express volume mix as compared to the prior year period, as well as the prior year period recognition of stock-based compensation expense as noted above.

Other Store Operating Expenses

(Dollars in thousands)	Year Ended December 31,		\$ Change	% Change
	2022	2021		
Other store operating expenses	\$ 322,414	\$ 266,069	\$ 56,345	21 %
Percentage of net revenues	37 %	35 %		

The increase in other store operating expenses was attributable to the year-over-year addition of 40 locations and some inflationary pressures on our utilities and maintenance expenses. Rent expense increased approximately \$10.6 million with the addition of 44 new land and building leases.

General and Administrative

(Dollars in thousands)	Year Ended December 31,		\$ Change	% Change
	2022	2021		
General and administrative	\$ 98,855	\$ 254,815	\$ (155,960)	(61)%
Percentage of net revenues	11 %	34 %		

The decrease in general and administrative expenses was primarily driven by a decrease of approximately \$170.7 million in stock-based compensation costs driven by the prior year recognition of stock-based compensation expense related to the performance-based vesting stock options that vested on the consummation of our IPO in June 2021. This decrease was partially offset by an increase of approximately \$7.9 million in salaries and benefits, an increase of approximately \$4.6 million in stock-based compensation expense not related to the performance-based vesting stock options noted above and an increase of approximately \$2.1 million in other costs, which were primarily attributable to the increased costs of being a public company and the amortization of intangible assets.

Gain on Sale of Assets, net

(Dollars in thousands)	Year Ended December 31,		\$ Change	% Change
	2022	2021		
Gain on sale of assets, net	\$ (949)	\$ (23,188)	\$ 22,239	(96)%
Percentage of net revenues	(0)%	(3)%		

The gain on sale of assets, net in 2022 was primarily driven by \$8.4 million of gains associated with our sale-leaseback transactions, offset by a \$6.3 million impairment loss associated with two properties that were impaired during the fourth quarter. The gain on sale of assets, net in 2021 was primarily attributable to gains associated with our sale-leaseback transactions.

Other expense	\$ 41,895	\$ 42,628	\$ (733)	(2)%
Percentage of net revenues	5 %	6 %		

The decrease in other expense was primarily driven by the result of no loss on extinguishment of debt in the current year, which was offset by an increase in interest expense due to higher average interest rates, an increase in borrowing levels and the expiration of our interest rate swap in October 2022, as compared to the prior year period.

Income Tax Provision (Benefit)

(Dollars in thousands)	Year Ended December 31,		\$ Change	% Change
	2022	2021		
Income tax provision (benefit)	\$ 32,924	\$ (25,093)	\$ 58,017	(231)%
Percentage of net revenues	4 %	(3)%		

The increase in income tax provision in 2022 was primarily due to the Company's income before taxes generated during the current year, as compared to loss before taxes generated in 2021. Additional income tax benefits were also recorded in 2021 related to income tax deductions related to stock option exercises, net of income tax expense related to non-deductible executive compensation.

Liquidity and Capital Resources

Funding Requirements

Our primary requirements for liquidity and capital are to fund our investments in our core business, which includes lease payments, pursue greenfield expansion, acquisitions of new locations and to service our indebtedness. Historically, these cash requirements have been met through funds raised by the sale of common equity, utilization of our Revolving Commitment, First Lien Term Loan, sale-leaseback transactions and cash provided by operations. As of December 31, 2022 and December 31, 2021, we had cash and cash equivalents of \$65.2 million and \$19.7 million, respectively, and \$148.6 million and \$149.5 million, respectively, of available borrowing capacity under our Revolving Commitment. On June 4, 2021, we entered into an amendment to our amended and restated First Lien Credit Agreement to, among other things, increase the commitments under the Revolving Commitment from \$75.0 million to \$150.0 million. In December 2021, in connection with the Clean Streak Ventures acquisition, we entered into Amendment No. 3 to Amended and Restated First Lien Credit Agreement ("Amended First Lien Credit Agreement") increasing the principal term loan borrowings by \$290 million to \$903 million. For a description of our Credit Facilities, please see Note 9 Debt in the consolidated financial statements included elsewhere in this Annual Report on Form 10-K. As of December 31, 2022, we were in compliance with the covenants under our Credit Facilities and we expect to comply with our covenants in the next 12 months from the issuance date of the financial statements included in this Annual Report on Form 10-K.

We believe that our sources of liquidity and capital will be sufficient to finance our growth strategy and resulting operations, as well as planned capital expenditures, for the next 12 months. However, we cannot assure you that cash provided by operating activities or cash and cash equivalents will be sufficient to meet our future needs. If we are unable to generate sufficient cash flows from operations in the future, we may have to obtain additional financing. If we obtain additional capital by issuing equity, the interests of our existing stockholders will be diluted. If we incur additional indebtedness, that indebtedness may contain significant financial and other covenants that may significantly restrict our operations. We cannot assure you that we could obtain additional financing on favorable terms or at all.

Cash Flows for the Years Ended December 31, 2022 and 2021

The following table shows summary cash flow information for the periods presented:

(Dollars in thousands)	Year Ended December 31,	
	2022	2021
Net cash provided by operating activities	\$ 229,201	\$ 173,354
Net cash used in investing activities	(190,131)	(543,832)
Net cash provided by financing activities	6,294	272,462
Net change in cash and cash equivalents, and restricted cash during period	<u>\$ 45,364</u>	<u>\$ (98,016)</u>

Operating Activities. Net cash used in operating activities consists of net income (loss) adjusted for certain non-cash items, including stock-based compensation expense, depreciation of property and equipment, gains on disposal of property and equipment, amortization of leased assets and deferred income taxes, as well as the effect of changes in other working capital amounts.

For the year ended December 31, 2022, net cash provided by operating activities was \$229.2 million and was comprised of net income of \$112.9 million, increased by \$154.8 million related to non-cash adjustments, which includes \$22.3 million for stock-based compensation expense. Other non-cash adjustments included depreciation and amortization, loss on extinguishment of debt and deferred income tax. Changes in working capital decreased cash provided by operating activities by \$38.5 million, primarily due to \$42.7 million of payments towards operating lease liabilities and a decrease in prepaid expenses and other current assets of \$4.3 million. The change in other receivables was primarily driven by the collection of payroll tax withholding and exercise proceeds receivables

outstanding in the prior year, partially offset by increases in construction receivables associated with an increased number of build-to-suit arrangements and insurance receivables.

For the year ended December 31, 2021, net cash provided by operating activities was \$173.4 million and was comprised of net loss of \$22.0 million, increased by \$257.0 million related to non-cash adjustments and an increase of \$216.6 million for stock-based compensation expense. Stock-based compensation expense included \$201.9 million associated with performance vesting options which vested upon completion of the initial public offering in June 2021. Other non-cash adjustments included depreciation and amortization, loss on extinguishment of debt and deferred income tax. Changes in working capital decreased cash provided by operating activities by \$61.6 million, primarily due to \$34.3 million of payments towards operating lease liabilities, decreased other noncurrent liabilities coupled with a \$18.5 million increase in other receivables. The increase in other receivables was driven by \$8.5 million payroll tax withholding and exercise proceeds receivables, \$4.9 million of income tax receivables, and \$5.6 million of construction receivables associated with an increased number of build-to-suit arrangements.

Investing Activities. Our net cash used in investing activities primarily consists of purchases and sale of property and equipment and acquisition of car washes.

For the year ended December 31, 2022, net cash used in investing activities was \$190.1 million and was primarily comprised of purchases in property and equipment to support our greenfield and other initiatives, and the acquisition of car washes, partially offset by sale-leaseback transactions and the sale of property and equipment.

For the year ended December 31, 2021, net cash used in investing activities was \$543.8 million and was primarily comprised of purchases in property and equipment to support our greenfield and other initiatives, and the acquisition of car washes, partially offset by sale-leaseback transactions and the sale of property and equipment.

Financing Activities. Our net cash provided by financing activities primarily consists of proceeds from our initial public offering along with proceeds and payments on our long-term debt and Revolving Commitment.

For the year ended December 31, 2022, net cash provided by financing activities was \$6.3 million and was primarily comprised of proceeds from issuance of common stock under employee plans, partially offset by payments of long-term debt and finance lease obligations.

For the year ended December 31, 2021, net cash provided by financing activities was \$272.5 million and was primarily comprised of proceeds from our initial public offering and long-term debt, partially offset by payments of offering costs pursuant to initial public offering, long-term debt, and debt issuance costs.

Critical Accounting Policies and Estimates

Our consolidated financial statements have been prepared in accordance with U.S. GAAP. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses and related disclosure of contingent assets and liabilities.

On an ongoing basis, we evaluate our estimates and assumptions, including those related to revenue recognition, goodwill and other intangible assets, income taxes and stock-based compensation. We base our estimates on historical experience, current developments and on various other assumptions that we believe to be reasonable under these circumstances, the results of which form the basis for making judgments about carrying values of assets and liabilities that cannot readily be determined from other sources. There can be no assurance that actual results will not differ from those estimates.

See Note 2 Summary of Significant Accounting Policies in the consolidated financial statements included elsewhere in this Annual Report on Form 10-K, for a description of our other significant accounting policies. We believe that the following critical accounting policies are affected by significant judgments and estimates used in the preparation of our consolidated financial statements.

Revenue Recognition

We recognize revenue in accordance with ASC 606, Revenue from Contracts with Customers. Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration we expect to receive for those services or goods. We have two primary sources of revenue. First, we offer the UWC program to our customers. UWC entitles a UWC Member to unlimited washes for a monthly fee,

cancelable at any time. UWC Members are automatically charged on a credit or debit card on the same day of the month that they originally signed up. The UWC revenue is recognized ratably over the month in which it is earned and amounts unearned are recorded as deferred revenue on the consolidated balance sheets based on the date of the re-charge. Second, the revenue from car wash and, prior to 2021, quick lube services is recognized at the point in time services are rendered and the customer pays. Discounts are applied as a reduction of revenue at the time of payment.

The timing of recognition does not require significant judgment as it is based on the UWC monthly charge and deferral or the date of car wash sale, none of which require a significant amount of estimation. However, in determining the amount and timing of revenue from contracts with customers, we make judgments as to whether uncertainty as to collectability of the consideration that we are owed precludes recognition of the revenue on an accrual basis. These judgments are based on the facts specific to each circumstance. Primary factors considered include past payment history and our subjective assessment of the likelihood of receiving payment in the future.

Long-lived assets

Long-lived assets, such as property and equipment and intangible assets, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset or asset group to be tested for possible impairment, we first compare undiscounted cash flows expected to be generated by that asset or asset group to its carrying amount. If the carrying amount of the long-lived asset or asset group is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying amount exceeds its fair value. Fair value is determined using various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary. Approximately \$6.3 million of impairment losses associated with our long-lived assets were recognized during the year ended December 31, 2022. No impairments were recorded for the year ended December 31, 2021. See Note 4 for additional information.

Goodwill

Goodwill represents the excess of cost over the fair value of the net tangible and identifiable intangible assets acquired in a business combination. Goodwill is tested for impairment at the reporting unit level annually on October 31 or more frequently if events or changes in circumstances indicate that the asset may be impaired. We first assess qualitative factors to determine whether events or circumstances existed that would lead us to conclude it is more likely than not that the fair value of the reporting unit is below its carrying amount. If we determine that it is more likely than not that the fair value of the reporting unit is below the carrying amount, a quantitative goodwill assessment is required. In the quantitative evaluation, the fair value of the reporting unit is determined and compared to the carrying value. If the fair value is greater than the carrying value, then the carrying value is deemed to be recoverable and no further action is required. If the fair value estimate is less than the carrying value, goodwill is considered impaired for the amount by which the carrying amount exceeds the reporting unit's fair value and a charge is reported as impairment of goodwill in our consolidated statements of operations and comprehensive income (loss). No impairment losses associated with our goodwill were recognized during the years ended December 31, 2022, and December 31, 2021.

Income Taxes

We account for income taxes in accordance with ASC 740, *Income Taxes*. Under this method, deferred tax assets and liabilities are determined based on the temporary differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. We classify all deferred income tax assets and liabilities as noncurrent on our balance sheet. The effect of a change in tax rates on deferred tax assets and liabilities is recognized within the provision for (benefit from) income taxes on the consolidated statement of operations and comprehensive income (loss) in the period that includes the enactment date.

We reduce deferred tax assets, if necessary, by a valuation allowance if it is more likely than not that we will not realize some or all of the deferred tax assets. In making such a determination, we consider all available positive and negative evidence, including taxable income in prior carryback years (if carryback is permitted under the relevant tax law), the timing of the reversal of existing taxable temporary differences, tax planning strategies and projected future taxable income. We believe it is more likely than not that our federal deferred tax assets will be realized in the

future based primarily on the timing and reversal of existing taxable temporary differences in that jurisdiction. However, we determined that an amount of our state deferred tax assets is not more likely than not to be realized in the future based primarily on prior years' cumulative financial results in one state jurisdiction and such state's currently enacted legislation. Refer to Note 8 Income Taxes in our consolidated financial statements and for additional information on the composition of these valuation allowances and for information on the impact of U.S. tax reform legislation.

We file income tax returns in the U.S. federal and state jurisdictions and believe our accrual for tax liabilities is adequate for all open audit years based on many factors including past experience and interpretations of tax law. We recognize the tax benefit from an uncertain tax position if we believe it is more likely than not that the tax position will be sustained, in a court of last resort, based on the technical merits of the position. This assessment relies on estimates and assumptions and any changes in the recognition or measurement of these benefits or liabilities are reflected in the period in which the change in judgment occurs.

We recognize interest and penalties related to uncertain tax positions within income tax provision (benefit) on our consolidated statement of operations and comprehensive income (loss).

Stock-Based Compensation

Stock-based compensation represents the cost related to stock-based awards granted to employees. We measure stock-based compensation cost at grant date, based upon the estimated fair value of the award, and recognize cost as expense using the accelerate attribution method over the employee requisite service period. We estimate the fair value of stock options using Black-Scholes and Monte Carlo option models. We estimate the fair value of stock purchase rights using a Black-Scholes option-pricing model. Restricted stock units are classified as equity and measured at the fair market value of the underlying stock at the grant date. Upon termination unvested time and performance-based options, stock-purchase rights, and restricted stock units are forfeited. We have made a policy election to estimate the number of stock-based compensation awards that are expected to vest to determine the amount of compensation expense recognized in earnings. Forfeiture estimates are revised if subsequent information indicates that the actual number of forfeitures is likely to differ from previous estimates.

We record deferred tax assets for awards that result in deductions in our income tax returns, based upon the amount of compensation cost recognized and our statutory tax rate. The tax effect of differences between the compensation cost of an award recognized for financial reporting purposes and the deduction for an award for tax purposes is recognized as an income tax expense or benefit in the consolidated statements of operations and comprehensive income (loss) in the period in which the tax deduction arises.

Recent Accounting Pronouncements

See the sections titled "Summary of Significant Accounting Policies—Recent Accounting Pronouncements" and "—Recently issued accounting pronouncements not yet adopted" in Note 2 to our consolidated financial statements included elsewhere in this Annual Report on Form 10-K.

Item 7A. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to market risk from changes in interest rates and inflation. All these market risks arise in the normal course of business, as we do not engage in speculative trading activities. The following analysis provides quantitative information regarding these risks.

Interest Rate Risk

Our First Lien Term Loan bears interest at variable rates, which exposes us to market risks relating to changes in interest rates. Interest rate risk is highly sensitive due to many factors, including U.S. monetary and tax policies, U.S. and international economic factors and other factors beyond our control. As of December 31, 2022, we had \$901.2 million of variable-rate debt outstanding under our First Lien Term Loan. As of December 31, 2021, we had \$903.3 million of variable-rate debt outstanding under our First Lien Term Loan. Based on the balance outstanding under our First Lien Term Loan as of December 31, 2022, an increase or decrease of 100 basis points in the effective interest rate on the First Lien Term Loan would cause an increase or decrease in interest expense of approximately \$9 million over the next 12 months.

In May 2020, we entered into an interest rate swap to mitigate variability in forecasted interest payments on an amortizing notional of \$550.0 million of our variable-rate First Lien Term Loan. We designated the interest rate swap as a pay-fixed, receive-floating interest rate swap instrument and are accounting for this derivative as a cash flow hedge. This interest rate swap matured on October 20, 2022 and no new swap was entered into. See Note 11 for additional information.

Impact of Inflation

Our results of operations and financial condition are presented based on historical cost. While it is difficult to accurately measure the impact of inflation due to the imprecise nature of the estimates required, we have recently experienced the effects of inflation on our results of operations and financial condition. In light of the current inflationary market conditions, we cannot assure you that our results of operations and financial condition will not be materially impacted by inflation in the future.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the stockholders and the Board of Directors of Mister Car Wash, Inc.:

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Mister Car Wash, Inc. and subsidiaries (the "Company") as of December 31, 2022 and 2021, the related consolidated statements of operations and comprehensive income (loss), stockholders' equity (deficit), and cash flows, for each of the three years in the period ended December 31, 2022, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2022, based on criteria established in Internal Control — Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated February 24, 2023, expressed an unqualified opinion on the Company's internal control over financial reporting.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current-period audit of the financial statements that was communicated or required to be communicated to the audit committee and that (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Revenues — Refer to Note 2 to the financial statements

Critical Audit Matter Description

The Company recognizes revenues in two streams: (1) revenues recognized over time with their subscription membership Unlimited Wash Club ("UWC") program which entitles the customer to unlimited washes for a monthly fee, cancellable at any time, and (2) revenues recognized at a point in time from car washes. The Company's revenue recognition process utilizes point-of-sale systems for the initiating, processing, and recording of

transactions. Given the Company's high volume of individually low monetary value transactions, performing audit procedures to test revenues required significant audit effort, including the involvement of data analytics specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to revenues included the following, among others:

- We tested the operating effectiveness of internal controls over the Company's accounting for revenues.
- With the assistance of our data analytics specialists, we extracted journal entries to analyze the Company's revenue transactions.
- We reconciled recorded revenues and credit card receivables to cash receipts per the bank.
- We selected a sample of revenue transactions and agreed the amounts recognized to source documents, then tested the mathematical accuracy and the timing of the recorded revenues.
- We developed an independent expectation of deferred revenue and compared it to the recorded balance.

Mister Car Wash, Inc.
Notes to Consolidated Financial Statements
(Dollar amounts in thousands, except per share data)

1. Nature of Business

Mister Car Wash, Inc., together with its subsidiaries (collectively, the "Company"), is a Delaware corporation based in Tucson, Arizona and provider of conveyORIZED car wash services. The Company operates two location formats: Express Exterior Locations, which offer express exterior cleaning services, and Interior Cleaning Locations, which offer both express exterior cleaning services and interior cleaning services. As of December 31, 2022, the Company operated 436 car washes in 21 states. As of December 31, 2021, the Company operated 396 car washes in 21 states.

Beginning the end of March 2020 through the first part of April 2020, to ensure the safety of its team members and customers and in compliance with local regulations, the Company temporarily suspended operations at more than 300 of its locations due to the COVID-19 pandemic. During this period, safety protocols were upgraded, and we modified the operating model by temporarily removing all interior cleaning services from locations offering those services. The washes were closed for, on average, 34 days. As the Company opened washes, only exterior cleaning services were offered until July 2020 when interior clean services became available at select locations. In August 2020, all Interior Cleaning Locations were offering interior cleaning services again.

As a result of the temporary suspension of operations, the Company furloughed approximately 5,500 team members, reduced the pay for the remaining team members and amended nearly all leases to allow for up to three months of rent deferrals. None of the amendments resulted in remeasurements. As of December 31, 2022 and 2021, respectively, all back pay for reduced salaries and deferred lease payments had been repaid.

Forward Stock Split

In June 2021, the Company's board of directors (the "Board") and the stockholders of the Company approved a 96-for-1 forward stock split of the Company's outstanding common stock, which was effected on June 16, 2021. All common stock and per share information has been retroactively adjusted to give effect to this forward stock split for all periods presented. Shares of common stock underlying outstanding stock options and other equity instruments were proportionately increased and the respective per share value and exercise prices, if applicable, were proportionately decreased in accordance with the terms of the agreements governing such securities. There were no changes to the par value per share of the Company's common stock as a result of the forward stock split. Additionally, the Board and the stockholders of the Company approved an increase in the authorized shares of common stock to 1,000,000,000 shares.

Initial Public Offering

In June 2021, the Company completed its initial public offering ("IPO") of 43,125,000 shares of common stock at a public offering price of \$15.00 per share. The Company sold 31,250,000 shares of common stock and the selling stockholders identified in the Company's final prospectus that forms a part of the Company's Registration Statement on Form S-1 (File No. 333-256697), filed with the SEC pursuant to Rule 424(b)(4) on June 28, 2021 (the "Prospectus"), sold an aggregate amount of 11,875,000 shares of common stock, which selling stockholder amount included the underwriters' option to purchase up to an additional 5,625,000 shares of common stock. The Company received gross proceeds of approximately \$468,750 before deducting underwriting discounts, commissions and offering related issuance costs; the Company did not receive any proceeds from the sale of shares by the selling stockholders. The consolidated financial statements as of December 31, 2022, including share and per share amounts, include the effects of the IPO.

Secondary Public Offering

In August 2021, the Company completed a secondary public offering of 12,000,000 shares of common stock sold by the selling stockholders identified in the Company's final prospectus that forms a part of the Company's Registration Statement on Form S-1 (File No. 333-258186), filed with the SEC pursuant to Rule 424(b)(5) on August 24, 2021. The Company did not receive any proceeds from the sale of shares by the selling stockholders, and the Company incurred \$498 of expenses in connection with the secondary public offering, which were recorded in general and administrative expenses in the consolidated statements of operations and comprehensive income (loss).

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the Company. All material intercompany balances and transactions have been eliminated in consolidation.

Segment Disclosure

The Company determined that there is one reportable segment, with activities related to providing car wash services. The car wash locations are geographically diversified and have similar economic characteristics and nature of services. The Company's Chief Operating Decision Maker ("CODM") is the Chief Executive Officer.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the periods reported. Some of the significant estimates that the Company has made pertain to the determination of deferred tax assets and liabilities; estimates utilized to determine the fair value of assets acquired and liabilities assumed in business combinations and the related goodwill and intangibles; and certain assumptions used related to the evaluation of goodwill, intangibles, and property and equipment asset impairment. Actual results could differ from those estimates.

Cash and Cash Equivalents, and Restricted Cash

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. The Company places its temporary cash investments with high credit quality financial institutions. At times, such investments may exceed federally insured limits; however, management does not believe the Company is exposed to any significant credit risk on counter party cash and cash equivalents.

At December 31, 2022 and 2021, the Company had \$70 and \$120, respectively, in restricted cash set aside for the funding of various maintenance expenses.

Accounts Receivable, Net

Accounts receivable include amounts due for consumer credit card sales and other trade accounts receivable. Management determines the allowance for doubtful accounts and writes off trade receivables when deemed uncollectible on a specific customer identification basis. Recoveries of trade receivables previously written off are recorded when received. Accounts receivable are presented net of an allowance for doubtful accounts of \$76 and \$70 at December 31, 2022 and 2021, respectively. The activity in the allowance for doubtful accounts was immaterial for the years ended December 31, 2022, 2021 and 2020.

Other Receivables

Other receivables consist primarily of payroll tax withholding and exercise proceeds receivables, construction receivables and insurance receivable from non-healthcare related insurance claims.

The Company records payroll tax withholding and exercise proceeds receivable for amounts due to the Company from a third-party broker for amounts used to cover tax liability and exercise proceeds resulting from employee exercises of share-based payment awards.

For certain build-to-suit lease arrangements, the Company is responsible for the construction of a lessor owned facility using our designs. As construction occurs, the Company will recognize a construction receivable on the Company's consolidated balance sheets due from the lessor. To the extent costs exceed the amount to be reimbursed by the lessor, the Company will consider such costs prepaid rent, which are added to the associated operating lease right of use asset once the lease commences.

The Company carries a broad range of insurance coverage, including general and business auto liability, commercial property, workers' compensation, cyber risk, and general umbrella policies. The Company will record receivables from its non-healthcare insurance carriers related to these insurance claims, which are included in other receivables. The receivables are paid when the claim is finalized and the reserved amounts on these claims are expected to be paid within one year.

	As of	
	December 31, 2022	December 31, 2021
Payroll tax withholding and exercise proceeds receivable	\$ 273	\$ 8,477
Construction receivable	6,199	5,574
Income tax receivable	4,387	4,935
Insurance receivable	2,627	2,594
Other	1,696	1,216
Total other receivables	<u>\$ 15,182</u>	<u>\$ 22,796</u>

Inventory, Net

Inventory, net consists primarily of chemical washing solutions and is stated at the lower of cost or net realizable value using the average cost method. The activity in the reserve for obsolescence accounts was immaterial for the years ended December 31, 2022, 2021 and 2020.

Inventory for the periods presented is as follows:

	As of	
	December 31, 2022	December 31, 2021
Chemical washing solutions	\$ 9,357	\$ 6,406
Other	—	52
Total inventory, gross	9,357	6,458
Reserve for obsolescence	(183)	(124)
Total inventory, net	<u>\$ 9,174</u>	<u>\$ 6,334</u>

Property and Equipment, Net

Property and equipment purchased are stated at cost less accumulated depreciation. Assets acquired in business combinations are recorded at fair value. Depreciation and amortization are recorded using the straight-line method over the estimated useful lives of the property or related lease term. Amortization of assets under finance leases is included in depreciation expense. Estimated useful lives range from 10 to 40 years for buildings and leasehold improvements, and from 3 to 7 years for machinery and equipment.

Expenditures for repairs and maintenance are charged to expense as incurred. Expenditures for major renewals and betterments that extend the useful lives of existing equipment are capitalized.

For items that are disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized as (gain) loss on sale of assets, net in the accompanying consolidated statements of operations and comprehensive income (loss).

The Company periodically reviews the carrying value of long-lived assets held and used for possible impairment when events and circumstances warrant such a review.

Other Intangible Assets, Net and Goodwill

The Company classifies intangible assets into three categories: (1) intangible assets with definite lives subject to amortization, (2) intangible assets with indefinite lives not subject to amortization and (3) goodwill. The Company determines the useful lives of its identifiable intangible assets after considering the specific facts and circumstances related to each intangible asset. The Company considers the following factors when determining useful lives: the contractual term of any agreement related to the asset, the historical performance of the asset, the Company's long-term strategy for using the asset, any laws or other local regulations which could impact the useful life of the asset, and other economic factors, including competition and specific market conditions.

Intangible assets that are deemed to have definite lives are amortized, primarily on a straight-line basis, over their useful lives, generally ranging from 2 to 10 years. When facts and circumstances indicate that the carrying value of definite-lived intangible assets may not be recoverable, management assesses the recoverability of the carrying value by preparing estimates of sales volume and the resulting profit and cash flows expected to result from the use of the asset or asset group and its eventual disposition. If the sum of the expected future cash flows (undiscounted and without interest charges) is less than the carrying amount, the Company recognizes an impairment loss. The impairment loss recognized is the amount by which the carrying amount of the asset or asset group exceeds the fair value. The Company uses a variety of methodologies to determine the fair value of these assets, including discounted cash flow models, which are consistent with the assumptions hypothetical marketplace participants would use.

The Company tests intangible assets determined to have indefinite useful lives, including trade names and trademarks, for impairment annually, or more frequently if events or circumstances indicate that assets might be impaired. The Company uses a variety of methodologies in conducting impairment assessments of indefinite-lived intangible assets, including, but not limited to, discounted cash flow models, which are based on the assumptions the Company believes hypothetical marketplace participants would use. For indefinite-lived intangible assets, other than goodwill, if the carrying amount exceeds the fair value, an impairment charge is recognized in an amount equal to that excess. The Company has the option to perform a qualitative assessment of indefinite-lived intangible assets, other than goodwill, rather than completing the impairment test. The Company must assess whether it is more likely than not that the fair value of the intangible asset is less than its carrying amount. If the Company concludes that this is the case, it must perform the testing described above. Otherwise, the Company does not need to perform any further assessment. The Company completed its indefinite-life intangible asset impairment analysis as of October 31, 2022 and 2021 and concluded that it was not more likely than not that the carrying value of the asset may not be recoverable.

The Company evaluates its goodwill for impairment at the reporting unit-level on an annual basis (or more frequently if events or circumstances indicate that the related carrying amount may be impaired). The Company evaluates qualitative factors to determine if performing the quantitative impairment test is required. If it is determined that it is more likely than not, as defined in the guidance, that the carrying value is less than the fair value, the potential for goodwill impairment is evaluated and the amount of impairment loss, if any, is measured and recognized. If the Company determines that it is not more likely than not that the carrying value is less than the fair value, no further evaluation is performed. The Company completed its goodwill impairment test as of October 31, 2022 and 2021 and concluded that it is not more likely than not that the carrying value is less than the fair value, and therefore, no further evaluation was performed.

The Company allocated \$16,191 of goodwill to the quick lube facilities disposed of on December 11, 2020. See Note 17 Dispositions for additional information.

Deferred Debt Issuance Costs

Debt issuance costs related to a recognized debt liability are presented in the consolidated balance sheets as a direct deduction from the carrying value of the related liability except for debt issuance costs related to the Company's Revolving Commitment arrangement. In the case of the line-of-credit arrangement, regardless of whether there are

any outstanding borrowings on the line-of-credit arrangement, related debt issuance costs are presented in Other assets in the accompanying consolidated balance sheets. The direct costs associated with the funding of long-term debt are amortized to interest expense over the term of the applicable loan.

Derivative Financial Instruments

The Company has a pay fixed, receive variable interest rate swap contract (“Swap”) to manage its exposure to changes in interest rates. The Swap is recognized in the consolidated balance sheets at fair value. The Swap is a cash flow hedge and is recorded using hedge accounting, as such, changes in the fair value of the Swap are recorded in Other comprehensive income (loss), net of tax until the hedged item is recognized in earnings. Amounts reported in Other comprehensive income (loss), net of tax related to the Swap are reclassified to interest expense as interest payments are made on the Company’s variable-rate debt. The Swap matured on October 20, 2022.

The Company assesses, both at the inception of the hedge and on an ongoing basis, whether the derivative used as a hedging instrument is highly effective in offsetting the changes in the cash flow of the hedged item. If it is determined that the derivative is not highly effective as a hedge or ceases to be highly effective, the Company will discontinue hedge accounting prospectively. See Note 10 Fair Value Measurements and Note 11 Interest Rate Swap for additional information.

Leases

The Company determines if a contract contains a lease at inception. The Company’s material operating leases consist of car wash locations, warehouses and office space. U.S. GAAP requires that the Company’s leases be evaluated and classified as operating or finance leases for financial reporting purposes. The classification evaluation begins at the commencement date, and the lease term used in the evaluation includes the non-cancelable period for which the Company has the right to use the underlying asset, together with renewal option periods when the exercise of the renewal option is reasonably certain and failure to exercise such option would result in an economic penalty. Nearly all of the Company’s car wash and office space leases are classified as operating leases.

The Company disburses cash for leasehold improvements, furniture and fixtures and equipment to build out and equip the Company’s leased premises. Tenant improvement allowance incentives may be available to partially offset the cost of developing and opening the related car washes, pursuant to agreed-upon terms in the respective lease agreements. Tenant improvement allowances can take the form of cash payments upon the opening of the related car washes, full or partial credits against rents otherwise payable by the Company, or a combination thereof. All tenant improvement allowances received by the Company are recorded as a contra operating lease right of use asset and amortized over the term of the lease.

The lease term used for straight-line rent expense is calculated from the commencement date (the date the Company takes possession of the premises) through the lease termination date (including any options where exercise is reasonably certain and failure to exercise such option would result in an economic penalty). The initial lease term of the Company’s operating leases ranges from 6 to 50 years. The Company records rent expense on a straight-line basis beginning on the lease commencement date.

Maintenance, insurance and property tax expenses are generally accounted for on an accrual basis as variable lease costs. The Company recognizes variable lease cost for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. All operating lease rent expense is included in equipment and facilities or general and administrative expense on the consolidated statements of operations and comprehensive income (loss).

The Company records a lease liability for its operating leases equal to the present value of future payments discounted at the estimated fully collateralized incremental borrowing rate (discount rate) corresponding with the lease term as the rate implicit in the Company’s leases is not readily determinable. The Company’s operating lease liability calculation is the total rent payable during the lease term, including rent escalations in which the amount of

future rent is certain or fixed on the straight-line basis over the term of the lease (including any rent holiday period beginning upon the Company's possession of the premises, and any fixed payments stated in the lease). A corresponding operating lease asset is also recorded equaling the initial amount of the operating lease liability, plus any lease payments made to the lessor before or at the lease commencement date and any initial direct costs incurred, less any lease incentives received. The difference between the minimum rents paid and the straight-line rent is reflected within the associated operating lease right of use asset.

The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants. Additionally, the Company does not enter into lease transactions with related parties.

The Company makes judgments regarding the reasonably certain lease term for each car wash property lease, which can impact the classification and accounting for a lease as finance or operating and/or escalations in payments that are taken into consideration when calculating straight-line rent, and the term over which leasehold improvements for each car wash are amortized. These judgments may produce materially different amounts of depreciation, amortization and rent expense than would be reported if different assumed lease terms were used.

Revenue Recognition

The Company uses a five-step model to recognize revenue from customer contracts under ASC 606, *Revenue from Contracts with Customers* (ASC 606). The five-step model requires that the Company (i) identify the contract with the customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, including variable consideration to the extent that it is probable that a significant future reversal will not occur, (iv) allocate the transaction price to the respective performance obligations in the contract, and (v) recognize revenue when (or as) the Company satisfies the performance obligation.

The Company recognizes revenue in two main streams. First, the Company offers an Unlimited Wash Club ("UWC") program to its customers. The UWC program entitles the customer to unlimited washes for a monthly fee, cancelable at any time. The customer and the Company enter into a contract that falls under the definition of a customer contract under ASC 606. Customers are automatically charged on a credit or debit card on the same day of the month that they originally signed up. The Company's performance obligations is to provide unlimited car wash services for a monthly fee. The UWC revenue is recognized ratably daily over the month in which it is earned and amounts unearned are recorded as deferred revenue on the consolidated balance sheets. Accounts receivable, net and deferred revenue as of January 1, 2020 were \$5,125 and \$21,258, respectively. All amounts recorded as deferred revenue at year end are recognized as revenue in the following year. Second, revenue from car wash and, prior to 2021, quick lube services are recognized at the point in time services are rendered and the customer pays with cash or credit. Revenues are net of sales tax, refunds and discounts applied as a reduction of revenue at the time of payment.

The following table summarizes the composition of the Company's net revenues for the periods presented:

	Year Ended December 31,		
	2022	2021	2020
Recognized over time	\$ 593,067	\$ 486,580	\$ 339,836
Recognized at a point in time	282,424	268,981	232,210
Other revenue	1,015	2,796	2,895
Net revenues	<u>\$ 876,506</u>	<u>\$ 758,357</u>	<u>\$ 574,941</u>

The Company promotes and sells a limited number of prepaid products, which include discounted car wash packages and gift cards that are not material to the financial statements. The Company records the sale of these items as deferred revenue, which is reduced for estimated breakage, which is not material to the financial statements. Revenue is recognized based on the terms of the packages and when the prepaid packages or gift cards are redeemed by the customer.

Cost of Labor and Chemicals

Cost of labor and chemicals include labor costs associated with car wash employees, maintenance employees, warehouse employees, and chemicals and associated supplies. The related employee benefits for the aforementioned employees, such as taxes, insurance and workers compensation, are also included in the cost of labor and chemicals.

Other Store Operating Expenses

Other store operating expenses includes all other costs related to the operations of car wash and warehouse locations such as credit card fees, car damages, office and lobby supplies, information technology costs associated with the locations, telecommunications, advertising, non-healthcare related insurance, rent, repairs and maintenance related to held-for-use assets, utilities, property taxes, and depreciation on held-for-use assets at the car wash and warehouse locations.

Sales and Marketing

Sales and marketing expenses are expensed as incurred and include costs for advertising, onsite collateral, promotional events and sponsorships, and customer retention. Advertising costs totaled approximately \$4,634, \$4,868 and \$3,222 for the years ended December 31, 2022, 2021, and 2020, respectively, and are recorded in other store operating expenses in the consolidated statements of operations and comprehensive income (loss).

Income Taxes

The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized differently in the financial statements or tax returns. Under this method, deferred tax liabilities and assets are determined based on the difference between the financial statement carrying amounts and tax basis of assets and liabilities using enacted tax rates.

The Company has adopted a more likely than not threshold for financial statement recognition and measurement of an uncertain tax position taken or expected to be taken in a tax return. The Company recognizes interest and penalties related to uncertain tax positions in income tax (benefit) provision in the consolidated statements of operations and comprehensive income (loss).

Sales Taxes

The Company collects sales taxes from customers for taxable services provided and products sold and remits those collected sales and use taxes to the applicable state authorities on a monthly basis. The Company has adopted a policy of presenting such taxes on revenues on a net basis (excluded from revenues) in the Company's consolidated statements of operations and comprehensive income (loss).

Stock-Based Compensation Plans

Stock-based compensation represents the cost related to stock-based awards granted to employees. The Company measures stock-based compensation cost at grant date, based upon the estimated fair value of the award, and recognizes cost as expense using the tranche over the employee requisite service period. The Company estimates the fair value of stock options and stock purchase rights using a Black-Scholes option-pricing model. Restricted stock units are classified as equity and measured at the fair market value of the underlying stock at the grant date. Upon termination unvested time and performance-based options, stock-purchase rights, and restricted stock units are forfeited. The Company has made a policy election to estimate the number of stock-based compensation awards that are expected to vest to determine the amount of compensation expense recognized in earnings. Forfeiture estimates are revised if subsequent information indicates that the actual number of forfeitures is likely to differ from previous estimates.

The Company records deferred tax assets for awards that result in deductions in the Company's income tax returns, based upon the amount of compensation cost recognized and the Company's statutory tax rate. The tax effect of

differences between the compensation cost of an award recognized for financial reporting purposes and the deduction for an award for tax purposes is recognized as an income tax expense or benefit in the consolidated statements of operations and comprehensive income (loss) in the period in which the tax deduction arises.

Business Combinations

The Company evaluates each transaction under ASC 805, *Business Combinations*, including applying a screen test to evaluate if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets to determine whether a transaction is accounted for as an asset acquisition or business combination.

For all business acquisitions, the Company recognizes, separately from goodwill, the identifiable assets acquired, and liabilities assumed at their estimated acquisition-date fair values. The Company measures and recognizes goodwill as of the acquisition date as the excess of the aggregate of the fair value of consideration transferred over the fair value of assets acquired and liabilities assumed.

To the extent contingencies such as pre-acquisition environmental matters, contingent purchase price consideration, litigation, and related legal fees are resolved or settled during a reporting period after a business combination occurs, the effect of changes in such contingencies is included in results of operations in the periods in which the adjustments are determined. The Company recognizes third-party transaction-related costs as general and administrative in the period in which those costs are incurred.

If information about facts and circumstances existing as of the acquisition date is incomplete by the end of the reporting period in which a business combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. This period will not exceed one year from the acquisition date. Any material adjustments recognized during the measurement period are reflected prospectively in the consolidated financial statements of the subsequent period.

Fair Value Measurements

The Company discloses the fair value of its financial instruments based on the fair value hierarchy. The levels of the fair value hierarchy are described as follows:

Level 1—Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Company has the ability to access.

Level 2—Financial assets and liabilities whose values are based on quoted prices in markets that are not active, or model inputs that are observable for substantially the full term of the asset or liability.

Level 3—Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The Company uses observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement. A contingent consideration liability related to one of the Company's 2021 acquisitions was measured at fair value (Level 3) on a recurring basis as of December 31, 2022 and 2021. See Note 10 Fair Value Measurements for additional information regarding the contingent consideration liability.

Net Income (Loss) Per Share

Basic net income (loss) per share is computed by dividing net income (loss) by the weighted-average number of common shares outstanding for the period. Diluted net income (loss) per share is computed by dividing net income (loss) by the weighted-average shares outstanding for the period and includes the dilutive impact of potential new shares issuable upon vesting and exercise of stock options, vesting of restricted stock units, and stock purchase rights granted under an employee stock purchase plan. Potentially dilutive securities are excluded from the computation of diluted net income (loss) per share if their effect is antidilutive. Reconciliations of the numerators and denominators of the basic and diluted net income (loss) per share calculations for the periods presented are as follows:

	Year Ended December 31,		
	2022	2021	2020
Numerator:			
Net income (loss)	\$ 112,900	\$ (22,045)	\$ 60,403
Denominator:			
Weighted-average common shares outstanding - basic	303,372,095	280,215,579	261,773,267
Effect of potentially dilutive securities:			
Stock options	23,617,488	—	14,147,100
Restricted stock units	555,495	—	—
Employee stock purchase plan	15,329	—	—
Weighted-average common shares outstanding - diluted	<u>327,560,407</u>	<u>280,215,579</u>	<u>275,920,367</u>
Net income (loss) per share - basic	\$ 0.37	\$ (0.08)	\$ 0.23
Net income (loss) per share - diluted	\$ 0.34	\$ (0.08)	\$ 0.22

The following potentially dilutive shares were excluded from the computation of diluted net income (loss) per share for the periods presented because including them would have been antidilutive:

	Year Ended December 31,		
	2022	2021	2020
Stock options	2,204,216	30,752,951	22,693

Deferred Offering Costs

The Company capitalizes certain legal, accounting, and other third-party fees that are directly related to the Company's equity financings, including the IPO, until such financings are consummated. After consummation of an equity financing, these costs are then recorded as a reduction of the proceeds received as a result of the financing. Should a planned equity financing be abandoned, terminated, or significantly delayed, the deferred offering costs would be immediately written off to operating expenses. Upon the closing of the IPO in June 2021, all deferred offering costs in the accompanying consolidated balance sheets were reclassified from prepaid expenses and other current assets and recorded against the IPO proceeds as a reduction to additional paid-in capital. There were no deferred offering costs capitalized as of December 31, 2022 and December 31, 2021.

Recent Accounting Pronouncements

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes* (“ASU No. 2019-12”), which simplifies the accounting for income taxes by removing a variety of exceptions within the framework of ASC 740. The Company early adopted ASU No. 2019-12 on April 1, 2021, and the amendments applicable to the Company were applied prospectively. The adoption of this standard did not have an impact on the Company’s consolidated financial statements or disclosures for the year ended December 31, 2021.

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Reform (Topic 848)* (“ASU No. 2020-04”) and issued the following subsequent amendments to ASU No. 2020-04: ASU No. 2021-01. The new guidance is intended to ease the potential burden in accounting for (or recognizing the effects of) reference rate reform on financial reporting. Reference rate reform is necessary due to the phase out of the London Interbank Offered Rate (“LIBOR”) at the end of 2021. The adoption of this guidance is optional and provides relief around modification and hedge accounting as it specifically arises from changing reference rates, in addition to optional expedients for cash flow hedges. The guidance will be effective from March 12, 2020 through December 31, 2022. The Company adopted ASU No. 2020-04 on April 1, 2021, and the adoption of this standard did not have an impact on the Company’s consolidated financial statements or disclosures. The Company continues to evaluate the impact of the guidance and may apply other elections as applicable as additional changes in the market occur.

Recently Issued Accounting Pronouncements Not Yet Adopted

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* (“ASU No. 2016-13”), which replaces the existing incurred loss impairment model with an expected credit loss model and requires a financial asset measured at amortized cost to be presented at the net amount expected to be collected. The guidance will be effective for the Company beginning January 1, 2023, and interim periods therein. Early adoption is permitted. The Company will adopt this new standard in the first quarter of 2023 and does not believe it will have a material effect on its consolidated financial statements and related disclosures.

In October 2021, the FASB issued ASU No. 2021-08, *Business Combinations (Topic 805) – Accounting for Contract Assets and Contract Liabilities from Contracts with Customers* (“ASU No. 2021-08”). The guidance improves the accounting for acquired revenue contracts with customers in a business combination by addressing diversity in practice and certain inconsistencies in application. Under current U.S. GAAP, an acquirer generally recognizes contract assets acquired and liabilities assumed in a business combination at fair value on the acquisition date. The amendments in this update require that an acquirer recognize and measure contract assets and contract liabilities acquired in a business combination in accordance with ASC Topic 606 as if it had originated the contracts. The amendments in this update are effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. The Company is currently evaluating the effect that ASU No. 2021-08 will have on its consolidated financial statements and related disclosures.

The Company had federal and state net operating loss ("NOL") carryforwards available of \$104,097 and \$31,808 at December 31, 2022, respectively. The federal NOL carryforwards can be carried forward indefinitely while \$31,008 of the state NOL carryforwards have indefinite lives and the remaining amounts will expire between 2030 and 2042. The Company had federal interest expense carryforwards of \$26,335 at December 31, 2022, which can be carried forward indefinitely. The Company also had state interest expense carryforwards in seven states where the amounts vary by jurisdiction, which also have indefinite lives. The Company had federal general business credits of \$3,274 at December 31, 2022, which can be carried forward for 20 years and if unused, will expire between 2037 and 2042.

As noted above, the Company had deferred tax assets related to both federal and state NOL and interest expense carryforwards. When determining the need for a valuation allowance, the Company considers all available positive and negative evidence, including taxable income in prior carryback years (if carryback is permitted under the relevant tax law), the timing of the reversal of existing taxable temporary differences, tax planning strategies and projected future taxable income. The Company adjusts the valuation allowance in the period management determines it is more likely than not that the Company will not realize some or all of the deferred tax assets.

For financial reporting purposes, the Company established valuation allowances of \$566 and \$122 at December 31, 2022 and 2021, respectively, to offset deferred tax assets. The current and prior year valuation allowance relates to state interest expense carryovers and state net operating losses, respectively.

Past ownership changes and other equity transactions may have triggered Sections 382 and 383 of the Internal Revenue Code, resulting in certain annual limitations on the utilization of existing federal and state net operating losses and credits. Such provisions may limit the potential future tax benefit to be realized by the Company from its accumulated net operating losses and tax credit carryforwards.

On August 9, 2022, the Creating Helpful Incentives to Produce Semiconductors (“CHIPS”) Act of 2022 was signed into law. The CHIPS Act is designed to boost domestic semiconductor manufacturing and encourage US research activities. Later that month, on August 16, 2022, the Inflation Reduction Act (“IRA”) of 2022 was signed into law. The IRA creates a new book-minimum tax on certain large corporations and an excise tax on stock buybacks while also providing incentives to address climate change mitigation and clean energy, among other items. Most of these changes will become effective for the 2023 tax year and after initial evaluation, the Company does not currently expect these laws to have a material effect on the consolidated financial statements.

The income tax benefit recorded in 2022 is different from the expected statutory federal and state tax benefit primarily due to a \$4,571 income tax benefit related to equity award exercises and/or vesting in 2022, which is net of the impact of the internal revenue code rules and regulations related to the deductibility of executive compensation by publicly held companies.

The Company files income tax returns in the U.S. federal and various state tax jurisdictions and is subject to varying statutes of limitation in each jurisdiction. As of December 31, 2022, the Company is not under audit for federal or state income tax purposes. In general, the Company’s federal tax return may be subject to examination for the 2019 through 2021 tax years, while for state purposes, the 2018 through 2021 years are generally open to examination, with some states having either a three- or four-year statute of limitations. The Company’s usage of NOL carryovers also permits taxing authorities to adjust aspects of tax returns that may be outside of these statutes of limitation.

The Company’s policy is to recognize interest and penalties related to income tax matters in income tax (benefit) provision. The Company neither accrued for nor recognized any interest or penalties in income tax expense as of December 31, 2022 or 2021. The Company has not accrued for any uncertain tax positions as of December 31, 2022 or 2021 and believes that it is unlikely that there will be a significant increase or decrease of any unrecognized tax benefits within the next twelve months.

Credit Agreement

On August 21, 2014, the Company entered into a Credit Agreement (“Credit Agreement”) which was originally comprised of a term loan (“First Lien Term Loan”) and a revolving commitment (“Revolving Commitment”). The Credit Agreement was collateralized by substantially all personal property (including cash, inventory, property and equipment, and intangible assets), real property, and equity interests owned by the Company.

Under the Credit Agreement and with respect to the First Lien Term Loan, the Company had the option of selecting either (i) a Base Rate interest rate plus fixed margin of 2.25% or (ii) a Eurodollar (LIBOR) interest rate for one, two, three or six months plus a fixed margin of 3.25%.

Under the Credit Agreement and with respect to the Revolving Commitment, the Company had the option of selecting either (i) a Base Rate interest rate plus a variable margin of 2.50% to 3.00%, based on the Company’s First Lien Net Debt Leverage Ratio, or (ii) a Eurodollar (LIBOR) interest rate for one, two, three or six months plus a variable margin of 3.50% to 4.00%, based on the Company’s First Lien Net Leverage Ratio.

First Lien Term Loan

In February 2020, the Company entered into Amendment No. 1 to Amended and Restated First Lien Credit Agreement (“Amended First Lien Credit Agreement”) which amended and restated the Amended and Restated First Lien Credit Agreement entered into in May 2019 (“First Lien Credit Agreement”). The Amended First Lien Credit Agreement changed the interest rate spreads associated with the First Lien Credit Agreement where (i) the variable margin associated with the Base Rate interest rate plus a variable margin based on the Company’s First Lien Net Leverage Ratio changed from 2.25% to 2.50% to 2.00% to 2.25% and (ii) the variable margin associated with the Eurodollar Rate interest rate for one, two, three or six months plus a variable margin based on the Company’s First Lien Net Leverage Ratio changed from 3.25% to 3.50% to 3.00% to 3.25%. In connection with the Amended First Lien Credit Agreement, the Company expensed \$1,918 of previously unamortized debt issuance costs as a loss on extinguishment of debt in the consolidated statements of operations and comprehensive income (loss).

In February 2020 and March 2020, the Company borrowed \$30,000 and \$10,000, respectively, under the delayed draw facility under the First Lien Term Loan, utilizing the full \$40,000 available under the delayed draw facility. As a result of the additional borrowings under the delayed draw facility, the quarterly principal payments associated with the First Lien Term Loan increased from \$2,000 to \$2,100.

In June 2021, the Company made a voluntary prepayment of \$190,400 of outstanding principal under the First Lien Term Loan funded by the net proceeds from the IPO. In connection with the voluntary prepayment, the Company expensed \$1,037 of previously unamortized debt issuance costs as a loss on extinguishment of debt in the consolidated statements of operations and comprehensive income (loss). The early prepayment resulted in the elimination of required quarterly amortization principal payments through 2026.

In December 2021, in connection with the Clean Streak Ventures acquisition, the Company entered into Amendment No. 3 to the Amended and Restated First Lien Credit Agreement ("Amended First Lien Credit Agreement") which amended and restated the Amended and Restated First Lien Credit Agreement entered into in May 2019 ("First Lien Credit Agreement"). Under the terms of the Amended First Lien Credit Agreement, the previous First Lien Term Loan was increased by \$290,000 to \$903,301 with the balance due on May 14, 2026. The incremental increase in aggregate principal of \$290,000 resulted in \$285,962 of proceeds net of discount and deferred debt issuance costs. In connection with the Amendment No. 3 to Amended and Restated First Lien Credit Agreement, the Company expensed \$21 of previously unamortized debt issuance costs as a loss on extinguishment of debt in the consolidated statements of operations and comprehensive income (loss).

In December 2022, the Company entered into Amendment No. 4 to its Amended and Restated First Lien Credit Agreement with the lenders party thereto, and Jeffries Finance LLC, as administrative agent, to transition from LIBOR to Eurocurrency rate SOFR spread, whereas all revolver borrowings and term loan borrowings under the existing credit agreement will be SOFR based. All other terms governing this term loan facility remained substantially the same.

As of December 31, 2022 and 2021, the amount outstanding under the First Lien Term Loan was \$901,201 and \$903,301 respectively. As of December 31, 2022 and 2021, the interest rate on the First Lien Term Loan was 7.42% and 3.10%, respectively.

The Amended First Lien Credit Agreement requires the Company to maintain compliance with a First Lien Net Leverage Ratio. As of December 31, 2022, the Company was in compliance with the First Lien Net Leverage Ratio financial covenant of the Amended First Lien Credit Agreement.

Revolving Credit Agreement

In May 2019, as a part of the Amended and Restated First Lien Credit Agreement, the Revolving Commitment was increased from \$50,000 to \$75,000 and the expiration date was changed from August 21, 2019 to May 14, 2024. The Company had the option of selecting either a Base Rate interest rate plus a variable margin based on the Company's First Lien Net Leverage Ratio (ranging from 2.0% to 2.5%) or a Eurodollar Rate interest rate for one, two, three or six months plus a variable margin based on the Company's First Lien Net Leverage Ratio (ranging from 3.0% to 3.5%).

In June 2021, the Company entered into Amendment No. 2 to Amended and Restated First Lien Credit Agreement that (i) increased the maximum available borrowing capacity under the Revolving Commitment from \$75,000 to \$150,000 and (ii) extended the maturity date of the Revolving Commitment to the earliest to occur of (a) June 4, 2026, (b) the date that is six months prior to the maturity date of the First Lien Term Loan (provided that clause (b) shall not apply if the maturity date for the First Lien Term Loan is extended to a date that is at least six months after June 4, 2026, the First Lien Term Loan is refinanced having a maturity date at least six months after June 4, 2026, or the First Lien Term Loan is paid in full), (c) the date that commitments under the Revolving Commitment are permanently reduced to zero, and (d) the date of the termination of the commitments under the Revolving Commitment. The increase to the maximum available borrowing capacity was effected on the close of the IPO in June 2021. In connection with the amendment, the Company expensed \$87 of previously unamortized deferred debt issuance costs as a loss on extinguishment of debt in the consolidated statements of operations and comprehensive income (loss).

As of December 31, 2022 and 2021, there were no amounts outstanding under the Revolving Commitment.

The maximum available borrowing capacity under the Revolving Commitment is reduced by outstanding letters of credit under the Revolving Commitment. As of December 31, 2022 and 2021, the available borrowing capacity under the Revolving Commitment was \$148,581 and \$149,503, respectively.

In addition, an unused commitment fee based on the Company's First Lien Net Leverage Ratio is payable on the average of the unused borrowing capacity under the Revolving Commitment. As of December 31, 2022 and 2021, the unused commitment fee was 0.25%.

Standby Letters of Credit

As of December 31, 2022, the Company has a letter of credit sublimit of \$10,000 under the Revolving Commitment, provided that the total utilization of revolving commitments under the Revolving Commitment does not exceed \$150,000 subsequent to the First Lien Credit Agreement. Any letter of credit issued under the Credit Agreement has an expiration date which is the earlier of (i) no later than 12 months from the date of issuance or (ii) five business days prior to the maturity date of the Revolving Commitment, as amended under Amendment No. 2 to Amended and Restated First Lien Credit Agreement. Letters of credit under the Revolving Commitment reduce the maximum available borrowing capacity under the Revolving Commitment. As of December 31, 2022 and 2021, the amounts associated with outstanding letters of credit were \$1,419 and \$497, respectively, and unused letters of credit under the Revolving Commitment were \$8,581 and \$9,503, respectively.

Contingent consideration	\$ 5,750	\$ —	\$ —	\$ 5,750

The Company measures the fair value of its financial assets and liabilities using the highest level of inputs that are available as of the measurement date. The carrying amounts of cash, accounts receivable, and accounts payable approximate their fair value due to the immediate or short-term maturity of these financial instruments. See Note 11 Interest Rate Swap for additional information on the interest rate swap.

As of December 31, 2022 and 2021, the fair value of the Company's First Lien Term Loan approximated its carrying value due to the debt's variable interest rate terms.

As of December 31, 2022, the Company also recognized assets in cash investments of \$5,032, of which \$4,992 are held in commercial paper and categorized as Level 2 assets and \$40 held in money market funds, which are categorized as Level 1 assets. These investments have maturities of less than 90 days and are recorded within Cash and cash equivalents on the consolidated balance sheet. As of December 31, 2021, the Company did not record any cash investments.

As of December 31, 2022

and 2021, the Company recognized a Level 3 contingent consideration liability in connection with the Downtowner Car Wash acquisition. The Company measured its contingent consideration liability arising from its 2021 acquisition using Level 3 unobservable inputs. The contingent consideration liability is associated with the achievement of certain targets and is estimated at each balance sheet date by considering among other factors, results of completed periods and the Company's most recent financial projection for future periods subject to earn-out payments. There are two components to the contingent consideration: a payment when the Company obtains the certificate of occupancy for the car wash and opens to the public in 2023 and an annual payment based on certain financial metrics of the business. A change in the forecasted revenue or projected opening dates could result in a significantly lower or higher fair value measurement. The Company determined that there were no significant changes to the unobservable inputs that would have resulted in a change in fair value of this contingent consideration liability at December 31, 2022.

During the years ended December 31, 2022 and 2021, there were no transfers between fair value measurement levels.

11. Interest Rate Swap

In May 2020, the Company entered into a pay-fixed, receive-floating interest rate swap (the "Swap") to mitigate variability in forecasted interest payments on an amortizing notional of \$550,000 of the Company's variable-rate First Lien Term Loan. The Company designated the Swap as a cash flow hedge. In October 2022, this interest rate swap expired and the Company did not enter into a new one.

As of December 31, 2021, the fair value of the Swap was reported as a debit balance of \$268 and was included in prepaid and other current assets in the accompanying consolidated balance sheets.

For the years ended December 31, 2022 and 2021, amounts reported in other comprehensive income (loss) in the accompanying consolidated statements of operations and comprehensive income (loss) are net of tax of \$0 and \$449, respectively.

12. Leases

The Company's incremental borrowing rate for a lease is the rate of interest it expects to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms. To determine the incremental borrowing rates used to discount the lease payments, the Company estimated its synthetic credit rating and utilized market data for similarly situated companies.

14. Stock-Based Compensation

The 2014 Plan

Under the 2014 Stock Option Plan of Hotshine Holdings, Inc. (the "2014 Plan"), the Company may grant incentive stock options or nonqualified stock options to purchase common shares of the Company to its employees, directors, officers, outside advisors and non-employee consultants.

All stock options granted under the 2014 Plan are equity-classified and have a contractual life of ten years. Under the 2014 Plan, 60% of the shares in a grant contain service-based vesting conditions and vest ratably over a five-year period and 40% of the shares in a grant contain performance-based vesting conditions ("Performance Vesting Options"). The condition for the Performance Vesting Options is a change in control or an initial public offering, where (i) 50% of the Performance Vesting Options vest and become exercisable if the Principal Stockholders receive the Target Proceeds at the Measurement Date and (ii) the remaining 50% of the Performance Vesting Options vest and become exercisable if the Principal Stockholders receive the Maximum Amount at the Measurement Date. Principal Stockholders is defined in the 2014 Plan as (a) Green Equity Investors VI, L.P., (b) Green Equity Investors Side VI, L.P., (c) LGP Associates VI-A, LLC, (d) LGP Associates VI-B LLC, and (e) the affiliates of the foregoing entities. Measurement Date is defined as the date of a change in control or an initial public offering, whichever comes first. The Target Proceeds and Maximum Amount are defined and measured by either multiples of invested capital or an annual compounded pre-tax internal rate of return on investment. In June 2021, the Company modified all outstanding shares of Performance Vesting Options to remove, subject to the successful completion of the IPO, the requirement that the Principal Stockholders receive the Target Proceeds and the Maximum Amount as conditions for the Performance Vesting Options to vest. The exercise prices for stock options granted under the 2014 Plan were not less than the fair market value of the common stock of the Company on the date of grant. For the avoidance of doubt, the IPO constituted a performance measurement date under the applicable option agreements for the Performance Vesting Options and the Performance Vesting Options vested in full in connection with the IPO.

The 2021 Plan

In June 2021, the Board adopted the 2021 Incentive Award Plan (the “2021 Plan”), which was subsequently approved by the Company’s stockholders and became effective on June 25, 2021. Under the 2021 Plan, the Company may grant incentive stock options, nonqualified stock options, restricted stock units (“RSUs”), restricted stock, and other stock- or cash-based awards to its employees, directors, officers, and non-employee consultants. Initially, the maximum number of shares of the Company’s common stock that may be issued under the 2021 Plan is 29,800,000 new shares of common stock, which includes 256,431 shares of common stock that remained available for issuance under the 2014 Plan at June 25, 2021. In connection with the IPO, stock option and RSU awards were granted with respect to 3,726,305 shares. Any shares of common stock subject to outstanding stock awards granted under the 2014 Plan and, following June 25, 2021, terminate, expire or are otherwise forfeited, reacquired or withheld will become available for issuance under the 2021 Plan.

All stock options granted under the 2021 Plan are equity-classified and have a contractual life of ten years. Under the 2021 Plan, the stock options contain service-based vesting conditions and generally vest ratably over a three- or five-year period (collectively with stock options under the 2014 Plan, the “Time Vesting Options”). The exercise prices for stock options granted under the 2021 Plan were not less than the fair market value of the common stock of the Company on the date of grant.

RSUs granted under the 2021 Plan are equity-classified and contain service-based conditions and generally vest ratably over one- to five-year periods. Each RSU represents the right to receive one share of the Company’s common stock upon vesting. The fair value is calculated based upon the Company’s closing stock price on the date of grant, and the stock-based compensation expense is recognized over the requisite service period, which is generally the vesting period.

The 2014 Plan and 2021 Plan are administered by the Board or, at the discretion of the Board, by a committee thereof. The exercise prices for stock options, the vesting of awards, and other restrictions are determined at the discretion of the Board, or its committee if so delegated.

The 2021 ESPP

In June 2021, the Board adopted the 2021 Employee Stock Purchase Plan (“2021 ESPP”), which was subsequently approved by the Company’s stockholders and became effective in June 2021. The 2021 ESPP authorizes the initial issuance of up to 5,000,000 shares of the Company’s common stock to eligible employees of the Company or, as designated by the Board, employees of a related company. The 2021 ESPP provides for offering periods not to exceed 27 months, and each offering period will include purchase periods. The Company determined that offering periods would commence at approximately the six-month period beginning with an enrollment date and ending with the next exercise date, except that the first offering period commenced on the effective date of the Company’s registration statement and ended on November 9, 2021.

The 2021 ESPP provides that the number of shares reserved and available for issuance under the 2021 ESPP will automatically increase on January 1 of each calendar year from January 1, 2022 through January 1, 2031 by an amount equal to the lesser of (i) 0.5% of the outstanding number of shares of common stock on the immediately preceding December 31 and (ii) such lesser number of shares of common stock as determined by the Board.

Share-Based Payment Valuation

The grant date fair value of Time Vesting Options granted is determined using the Black-Scholes option-pricing model. The grant date fair value of Performance Vesting Options is determined using a Monte Carlo simulation model and a barrier-adjusted Black-Scholes option-pricing model. The grant date fair value of stock purchase rights granted under the 2021 ESPP is determined using the Black-Scholes option-pricing model.

In February 2021, the Company modified a total of 7,874,304 shares of Performance Vesting Options for 12 grantees to provide for an additional service-based vesting condition related to the acceleration of vesting in connection with a grantees' death. The Company did not recognize current incremental stock-based compensation expense in connection with the modification during the year ended December 31, 2022 because the grants vest upon the earlier of a performance condition or a service condition, neither of which are probable of occurring until the condition is met. The modification resulted in an incremental increase to unrecognized compensation expense related to unvested Performance Vesting Options of \$75,217, which was recognized in June 2021 in connection with the completion of the IPO.

In June 2021, the Company modified all outstanding shares of Performance Vesting Options to remove, subject to the successful completion of the IPO, the requirement that the Principal Stockholders receive the Target Proceeds and the Maximum Amount as conditions for the Performance Vesting Options to vest. 16. Business Combinations

From time to time, the Company may pursue acquisitions of conveyORIZED car washes that either strategically fit with the Company's business or expand the Company's presence in new and attractive markets.

The Company accounts for business combinations under the acquisition method of accounting. The assets acquired, and liabilities assumed in connection with business acquisitions are recorded at the date of acquisition at their estimated fair values, with any excess of the purchase price over the estimated fair values of the net assets acquired and intangible assets assigned, recorded as goodwill. Significant judgment is required in estimating the fair value of assets acquired and liabilities assumed and in assigning their respective useful lives. Accordingly, the Company may engage third-party valuation specialists to assist in these determinations. The fair value estimates are based on available historical information and on future expectations and assumptions deemed reasonable by management; but are inherently uncertain.

The consolidated financial statements reflect the operations of an acquired business starting from the effective date of the acquisition. The Company expensed \$647, \$2,383 and \$545 of acquisition-related costs for the years ended December 31, 2022, 2021 and 2020, respectively. These acquisition-related costs are expensed as incurred and are included in general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income (loss).

For the years ended December 31, 2022 and 2021, the amount of acquired goodwill that is not deductible for income tax purposes is \$1,078 and \$81,365, respectively. The goodwill recognized in 2022 and 2021 is primarily attributable to the expected synergies to be achieved from the business combinations.

2022 Acquisitions

For the year ended December 31, 2022, the Company acquired the assets and liabilities of 11 conveyORIZED car washes in four acquisitions for total consideration of approximately \$98,548, which was paid in cash. Adjustments related to 2022 acquisitions were not material in the current year.

The weighted-average amortization period for the acquired covenants not to compete is 5.0 years.

The acquisitions were located in the following markets:

Location (Seller)	Number of Washes	Month Acquired
Georgia (Bamboo Carwash)	1	April

2021 Acquisitions

For the year ended December 31, 2021, the Company acquired the assets and liabilities of 37 conveyORIZED car washes in five acquisitions for total consideration of approximately \$524,839, which was paid in cash. These acquisitions resulted in the preliminary recognition of \$323,477 of goodwill, \$202,708 of property and equipment, \$4,300 of intangible assets related to customer relationships, \$3,970 of intangible assets related to covenants not to compete, and \$9,665 of net liabilities. In connection with the Downtowner Car Wash acquisition, the Company recognized a contingent consideration liability of \$5,750. See Note 10 Fair Value Measurements for additional information regarding the contingent consideration liability. During the year ended December 31, 2022, as a result of receiving \$11,845 in escrow funds associated with an acquired location that did not receive zoning permits as required under the purchase agreement, the Company recorded an adjustment during the measurement period to its Clean Streak Ventures LLC purchase price allocation which reduced goodwill by \$10,670 and land by \$1,175. Additional adjustments related to 2021 acquisitions were not material in the current year.

The weighted-average amortization periods for the acquired customer relationships and covenants not to compete are 7.0 years and 5.0 years, respectively.

The acquisitions were located in the following markets:

17. Dispositions

On December 1, 2020, the Company entered into an Asset Purchase Agreement to sell 27 quick lube facilities for \$55,386 to an unrelated third party, subject to certain inventory value adjustments. The sale of the quick lube facilities is in line with the Company's focus on growing its car wash business. The sale was effective on December 11, 2020. The disposition of the quick lube facilities did not meet the criteria to be reported as a discontinued operation and accordingly, its results of operations have not been reclassified. A gain totaling \$29,773 was recognized on the sale during the year ended December 31, 2020, which is recorded as (gain) loss on sale of assets in the accompanying consolidated statement of operations and comprehensive income (loss).

As part of the sale and sublease of the quick lube facilities, the Company agreed to indemnify the buyer/subtenant for certain liabilities if they occurred or arose prior to or on the closing date, subject to a specified cap in some instances. The Company is not aware of any such liabilities or attendant indemnification obligations that require accrual at December 31, 2022.

18. Related-Party Transactions

Leonard Green Partners ("LGP"), the majority owner of the Company, historically received \$1,000 annually for various advisory and monitoring services provided to the Company. During the COVID-19 pandemic, these fees were waived for the remainder of 2020. The management services agreement with LGP that provided for the advisory and monitoring services terminated in June 2021 upon the consummation of the IPO.

For years ended December 31, 2022, 2021 and 2020, total fees and expenses paid by the Company to LGP were \$0, \$500, \$250, respectively. Fees and expenses paid to LGP are included in general and administrative expenses in the accompanying consolidated statements of operations and comprehensive income (loss).

LGP was one of the Company's creditors under the Second Lien Credit Agreement with an investment of \$5,625 allowed through the Amended Second Lien Credit Agreement. The Company made a voluntary prepayment of all outstanding balances under the Second Lien Term Loan in June 2021 (see Note 9 Debt).

19. Commitments and Contingencies

Litigation

From time to time, the Company is party to pending or threatened lawsuits arising out of or incident to the ordinary course of business. The Company carries professional and general liability insurance coverage and other insurance coverages. In the opinion of management and upon consultation with legal counsel, none of the pending or threatened lawsuits will have a material effect upon the consolidated financial position, operations, or cash flows of the Company.

Insurance

The Company carries a broad range of insurance coverage, including general and business auto liability, commercial property, workers' compensation, cyber risk, and general umbrella policies. As of December 31, 2022 and 2021, the Company accrued \$3,230 and \$3,169, respectively, for assessments on insurance claims filed, which are included in other accrued expenses in the accompanying consolidated balance sheets. As of December 31, 2022 and 2021, the Company recorded \$2,627 and \$2,594, respectively, in other receivables from its non-healthcare insurance carriers related to these insurance claims, which are included in other receivables in the accompanying consolidated balance sheets. The receivables are paid when the claim is finalized and the reserved amounts on these claims are expected to be paid within one year.

Environmental Matters

Operations at certain facilities currently or previously owned or leased by the Company utilize, or in the past have utilized, hazardous substances generally in compliance with applicable law. Periodically, the Company has had minor claims asserted against it by regulatory agencies or private parties for environmental matters relating to the handling of hazardous substances by the Company, and it has incurred obligations for investigations or remedial actions with respect to certain of these matters. There can be no assurances that activities at these facilities, or future facilities owned or operated by the Company, may not result in additional environmental claims being asserted against the Company or additional investigations or remedial actions being required. The Company is not aware of any significant remediation matters as of December 31, 2022. Because of various factors including the difficulty of identifying the responsible parties for any particular site, the complexity of determining the relative liability among them, the uncertainty as to the most desirable remediation techniques and the amount of damages and clean-up costs and the time period during which such costs may be incurred, the Company is unable to reasonably estimate the ultimate cost of claims asserted against the Company related to environmental matters; however, the Company does not believe such costs will be material to its consolidated financial statements.

In addition to potential claims asserted against the Company, there are certain regulatory obligations associated with these facilities. The Company also has a third-party specialist to review the sites subject to these regulations annually, for the purpose of assigning future cost. A third party has conducted a preliminary assessment of site restoration provisions arising from these regulations and the Company has recognized a provisional amount. As of December 31, 2022 and 2021, the Company recorded an environmental remediation accrual of \$12, which is included in other accrued expenses in the accompanying consolidated balance sheets.

Item 9A. Controls and Procedures**Evaluation of Disclosure Controls and Procedures**

In order to ensure that the information we must disclose in our filings with the SEC is recorded, processed, summarized and reported on a timely basis, we have developed and implemented disclosure controls and procedures. Our management, with the participation of our Chairperson, President and Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) as of the end of the period covered by this Annual Report on Form 10-K. Based on that evaluation, our management, including the President and Chief Executive Officer and Chief Financial Officer, has concluded that our disclosure controls and procedures were effective as of December 31, 2022 in ensuring that information required to be disclosed in the reports that we file or submit under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the SEC’s rules and forms and is accumulated and communicated to our management, including the President and Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

There were no changes in our internal controls over financial reporting that occurred during the fourth quarter of 2022 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Management’s Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Exchange Act Rule 13a-15(f).

Using criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control-Integrated Framework (2013 framework), our management assessed the effectiveness of our internal control over financial reporting as of December 31, 2022.

Based on this assessment, management concluded that, as of December 31, 2022, our internal control over financial reporting was effective to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with U.S. GAAP.

The independent registered public accounting firm, Deloitte & Touche LLP, has also audited the effectiveness of our internal control over financial reporting as of December 31, 2022. Their report is included herein.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the stockholders and the Board of Directors of Mister Car Wash, Inc.:

Opinion on Internal Control over Financial Reporting

We have audited the internal control over financial reporting of Mister Car Wash, Inc. and subsidiaries (the “Company”) as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by COSO.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated financial statements as of and for the year ended December 31, 2022, of the Company and our report dated February 24, 2023, expressed an unqualified opinion on those financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

(a) Notwithstanding anything to the contrary herein, the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio shall be calculated in the manner prescribed by this Section 1.08; *provided*, that notwithstanding anything to the contrary in clauses (b), (c) or (d) of this Section 1.08, when calculating the First Lien Net Leverage Ratio for purposes of Section 2.07(b)(i) and the Asset Sale Prepayment Percentage, the events described in this Section 1.08 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect.

(b) For purposes of calculating the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable

Test Period or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.08.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Responsible Officer and may include, for the avoidance of doubt, the amount of cost savings, operating expense reductions and, synergies projected by the Borrower in good faith to be realized as a result of specified actions taken, committed to be taken or expected to be taken (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such Test Period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period) relating to such Specified Transaction, net of the amount of actual benefits realized during such period from such actions (such cost savings and synergies, "**Specified Transaction Adjustments**"); *provided* that (i) such Specified Transaction Adjustments are reasonably identifiable, quantifiable and factually supportable in the good faith judgment of the Borrower, (ii) such actions are taken, committed to be taken or expected to be taken no later than twenty-four months after the date of such Specified Transaction, and (iii) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in calculating Consolidated Adjusted EBITDA, whether through a *pro forma* adjustment or otherwise, with respect to any Test Period.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period with respect to leverage ratios or the first day of such Test Period with respect to the Interest Coverage Ratio.

(e) Notwithstanding anything in this Agreement or any Loan Document to the contrary (i) the Borrower may rely on more than one basket or exception hereunder (including both ratio-based and non-ratio based baskets and exceptions, and including partial reliance on different baskets that, collectively, permit the entire proposed transaction) at the time of any proposed transaction, and the Borrower may, in its sole discretion, at any later time divide, classify or reclassify such transaction (or any portion thereof) in any manner that complies with the available baskets and exceptions hereunder at such later time (*provided* that with respect to reclassification of Indebtedness and Liens, any such reclassification shall be subject to the parameters of Sections 7.01 and 7.03, as applicable), (ii) unless the Borrower elects otherwise, if the Borrower or its Restricted Subsidiaries in connection with any transaction or series of such related transaction (A) incurs Indebtedness, creates Liens, makes Dispositions, makes Investments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under or as

permitted by a ratio-based basket and (B) incurs Indebtedness, creates Liens, makes Dispositions, makes Investments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under a non-ratio-based basket (which shall occur within five Business Days of the events in clause (A) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based basket without regard to any such action under such non-ratio-based basket made in connection with such transaction or series of related transactions, (iii) if the Borrower or its Restricted Subsidiaries enters into any revolving, delayed draw or other committed debt facility, the Borrower may elect to determine compliance of such debt facility (including the incurrence of Indebtedness and Liens from time to time in connection therewith) with this Agreement and each other Loan Document on the date commitments with respect thereto are first received, assuming the full amount of such facility is incurred (and any applicable Liens are granted) on such date, in lieu of determining such compliance on any subsequent date (including any date on which Indebtedness is incurred pursuant to such facility), and (iv) if the Borrower or any Restricted Subsidiary incurs Indebtedness under a ratio-based basket, such ratio-based basket (together with any other ratio-based basket utilized in connection therewith, including in respect of other Indebtedness, Liens, Dispositions, Investments, restricted Payments or payments in respect of Junior Financing) will be calculated excluding the cash proceeds of such Indebtedness for netting purposes (i.e., such cash proceeds shall not reduce the Borrower's Consolidated Net Debt or Consolidated Secured Net Debt pursuant to clause (b) of the definition of such terms), *provided* that the actual application of such proceeds may reduce Indebtedness for purposes of determining compliance with any applicable ratio. For example, if the Borrower incurs Indebtedness under the Fixed Incremental Amount on the same date that it incurs Indebtedness under the Ratio Amount, then the First Lien Net Leverage Ratio and any other applicable ratio will be calculated with respect to such incurrence under the Ratio Amount without regard to any incurrence of Indebtedness under the Fixed Incremental Amount. Unless the Borrower elects otherwise, each Incremental Facility (or Incremental Equivalent Debt) shall be deemed incurred first under the Ratio Amount to the extent permitted (and calculated prior to giving effect to any substantially simultaneous incurrence of any Indebtedness based on a basket or exception that is not based on a financial ratio, including under the Revolving Facility and/or the Fixed Incremental Amount), with any balance incurred under the Fixed Incremental Amount. For purposes of determining compliance with Section 2.16, in the event that any Incremental Facility or Incremental Equivalent Debt (or any portion thereof) meets the criteria of Ratio Amount or Fixed Incremental Amount, the Borrower may, in its sole discretion, at the time of incurrence, divide, classify or reclassify, or at any later time divide, classify or reclassify, such Indebtedness (or any portion thereof) in any manner that complies with Section 2.16 on the date of such classification or any such reclassification, as applicable.

(f) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (i) calculating any applicable ratio in connection with the incurrence of Indebtedness, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted, the repayment of Indebtedness or for any other purpose, (ii) determining the accuracy of any representation or warranty, (iii) determining whether any Default or Event of Default has occurred, is continuing or would result from any action, or (iv) determining compliance with any other condition precedent to any action or transaction, in each case of clauses (i) through (iv) in connection with a Limited Condition Acquisition, the date of determination of such ratio, the accuracy of such representation or warranty (but taking into account any earlier date specified therein), whether any Default or Event of Default has occurred, is continuing or would result therefrom, or the satisfaction of any other condition precedent shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a Pro Forma Basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios, representations and warranties, absence of defaults, satisfaction of conditions precedent and other provisions are calculated as if such Limited

Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements are available, the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with, unless a Specified Event of Default shall be continuing on the date such Limited Condition Acquisition is consummated. For the avoidance of doubt, (i) if any of such ratios, representations and warranties, absence of defaults, satisfaction of conditions precedent or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Consolidated Adjusted EBITDA), a change in facts and circumstances or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios, representations and warranties, absence of defaults, satisfaction of conditions precedent and other provisions will not be deemed to have been exceeded, breached, or otherwise failed as a result of such fluctuations or changed circumstances solely for purposes of determining whether the Limited Condition Acquisition and any related transactions is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket availability with respect to any other Specified Transaction or otherwise on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated. For purposes of any calculation pursuant to this clause (f) of the Interest Coverage Ratio, Consolidated Interest Expense may be calculated using an assumed interest rate for the Indebtedness to be incurred in connection with such Limited Condition Acquisition based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Borrower in good faith.

(g) For purposes of calculating the Ratio Amount, Permitted Ratio Debt and Section 7.01(i) (including for purposes of Section 7.03(1)(ii)), the phrase “immediately prior to such incurrence” shall be construed to apply only if, at the time of such determination, on a Pro Forma Basis for such incurrence of Indebtedness and/or Liens (and for any related Permitted Investment, if applicable), (w) the First Lien Net Leverage Ratio would be greater than the Closing Date First Lien Net Leverage Ratio, (x) the Secured Net Leverage Ratio would be greater than the Closing Date Secured Net Leverage Ratio, (y) the Total Net Leverage Ratio would be greater than the Closing Date Total Net Leverage Ratio or (z) the Interest Coverage Ratio would be less than 2.00 to 1.00, as applicable.

(h) For purposes of determining the maturity date of any Indebtedness, customary bridge loans that are subject to customary conditions (including no payment or bankruptcy event of default) that would either automatically be extended as, converted into or required to be exchanged for permanent refinancing shall be deemed to have the maturity date as so extended, converted or exchanged.

SECTION 1.09 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 7.01, 7.02 and 7.03 with respect to any amount of Lien, Indebtedness or Investment in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Lien, Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

(b) For purposes of this Agreement and the other Loan Documents, where the permissibility of a transaction or determinations of required actions or circumstances depend upon compliance with, or are determined by reference to, amounts stated in Dollars, any requisite currency translation (i) with respect to Loans or Commitments, shall be based on the Exchange Rate and (ii) with respect to any other amounts, shall be based on the rate of exchange between the applicable currency and Dollars as reasonably determined by the Borrower, in each case in effect on the Business Day immediately preceding the date of such transaction or determination (subject to clauses (c) and (d) below) and shall not be affected by subsequent fluctuations in exchange rates.

(c) For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the Exchange Rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt (or, in the case of an LCA Election, on the date of the applicable LCA Test Date); *provided* that, if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the Exchange Rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Indebtedness so refinanced does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding the foregoing, the principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the Exchange Rate that is in effect on the date of such refinancing.

(d) For purposes of determining the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio, the Total Net Leverage Ratio and the Interest Coverage Ratio, including Consolidated Adjusted EBITDA when calculating such ratios, all amounts denominated in a currency other than Dollars will be converted to Dollars for any purpose (including testing the any financial maintenance covenant) at the effective rate of exchange in respect thereof reflected in the consolidated financial statements of the Borrower for the applicable Test Period for which such measurement is being made, and will reflect the currency translation effects, determined in accordance with GAAP, of Hedge Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

SECTION 1.10 Amendment and Restatement. Each of the parties hereto agrees as follows

(a) this Agreement shall not constitute a novation of (x) the obligations and liabilities of the parties under the Existing Credit Agreement or the other Loan Documents as in effect prior to the Closing Date and that remain outstanding as of the Closing Date and (y) the Existing Credit Agreement or the other Loan Documents as in effect prior to the Closing Date;

(b) this Agreement (including all Exhibits and Schedules) shall amend, restate and replace in its entirety the Existing Credit Agreement (including all exhibits and schedules attached thereto) on the Closing Date and the Existing Credit Agreement (including all exhibits and schedules attached thereto) shall thereafter be of no further force and effect, except to evidence (i) the incurrence by the Borrower of the "Obligations" (under and as defined in the Existing Credit Agreement), whether or not such "Obligations" are contingent as of the Closing Date and (ii) the representations and warranties made by the Loan Parties prior to the Closing Date (which representations and warranties shall not be superseded or rendered ineffective by this Agreement as they pertain to the period prior to the Closing Date);

(c) from and after the Closing Date, all references to the "Credit Agreement" contained in the Loan Documents shall be deemed to refer to this Agreement and all references to any Article or

Section (or subsection) of this Agreement in any other Loan Document shall be amended to become references to the corresponding provisions of this Agreement;

(d) all Obligations (as such Obligations may be amended, restated, supplemented or otherwise modified by this Agreement on the Closing Date) and the Guarantee of the Obligations shall continue to be valid, enforceable and in full force and effect and not be impaired, in any respect, by the effectiveness of this Agreement;

(e) the Liens and security interests as granted under the applicable Loan Documents securing payment of the Obligations are in all respects continuing, unaltered and in full force, and effect and with the same priority to secure such Obligations, whether heretofore or hereafter incurred, and are reaffirmed hereby;

(f) this amendment and restatement shall be limited as written and not be a consent to any other amendment, restatement, supplement, waiver or other modification, whether or not similar and, except as expressly provided herein or in any other Loan Document, all terms and conditions of the Loan Documents remain in full force and effect unless otherwise specifically amended hereby.

ARTICLE II

The Commitments and Borrowings

SECTION 2.01 Term Loans.

(a) Term Loan Commitments. Subject only to the conditions set forth in Section 4.01, each Lender with an Initial Term Loan Commitment severally agrees to make to the Borrower on the Closing Date a term loan denominated in Dollars equal to such Lender's Initial Term Loan Commitment (the "**Initial Term Loans**"); *provided* that any Delayed Draw Term Loans that are funded hereunder shall also be deemed to constitute Initial Term Loans following such funding). Initial Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein. At any time and from time to time during the Delayed Draw Commitment Period, subject to the terms and conditions set forth in Section 4.03 hereof, each Lender with a Delayed Draw Commitment severally agrees to make to the Borrower on the applicable Delayed Draw Closing Date a Term Loan denominated in Dollars in an aggregate amount requested by the Borrower but not exceeding such Lender's unfunded Delayed Draw Commitment as of such date immediately prior to giving effect to such Borrowing (the "**Delayed Draw Term Loans**"); *provided* that the aggregate principal amount of all such Borrowings of Delayed Draw Term Loans shall not exceed the aggregate amount of the Delayed Draw Commitments as of the Closing Date. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Initial Term Loans and Delayed Draw Term Loans may be Base Rate Loans (in the case of Term Loans denominated in Dollars) or Eurocurrency Rate Loans, as further provided herein; *provided* that Delayed Draw Term Loans will initially be of the same Type and will have the same Interest Period as the Term Loans outstanding immediately prior to the Borrowing of such Delayed Draw Term Loans. To the extent practicable, the Initial Term Loans and Delayed Draw Term Loans will be treated as the same Class (i.e., "fungible") and will have the same CUSIP.

(b) Borrowing Mechanics for Term Loans.

(i) Subject to Sections 4.01(a)(i), 4.02(c), 4.03(c) and 2.16(a), each Borrowing of Term Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may only be given in writing. Each such notice must be received by the Administrative Agent not later than, (x) in respect of Delayed Draw Term Loans, 1:00 p.m. (New York City time) three Business Days prior to the requested date of such Borrowing and (y) in respect of all other Term Loans, (A) 1:00 p.m. (New York City time) three Business Days prior to the requested date of any

Borrowing of Eurocurrency Rate Loans and (B) 12:00 noon (New York City time) one Business Day prior to the requested date of any Borrowing of Base Rate Loans; *provided*, that such notices may be conditioned on the occurrence of the Closing Date or, with respect to Delayed Draw Term Loans or Incremental Term Loans, may be conditioned on the occurrence of any transaction anticipated to occur in connection with such Delayed Draw Term Loans or Incremental Term Loans.

(ii) Each notice by the Borrower pursuant to this Section 2.01(b) must be delivered to the Administrative Agent in the form of a Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. The Delayed Draw Term Loans shall be available in Borrowings of not less than \$5,000,000 or, if less, the unfunded Delayed Draw Commitments then outstanding. Each Committed Loan Notice shall specify (A) that the Borrower is requesting a Term Loan Borrowing, (B) the requested date of the Borrowing (which shall be a Business Day), (C) the Type of Term Loans to be borrowed, (D) the principal amount of Term Loans to be borrowed and (E) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Term Loan in a Committed Loan Notice, then (1) in the case of Term Loans denominated in Dollars, the applicable Term Loans shall be made as Base Rate Loans and (2) in the case of Term Loans denominated in an Alternative Currency, the applicable Term Loans shall be made as Eurocurrency Rate Loans with an Interest Period of one month; *provided* that Delayed Draw Term Loans will initially be of the same Type and will have the same Interest Period as the Term Loans outstanding immediately prior to the Borrowing of such Delayed Draw Term Loans. If the Borrower requests a Borrowing of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, for such Eurocurrency Rate Loans, the Borrower will be deemed to have specified an Interest Period of one month (other than with respect to a Delayed Draw Term Loan).

(iii) Borrowings of more than one Type may be outstanding at the same time; *provided* that the total number of Interest Periods for Eurocurrency Rate Loans outstanding under this Agreement at any time shall comply with Section 2.10(g).

(iv) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable tranche of Term Loans. In the case of each Borrowing, each Appropriate Lender shall make the amount of its Term Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 1:00 p.m. (New York City time), on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions to such Borrowing, the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (A) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (B) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(v) The failure of any Lender to make the Term Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Term Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Term Loan to be made by such other Lender on the date of any Borrowing.

SECTION 2.02 Revolving Loans.

(a) Revolving Loan Commitment. During the Revolving Commitment Period, subject to the terms and conditions hereof, each Lender severally agrees to make revolving loans to the Borrower from time to

time on any Business Day in Dollars and/or any Alternative Currency (“**Revolving Loans**”) in an aggregate amount (expressed in the Dollar Amount thereof in the case of an Alternative Currency) up to but not exceeding such Lender’s Revolving Commitment; *provided*, that after giving effect to the making of any Revolving Loans in no event shall the Total Utilization of Revolving Commitments exceed the Revolving Commitments then in effect. Amounts borrowed pursuant to this Section 2.02(a) may be repaid and reborrowed during the Revolving Commitment Period. Each Lender’s Revolving Commitment shall expire on the Revolving Commitment Termination Date, and all Revolving Loans and all other amounts owed hereunder with respect to the Revolving Loans and the Revolving Commitments shall be paid in full no later than such date.

(b) Borrowing Mechanics for Revolving Loans.

(i) Subject to Section 4.01(a)(i) in the case of Borrowings of Revolving Loans on the Closing Date only and Section 4.02(c) in the case of each other Borrowing of Revolving Loans, each Borrowing of Revolving Loans shall be made upon the Borrower’s irrevocable notice to the Administrative Agent, which may only be given in writing (each request for a Swing Line Loan Borrowing shall be made in accordance with Section 2.03). Each such notice must be received by the Administrative Agent not later than (A) 1:00 p.m. (New York City time) three Business Days prior to the requested date of any Borrowing of Eurocurrency Rate Loans or SOFR Loans, and (B) 12:00 noon (New York City time) on the requested date of any Borrowing of Base Rate Loans (in the case of Revolving Loans denominated in Dollars only). Each notice by the Borrower pursuant to this Section 2.02(b) must be delivered to the Administrative Agent in the form of a Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of Eurocurrency Rate Loans or SOFR Loans shall be in a principal amount of (A) \$500,000 or a whole multiple of \$100,000 in excess thereof in the case of Eurocurrency Rate Loans denominated in Dollars, and (B) a Dollar Amount of \$500,000 or a whole multiple of \$100,000 in excess thereof in the case of Eurocurrency Rate Loans denominated in any Alternative Currency. Each Borrowing of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice shall specify (1) the requested date of the Borrowing (which shall be a Business Day), (2) the principal amount of Revolving Loans to be borrowed, (3) the Type of Revolving Loans to be borrowed and (4) if applicable, the duration of the Interest Period with respect thereto. Each Swing Line Loan shall be denominated in Dollars and constitute a Base Rate Loan. If the Borrower fails to specify a Type of Revolving Loan in a Committed Loan Notice, then (x) in the case of Revolving Loans denominated in Dollars, the applicable Revolving Loans shall be made as Base Rate Loans and (y) in the case of Revolving Loans denominated in an Alternative Currency, the applicable Revolving Loans shall be made as Eurocurrency Rate Loans with an Interest Period of one month. If the Borrower requests a Borrowing of Eurocurrency Rate Loans or SOFR Loans in any such Committed Loan Notice, but fails to specify an Interest Period for such Eurocurrency Rate Loans or SOFR Loans, the Borrower will be deemed to have specified an Interest Period of one month.

(ii) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Revolving Loans. In the case of each Borrowing, each Appropriate Lender shall make the amount of its Revolving Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent’s Office not later than 1:00 p.m. (New York City time), on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or if such Borrowing is on the Closing Date, Section 4.01 or, if such Borrowing is of Delayed Draw Term Loans on a Delayed Draw Closing Date, Section 4.03), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (A) crediting the account of the Borrower on the books of the

Administrative Agent with the amount of such funds or (B) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; *provided, however*, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans outstanding or Reimbursement Obligations outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such Reimbursement Obligations, second, to the payment in full of any such Swing Line Loans and third, to the Borrower as provided above.

(iii) The failure of any Lender to make the Revolving Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Revolving Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Revolving Loan to be made by such other Lender on the date of any Borrowing.

SECTION 2.03 Swing Line Loans.

(a) Swing Line Loan. Subject to the terms and conditions set forth herein, the Swing Line Lender, in reliance on the agreements of the Revolving Lenders set forth in this Section 2.03, agrees to make Swing Line Loans in Dollars to the Borrower from time to time on any Business Day during the Revolving Commitment Period, in an aggregate principal amount not to exceed at any time outstanding the amount of the Swing Line Sublimit; *provided* that, after giving effect to any Swing Line Loan, (i) the Total Utilization of Revolving Commitments shall not exceed the Revolving Commitments, (ii) the Total Utilization of Revolving Commitments of any Revolving Lender, shall not exceed such Lender's Revolving Commitment and (iii) the aggregate principal amount outstanding of all Swing Line Loans shall not exceed the Swing Line Sublimit; *provided, further*, that the Swing Line Lender shall not be required to make a Swing Line Loan to refinance an outstanding Swing Line Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swing Line Loans. Immediately upon the making of a Swing Line Loan by the Swing Line Lender, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a participation in such Swing Line Loan in an amount equal to such Revolving Lender's Pro Rata Share of the amount of such Swing Line Loan.

(b) Borrowing Mechanics for Swing Line Loans. Each Swing Line Loan Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent. Each such notice may be given by: (A) telephone, or (B) a Swing Line Loan Request; *provided* that any telephonic notice by the Borrower must be confirmed immediately by delivery to the Swing Line Lender and the Administrative Agent of a Swing Line Loan Request. Each such Swing Line Loan Request must be received by the Swing Line Lender and the Administrative Agent not later than 12:00 noon (New York City time) on the date of the requested Swing Line Loan Borrowing, and such notice shall specify (i) the Borrower to be credited (or, if none is specified, the notice shall be deemed to be made on behalf of the Borrower), (ii) the amount to be borrowed, which shall be in a minimum of \$100,000 or a whole multiple of \$25,000 in excess thereof, and (iii) the date of such Swing Line Loan Borrowing (which shall be a Business Day). Promptly after receipt by the Swing Line Lender of such notice, the Swing Line Lender will confirm with the Administrative Agent that the Administrative Agent has also received such notice and, if not, the Swing Line Lender will notify the Administrative Agent of the contents thereof. Unless the Swing Line Lender has received notice from the Administrative Agent (including at the request of the Required Revolving Lenders) prior to 2:00 p.m. (New York City time) on such requested borrowing date (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first sentence of Section 2.03(a) or (B) that one or more of the applicable conditions set forth in Section 4.02 is not then satisfied, then, subject to the terms and conditions set forth herein, the Swing Line Lender shall make each Swing Line Loan available to the Borrower, by wire transfer thereof in accordance with instructions

provided to (and reasonably acceptable to) the Swing Line Lender, not later than 3:00 p.m. (New York City time) on the requested date of such Swing Line Loan (which instructions may include standing payment instructions, which may be updated from time to time by the Borrower, *provided* that, unless the Swing Line Lender shall otherwise agree, any such update shall not take effect until the Business Day immediately following the date on which such update is provided to the Swing Line Lender).

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Revolving Lender make a Revolving Loan that is a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans made by then Swing Line Lender then outstanding (the "**Refunded Swing Line Loans**"). Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance (including with respect to prior notice requirements) with the requirements of Section 2.02(b), without regard to the minimum and multiples specified therein, but subject to the aggregate unused Revolving Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of such Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in immediately available funds (and the Administrative Agent may apply Cash Collateral available with respect to the applicable Swing Line Loan) for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York City time) on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.03(c)(ii), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Loan Borrowing in accordance with Section 2.03(c)(i), the request for Revolving Loans that are Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Lenders fund its participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.03(c)(i) shall be deemed payment in respect of such participation. The Administrative Agent shall notify the Borrower of any participations in any Swing Line Loan funded pursuant to this clause (ii), and thereafter payments in respect of such Swing Line Loan (to the extent of such funded participations) shall be made to the Administrative Agent for the benefit of the Lenders and not to the Swing Line Lender.

(iii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(i), the Swing Line Lender (acting through the Administrative Agent) shall be entitled to recover from such Revolving Lender, on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Rate from time to time in effect and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation, *plus* any reasonable administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Loan Borrowing or

funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted (through the Administrative Agent) to any Revolving Lender with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Lender's obligation to make Revolving Loans or to purchase and fund participations in Swing Line Loans pursuant to this Section 2.03(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02; *provided, further*, that for the avoidance of doubt, the conditions set forth in Section 4.02 shall not apply to the purchase or funding of participations pursuant to this Section 2.03(e). No such funding of participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Lender has purchased and funded a participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will promptly remit such Revolving Lender's Pro Rata Share of such payment to the Administrative Agent (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's participation was funded) in like funds as received by the Swing Line Lender, and any such amounts received by the Administrative Agent will be remitted by the Administrative Agent to the Revolving Lenders that shall have funded their participations pursuant to Section 2.03(c)(ii) to the extent of their interests therein.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the Swing Line Lender in its reasonable discretion), each Revolving Lender shall pay to such Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned at a rate per annum equal to the Federal Funds Rate from time to time in effect. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Revolving Lenders under this clause (ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans made by the Swing Line Lender. Until each Revolving Lender funds its Revolving Loan that is a Base Rate Loan or participation pursuant to this Section 2.03 to refinance such Lender's Pro Rata Share of any Swing Line Loan made by the Swing Line Lender, interest in respect of such Lender's share thereof shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. Except as otherwise expressly provided herein, the Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

SECTION 2.04 Issuance of Letters of Credit and Purchase of Participations Therein.

(a) Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) each Issuing Bank agrees, in reliance upon the agreements of the Revolving Lenders set forth in this Section 2.04, (1) from time to time on any Business Day during the Revolving Commitment Period on or prior to the fifth Business Day prior to the Revolving Commitment Termination Date, to issue Letters of Credit for the account of the Borrower, subject to satisfactory receipt of such information and documentation reasonably requested by the Administrative Agent or any Lender in order to comply with applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act, or a Restricted Subsidiary (*provided* that any Letter of Credit issued for the benefit of any Restricted Subsidiary shall be issued for the account of the Borrower but such Letter of Credit shall indicate that it is being issued for the benefit of such Restricted Subsidiary) and to amend, renew or extend Letters of Credit previously issued by it, in accordance with Section 2.04(b) and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Lenders severally agree to participate in such Letters of Credit and any drawings thereunder; *provided* that the Issuing Banks shall not be obligated to make any Letter of Credit Extension if, as of the date of such Letter of Credit Extension, (1) the Total Utilization of Revolving Commitments would exceed the Revolving Commitments, (2) the Total Utilization of Revolving Commitments of any Revolving Lender, would exceed such Lender’s Revolving Commitment, (3) the Letter of Credit Usage would exceed the Letter of Credit Sublimit or (4) the Letter of Credit Usage with respect to Letters of Credit issued by such Issuing Bank would exceed the amount of such Issuing Bank’s Letter of Credit Percentage of the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower’s ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An Issuing Bank shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it (for which such Issuing Bank is not otherwise compensated hereunder);

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and such Issuing Bank, such Letter of Credit is in an initial stated amount less than \$10,000;

(D) such Letter of Credit is to be denominated in a currency other than Dollars (*provided* that, solely to the extent approved by the applicable Issuing Bank, Letters of Credit may be made by such Issuing Bank in an Alternative Currency; *provided further* that Jefferies Finance shall only be required to issue Letters of Credit in Dollars);

(E) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; and

(F) any Revolving Lender is at such time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including reallocation of such Lender's Pro Rata Share of the outstanding Letter of Credit Obligations pursuant to Section 2.19(a)(iii) or the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.19(a)(iii)) with respect to such Lender arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other Letter of Credit Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) No Issuing Bank shall be under any obligation to amend or extend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment thereto.

(iv) Unless Cash Collateralized or backstopped pursuant to arrangements reasonably acceptable to the applicable Issuing Bank, each standby Letter of Credit shall expire at or prior to the close of business on the earlier of (A) the date twelve months after the date of issuance of such Letter of Credit (or, in the case of any Auto-Renewal Letter of Credit, twelve months after the then current expiration date of such Letter of Credit) and (B) the Letter of Credit Expiration Date (unless arrangements reasonably satisfactory to the Issuing Banks have been entered into).

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the applicable Issuing Bank (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the applicable Issuing Bank and the Administrative Agent not later than 2:00 p.m. (New York City time) at least five Business Days (or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the currency in which the requested Letter of Credit will be denominated (which must be Dollars or, if approved by such Issuing Bank, an Alternative Currency) and (H) such other matters as the applicable Issuing Bank may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, the Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof

(which shall be a Business Day); and (3) the nature of the proposed amendment. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Letter of Credit Documents, as the applicable Issuing Bank or the Administrative Agent may reasonably require.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable Issuing Bank will confirm with the Administrative Agent that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the applicable Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the applicable Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions set forth herein, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application for a standby Letter of Credit, the applicable Issuing Bank may, in its reasonable discretion, agree to issue a standby Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit shall permit such Issuing Bank to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Nonrenewal Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the applicable Issuing Bank to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided, however*, that no Issuing Bank shall (A) permit any such renewal if (1) such Issuing Bank has determined that it would not be permitted at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.04(a) or otherwise) or (2) it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Administrative Agent that the Required Revolving Lenders have elected not to permit such renewal or (B) be obligated to permit such renewal if it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions set forth in Section 4.02 is not then satisfied, and in each such case directing the applicable Issuing Bank not to permit such renewal.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursement; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower and the

Administrative Agent thereof, and such Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. If an Issuing Bank notifies the Borrower of any payment by such Issuing Bank under a Letter of Credit, then the Borrower shall reimburse such Issuing Bank in an amount equal to the amount of such drawing not later than 3:00 p.m. (New York City time, in the case of drawings in Dollars, or London time, in the case of drawings in an Alternative Currency) on the next succeeding Business Day. If the Borrower fails to so reimburse such Issuing Bank by such time, such Issuing Bank shall promptly notify the Administrative Agent of such failure and the Administrative Agent shall promptly thereafter notify each Revolving Lender of such payment date, the amount of the unreimbursed drawing (expressed in the Dollar Amount thereof in the case of an Alternative Currency) (the “**Reimbursement Obligations**”) and the amount of such Lender’s Pro Rata Share thereof. In such event, (x) the Borrower shall be deemed to have requested a Revolving Loan Borrowing of Base Rate Loans to be disbursed on such date in an amount equal to such Reimbursement Obligation, without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans and (y) in the case of Reimbursement Obligations denominated in an Alternative Currency (but expressed in its Dollar Amount), the Borrower shall be deemed to have requested on behalf of the applicable Revolving Lender a Revolving Loan Borrowing of (i) prior to the Amendment No. 4 Effective Date, Eurocurrency Rate Loans in Dollars and (ii) on and after the Amendment No. 4 Effective Date, SOFR Loans denominated in Dollars, in each case, to be disbursed on such date in an amount equal to (A) the Dollar Amount of such Reimbursement Obligation, plus (B) in the case of any Reimbursement Obligation denominated in any Alternative Currency (but expressed in its Dollar Amount), an additional amount equal to the amount required to convert Dollars into the currency of the unreimbursed drawing, without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans, but subject to the aggregate unused Revolving Commitments and the conditions set forth in Section 4.02 (other than delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this clause (i) shall be given in writing.

(ii) Each Revolving Lender (including each Revolving Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.04(c)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable Issuing Bank, in Dollars or the applicable Alternative Currency, at the Administrative Agent’s Office in an amount equal to its Pro Rata Share of the relevant Reimbursement Obligation not later than 3:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.04(c)(iii), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is (A) in the case of a Letters of Credit denominated in Dollars, a Base Rate Loan and (B) in the case of Letters of Credit denominated in an Alternative Currency, a Eurocurrency Rate Loan in such Alternative Currency with an Interest Period of one month, in each case to the Borrower in such amount *plus*, in the case of any Reimbursement Obligation denominated in any Alternative Currency (but expressed in its Dollar Amount), an additional amount equal to the amount required to convert Dollars into the currency of the unreimbursed drawing. The Administrative Agent shall remit the funds so received to the applicable Issuing Bank in accordance with the instructions provided to the Administrative Agent by such Issuing Bank (which instructions may include standing payment instructions, which may be updated from time to time by such Issuing Bank, *provided* that, unless the Administrative Agent shall otherwise agree, any such update shall not take effect until the Business Day immediately following the date on which such update is provided to the Administrative Agent).

(iii) With respect to any Reimbursement Obligation that is not fully refinanced by a Revolving Loan Borrowing of Base Rate Loans for Letters of Credit denominated in Dollars or Eurocurrency Rate Loans for Letters of Credit denominated in an Alternative Currency, as the case may be, because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Bank a Letter of Credit Borrowing in the amount of the Reimbursement Obligation that is not so refinanced *plus*, in the case of any Reimbursement Obligation denominated in an Alternative Currency (but expressed in its Dollar Amount), an additional amount equal to the amount required to convert Dollars into the currency of the unreimbursed drawing, which Letter of Credit Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to Revolving Loans that are Base Rate Loans. In such event, each Revolving Lender's payment to the Administrative Agent for the account of such Issuing Bank pursuant to Section 2.04(c)(i) shall be deemed payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a Letter of Credit Advance from such Lender in satisfaction of its participation obligation under this Section.

(iv) Until each Revolving Lender funds its Revolving Loan or Letter of Credit Advance to reimburse the applicable Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such Issuing Bank.

(v) Each Revolving Lender's obligations to make Revolving Loans or Letter of Credit Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.04(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such Issuing Bank, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this paragraph (c) is subject to the conditions set forth in Section 4.02. No such funding of a participation in any Letter of Credit shall relieve or otherwise impair the obligation of the Borrower to reimburse an Issuing Bank for the amount of any payment made by such Issuing Bank under such Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this paragraph (c) by the time specified in Section 2.04(c)(ii), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate *per annum* equal to the greater of the Federal Funds Rate from time to time in effect and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation, *plus* any reasonable administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Borrowing or Letter of Credit Advance in respect of the relevant Letter of Credit Borrowing, as the case may be. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) If, at any time after the applicable Issuing Bank has made payment in respect of any drawing under any Letter of Credit issued by it and has received from any Revolving Lender its Letter of Credit Advance in respect of such payment in accordance with Section 2.04(c), if the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Reimbursement Obligation or, in the case of any Reimbursement Obligation denominated in any Alternative Currency (but expressed in its Dollar Amount), an additional amount equal to the amount required to convert Dollars into the currency of the unreimbursed drawing or, in each case, interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's Letter of Credit Advance was outstanding) in like funds as received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the applicable Issuing Bank pursuant to Section 2.04(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Revolving Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Pro Rata Share thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Revolving Lenders under this clause (ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the Issuing Banks for each drawing under each Letter of Credit and to repay each Letter of Credit Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit or any term or provision thereof, any Loan Document, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Issuing Banks or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by an Issuing Bank under such Letter of Credit against presentation of documents that do not comply strictly with the terms of such Letter of Credit; or any payment made by an Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor in possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the Obligations of the Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against any Issuing Bank and its correspondents unless such notice is given as aforesaid.

(f) **Role of Issuing Banks.** Each Revolving Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the Issuing Banks shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by such Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any document or the authority of the Person executing or delivering any document. None of any Issuing Bank, any Agent Affiliate nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the requisite Revolving Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts of omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Agent Affiliate nor any of the respective correspondents, participants or assignees of the Issuing Banks shall be liable or responsible for any of the matters described in Section 2.04(e); *provided* that, notwithstanding anything in such clauses to the contrary, the Borrower may have a claim against an Issuing Bank, and an Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct (as opposed to indirect, special, punitive, consequential or exemplary) damages suffered by the Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such Issuing Bank's gross negligence or willful misconduct or such Issuing Bank's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a document(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the applicable Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Issuing Banks shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Banks may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication (SWIFT) message or overnight courier, or any other commercially reasonable means of communication with a beneficiary.

(g) **Applicability of ISP.** Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a standby Letter of Credit is issued, the rules of the "International Standby Practices 1998" published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to such standby Letter of Credit.

(h) Conflict with Letter of Credit Application. In the event of any conflict between the terms of this Agreement and the terms of any Letter of Credit Application, the terms hereof shall control.

(i) Reporting. Each day (or at such other intervals as the Administrative Agent and the applicable Issuing Bank shall agree), the applicable Issuing Bank shall provide to the Administrative Agent a schedule of the Letters of Credit issued by it, in form and substance reasonably satisfactory to the Administrative Agent, showing the date of issuance of each Letter of Credit, the account party, the original face amount (if any), the expiration date, and the reference number of any Letter of Credit outstanding at any time during such month, and showing the aggregate amount (if any) payable by the Borrower to such Issuing Bank during such month.

(j) [Reserved].

(k) Resignation and Removal of an Issuing Bank. Any Issuing Bank may resign as an Issuing Bank upon sixty days' prior written notice to the Administrative Agent, the Lenders and the Borrower. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the Issuing Bank being replaced (*provided* that no consent will be required if the Issuing Bank being replaced has no Letters of Credit or Reimbursement Obligations with respect thereto outstanding) and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank. From and after the effective date of any such replacement or resignation, (i) any successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced or resigning Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit.

(l) Cash Collateral Account. At any time and from time to time (i) after the occurrence and during the continuance of an Event of Default, the Administrative Agent, at the direction or with the consent of the Required Lenders, may require the Borrower, to deliver to the Administrative Agent such amount of cash as is equal to 103% of the aggregate Stated Amount of all Letters of Credit at any time outstanding (whether or not any beneficiary under any Letter of Credit shall have drawn or be entitled at such time to draw thereunder) and (ii) in the event of a prepayment under Section 2.07(b)(iv) or to the extent any amount of a required prepayment under any of Sections 2.07(b)(i) through 2.07(b)(iii) remains after prepayment of all outstanding Loans and Letter of Credit Obligations and termination of the Commitments, as contemplated by Section 2.07(d), the Administrative Agent will retain such amount as may then be required to be retained, such amounts in each case under clauses (i) and (ii) above to be held by the Administrative Agent in a Cash Collateral Account. The Borrower hereby grants (or, if registration thereof is required in any applicable jurisdiction, shall grant) to the Administrative Agent, for the benefit of the Issuing Banks and the Lenders, a Lien upon and security interest in the Cash Collateral Account and all amounts held therein from time to time as security for Letter of Credit Usage, and for application to the Borrower's Letter of Credit Obligations as and when the same shall arise. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest on the investment of such amounts in Cash Equivalents, which investments shall be made at the direction of the Borrower (unless an Event of Default shall have occurred and be continuing, in which case the determination as to investments shall be made at the option and in the discretion of the Administrative Agent), amounts in the Cash Collateral Account shall not bear interest. Interest and profits, if any, on such

investments shall accumulate in such account. In the event of a drawing, and subsequent payment by the applicable Issuing Bank, under any Letter of Credit at any time during which any amounts are held in the Cash Collateral Account, the Administrative Agent will deliver to such Issuing Bank an amount equal to the Reimbursement Obligation created as a result of such payment (or, if the amounts so held are less than such Reimbursement Obligation, all of such amounts) to reimburse such Issuing Bank therefor. Any amounts remaining in the Cash Collateral Account after the expiration of all Letters of Credit and reimbursement in full of each Issuing Bank for all of its obligations thereunder shall be held by the Administrative Agent, for the benefit of the Borrower, to be applied against the Obligations in such order and manner as the Administrative Agent may direct. If the Borrower is required to provide Cash Collateral pursuant to this Section 2.04(l), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower on demand, *provided* that after giving effect to such return (A) the sum of (1) the aggregate principal dollar amount of all Revolving Loans outstanding at such time and (2) the aggregate Letter of Credit Usage at such time would not exceed the aggregate Revolving Commitments at such time and (B) no Event of Default shall have occurred and be continuing at such time. If the Borrower is required to provide Cash Collateral pursuant to Sections 2.07(b)(i) through 2.07(b)(ii), as contemplated by Section 2.07(d), such amount shall be returned to the Borrower on demand; *provided* that, after giving effect to such return, all outstanding Letters of Credit shall have expired and each Issuing Bank shall have been reimbursed in full for all of its obligations thereunder. If the Borrower is required to provide Cash Collateral as a result of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(m) Addition of an Issuing Bank. One or more Revolving Lenders (other than a Defaulting Lender) selected by the Borrower that agrees to act in such capacity and reasonably acceptable to the Administrative Agent may become an additional Issuing Bank hereunder pursuant to a written agreement in form and substance reasonably satisfactory to the Administrative Agent among the Borrower, the Administrative Agent and such Revolving Lender. The Administrative Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

SECTION 2.05 Conversion/Continuation.

(a) Each conversion of Loans from one Type to another, and each continuation of Eurocurrency Rate Loans or SOFR Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may only be given in writing; *provided* that Revolving Loans denominated in an Alternative Currency may not be converted into Base Rate Loans or SOFR Loans. Each such notice must be received by the Administrative Agent not later than 1:00 p.m. (New York City time) on the requested date of any conversion of Eurocurrency Rate Loans or SOFR Loans to Base Rate Loans and not later than 2:00 p.m. (New York City time, in the case of Loans denominated in Dollars, or London time, in the case of Loans denominated in an Alternative Currency) three Business Days prior to the requested date of continuation of any Eurocurrency Rate Loans or SOFR Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans or SOFR Loans. Each notice by the Borrower pursuant to this Section 2.05(a) must be delivered to the Administrative Agent in the form of a Conversion/Continuation Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each conversion to or continuation of SOFR Loans or Eurocurrency Rate Loans denominated in Dollars shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each conversion of Eurocurrency Rate Loans denominated in an Alternative Currency shall be in a Dollar Amount of \$500,000 or a whole multiple of a Dollar Amount of \$100,000 in excess thereof. Each conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Conversion/Continuation Notice shall specify (i) whether the Borrower is requesting a conversion of Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans or SOFR Loans, as applicable, (ii) the requested date of the conversion or continuation, as the case may be (which

shall be a Business Day), (iii) the principal amount of Loans to be converted or continued, (iv) the Class of Loans to be converted or continued, (v) the Type of Loans to which such existing Loans are to be converted, if applicable, and (vi) if applicable, the duration of the Interest Period with respect thereto. If (x) with respect to any Eurocurrency Rate Loans or SOFR Loans denominated in Dollars, the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be converted to Base Rate Loans and (y) with respect to any Eurocurrency Rate Loans denominated in any Alternative Currency, the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable tranche of Loans shall be converted to a Eurocurrency Rate Loan with an Interest Period of one month. Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans or SOFR Loans. If the Borrower requests a conversion to, or continuation of Eurocurrency Rate Loans or SOFR Loans, as applicable, in any such Conversion/Continuation Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Conversion/Continuation Notice, the Administrative Agent shall promptly notify each applicable Lender of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation of Loans described in Section 2.05(a).

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan or SOFR Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan or SOFR Loan, as applicable. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans denominated in Dollars may be converted to or continued as (i) prior to the Amendment No. 4 Effective Date, Eurocurrency Rate Loans or (ii) on and after the Amendment No. 4 Effective Date, SOFR Loans. This Section shall not apply to Swing Line Loans, which may not be converted or continued.

SECTION 2.06 Availability. (a) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the applicable Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.06(a) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's applicable Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(b) Unless the Administrative Agent shall have received notice from a Lender holding Delayed Draw Commitments prior to the date of any Borrowing of Delayed Draw Term Loans that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing, and the Administrative Agent may in its sole discretion, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. In the event that the Administrative Agent has elected to make available to the Borrower any portion of the Delayed Draw Term Loans and any Lender with a Delayed Draw Commitment has failed to fund its portion thereof on the date and time required by this Agreement (any such Lender, the "**Unfunded DDTL Commitment Lender**", any such Delayed Draw Term Loans provided by the Administrative Agent, the "**Fronted Delayed Draw Term Loans**"), until the time that such Unfunded DDTL Commitment Lender has funded its portion of any Fronted Delayed Draw Term Loans and reimbursed the Administrative Agent, the Administrative Agent shall be entitled to receive any interest accruing applicable to such unfunded Fronted Delayed Draw Term Loans and shall be entitled to retain the Delayed Draw Upfront Fee applicable to such Delayed Draw Commitments. Upon funding by the relevant Unfunded DDTL Commitment Lender of any Fronted Delayed Draw Term Loans, (x) the proceeds of such funded Fronted Delayed Draw Term Loans shall be retained by the Administrative Agent, (y) the Administrative Agent shall remit the Delayed Draw Upfront Fee to such Unfunded DDTL Commitment Lender and (z) interest applicable to such funded Fronted Delayed Draw Term Loans commencing with the date of such funding shall accrue to such Unfunded DDTL Commitment Lender. Additionally, if any Unfunded DDTL Commitment Lender becomes a Defaulting Lender, then such Unfunded DDTL Commitment Lender's Fronted Delayed Draw Term Loans may be assigned (or in if the Unfunded DDTL Commitment Lender becomes a Defaulting Lender pursuant to clause (d) of the definition thereof, shall be assigned) to the Administrative Agent without any further action by any party and the Administrative Agent shall be the "Lender" with respect to such Fronted Delayed Draw Term Loans for all purposes hereof and the Administrative Agent shall be entitled to retain the Delayed Draw Upfront Fee. Each Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent's discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause. To the extent that the Administrative Agent has funded Fronted Delayed Draw Term Loans on behalf of any Unfunded DDTL Commitment Lender, such Unfunded DDTL Commitment Lender shall not constitute a Defaulting Lender pursuant to clause (a) of the definition thereof.

SECTION 2.07 Prepayments.

(a) Optional.

(i) The Borrower may, upon notice to the Administrative Agent in the form of a Prepayment Notice, at any time or from time to time, voluntarily prepay the Loans in whole or in part without premium or penalty, subject to clause (D) below; *provided that*:

(A) such Prepayment Notice must be received by the Administrative Agent (1) not later than 1:00 p.m. (New York City time, in the case of Loans denominated in Dollars, or London time, in the case of Loans denominated in an Alternative Currency) three Business Days prior to any date of prepayment of Eurocurrency Rate Loans or SOFR Loans, (2) not later than 1:00 p.m. (New York City time) one Business Day prior to any date of prepayment of Base Rate Loans and (3) not later than 1:00 p.m. (New York City time) one Business Day prior to any date of prepayment of Swing Line Loans;

(B) any prepayment of (x) SOFR Loans or Eurocurrency Rate Loans denominated in Dollars shall be in a principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding, and (y) Eurocurrency Rate Loans denominated in an Alternative Currency, shall be in a principal Dollar Amount of \$1,000,000 or a whole multiple of the Dollar Amount of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding;

(C) any prepayment of Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding (it being understood that Base Rate Loans shall be denominated in Dollars only); and

(D) any prepayment of Initial Term Loans or Delayed Draw Term Loans made on or prior to the date that is six months after the Closing Date shall be accompanied by the payment of the fee described in Section 2.11(g), if applicable; notwithstanding anything herein to the contrary, none of the Initial Term Loans, Delayed Draw Term Loans or the 2021 Incremental Term Loans may be prepaid at the option of the Borrower prior to the First Prepayment Date.

Each Prepayment Notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid, and the payment amount specified in each Prepayment Notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of a Prepayment Notice and of the amount of such Lender's Pro Rata Share of such prepayment; *provided*, "non-consenting" Lenders may be repaid on a non-pro rata basis in connection with an Extension Offer or a Refinancing Amendment. Any prepayment of Loans shall be subject to Section 2.07(c). Revolving Loans, Incremental Revolving Loans and Swing Line Loans prepaid pursuant to this subsection (a) may be reborrowed, subject to the terms and conditions of this Agreement.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind, in whole or in part, any notice of prepayment under Section 2.07(a)(i), if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility which refinancing shall not be consummated or shall otherwise be delayed.

(iii) Voluntary prepayments of Term Loans permitted hereunder shall be applied in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity).

(iv) Notwithstanding anything in any Loan Document to the contrary (including Section 2.15), (A) the Borrower may prepay the outstanding Term Loans of any Lender on a non-*pro rata* basis at or below par with the consent of only such Lender and (B) the Borrower may prepay Term Loans of one or more Classes below par on a non-*pro rata* basis in accordance with the auction procedures set forth on Exhibit L; *provided* that, in each case, no Event of Default has occurred and is continuing or would result therefrom and if the proceeds of any Revolving Loans are used to finance such prepayment, immediately after giving effect to such prepayment and on a Pro Forma Basis for such prepayment, the Borrower's Liquidity equals or exceeds an amount equal to 33% of the Revolving Commitments (whether or not drawn) as of the date of determination.

(b) Mandatory.

(i) Excess Cash Flow. Within five Business Days after financial statements have been delivered or are required to be delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered or is required to be delivered pursuant to Section 6.02(a), in each case, commencing with the first full fiscal year ending after the Closing Date, the Borrower shall, subject to Sections 2.07(b)(v) and (b)(vi), prepay an aggregate principal amount of Term Loans equal to,

(A) the ECF Prepayment Percentage of Excess Cash Flow, if any, for the fiscal year covered by such financial statements, minus

(B) the sum of,

(1) all voluntary prepayments of Term Loans and any other term loans that are Pari Passu Lien Debt (including (x) those made through debt buybacks and in the case of below-par repurchases in an amount equal to the discounted amount actually paid in cash in respect of such below-par repurchase and (y) payments pursuant to Section 3.07 or other applicable “yank-a-bank” provisions (solely to the extent any Term Loans or other Pari Passu Lien Debt is retired instead of assigned)),

(2) all voluntary payments and prepayments of Revolving Loans and any other revolving loans that are Pari Passu Lien Debt, in each case to the extent accompanied by a corresponding permanent reduction in commitments,

(3) all voluntary prepayments of Junior Lien Debt,

(4) all voluntary prepayments of Indebtedness secured by Liens on Excluded Assets, and

(5) all voluntary prepayments of Indebtedness of Restricted Subsidiaries that are not Subsidiary Guarantors,

in each case, (I) during such fiscal year or following the end of such fiscal year and prior to the date of such calculation (*provided* that, with respect to any such amount following the end of such fiscal year, such amount is not included in any calculation pursuant to this clause (b)(i) for the subsequent fiscal year), (II) to the extent such prepayments are not funded with the proceeds of Funded Debt and (III) including, for the avoidance of doubt, assignments of such Indebtedness to the Borrower or a Restricted Subsidiary (and prepayments of such Indebtedness below par) to the extent of the amount paid in connection with such assignment (or prepayment); *provided* that no such payment shall be required if such amount is equal to or less than \$10,000,000; *provided further* that if at the time that any such prepayment would be required, the Borrower is required to repay or repurchase or to offer to repurchase or repay Pari Passu Lien Debt pursuant to the terms of the documentation governing such Indebtedness with all or a portion of such Excess Cash Flow (such Pari Passu Lien Debt required to be repaid or repurchased or to be offered to be so repaid or repurchased, “**Other Applicable ECF Indebtedness**”), then the Borrower may apply such Excess Cash Flow on a *pro rata* basis to the prepayment of the Term Loans and to the repayment or re-purchase of Other Applicable ECF Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.07(b)(i) shall be reduced accordingly (for purposes of this proviso *pro rata* basis shall be determined on the basis of the aggregate outstanding

principal amount of the Term Loans and Other Applicable ECF Indebtedness at such time, with it being agreed that the portion of Excess Cash Flow allocated to the Other Applicable ECF Indebtedness shall not exceed the amount of such Excess Cash Flow required to be allocated to the Other Applicable ECF Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Term Loans in accordance with the terms hereof).

(ii) Asset Sales; Casualty Events. If the Borrower or any Loan Party,

(A) Disposes of any property or assets constituting Collateral pursuant to the General Asset Sale Basket, or

(B) any Casualty Event occurs with respect to property or assets constituting Collateral,

which in either case results in the realization or receipt by the Borrower or such Loan Party of Net Cash Proceeds, the Borrower shall prepay on or prior to the date which is ten Business Days after the date of the realization or receipt of such Net Cash Proceeds in excess of \$10,000,000 for any transaction or series of related transactions, subject to Sections 2.07(b)(v) and 2.07(b)(vi), an aggregate principal amount of Term Loans equal to the Asset Sale Prepayment Percentage of such Net Cash Proceeds realized or received; *provided* that if at the time that any such prepayment would be required, the Borrower is required to repay or repurchase or to offer to repurchase or repay Pari Passu Lien Debt pursuant to the terms of the documentation governing such Indebtedness with the proceeds of such Disposition or Casualty Event (such Pari Passu Lien Debt required to be repaid or repurchased or to be offered to be so repaid or repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Cash Proceeds on a *pro rata* basis to the prepayment of the Term Loans and to the repayment or repurchase of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.07(b)(ii) shall be reduced accordingly (for purposes of this proviso *pro rata* basis shall be determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time, with it being agreed that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Term Loans in accordance with the terms hereof); *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided, further*, that no prepayment shall be required pursuant to this Section 2.07(b)(ii) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with this Section 2.07(b)(ii).

With respect to any Net Cash Proceeds realized or received with respect to any Disposition or any Casualty Event that, in either case, is subject to the application of the foregoing provisions of this Section 2.07(b)(ii), at the option of the Borrower or any of its Restricted Subsidiaries, the Borrower or any of its Restricted Subsidiaries may (in lieu of making a prepayment pursuant to the foregoing provisions) elect to (I) reinvest an amount equal to all or any portion of such Net Cash Proceeds in assets used or useful for the business of the Borrower and its Restricted Subsidiaries (1) within eighteen months following receipt of such Net Cash Proceeds or (2) if the Borrower or any of its Restricted Subsidiaries enters into a legally binding commitment to reinvest such Net Cash Proceeds within eighteen months following receipt of such Net Cash Proceeds, no later than one hundred and eighty days after the end of such eighteen month period; *provided* that if any

portion of such amount is no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, subject to Section 2.07(b)(v) and Section 2.07(b)(vi), an amount equal to the Asset Sale Prepayment Percentage of any such Net Cash Proceeds shall be applied within five Business Days after the Borrower or such Loan Party reasonably determines that such amount is no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans and Other Applicable Indebtedness as set forth above or (II) apply such Net Cash Proceeds to permanently repay indebtedness of Non-Loan Parties.

(iii) Indebtedness. If any of the Borrower or any Restricted Subsidiary incurs or issues any Funded Debt (A) which is not expressly permitted to be incurred or issued pursuant to Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness, the Borrower shall prepay an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five Business Days after the receipt of such Net Cash Proceeds (in the case of clause (A)) and substantially concurrently with the incurrence of such Credit Agreement Refinancing Indebtedness (in the case of clause (B)).

(iv) Revolving Loan Repayments. The Borrower shall from time to time prepay *first*, the Swing Line Loans and *second*, the Revolving Loans to the extent necessary so that the Total Utilization of Revolving Commitments shall not at any time exceed the Revolving Commitments then in effect; provided that, to the extent such excess amount is greater than the aggregate principal dollar amount of Swing Line Loans and Revolving Loans outstanding immediately prior to the application of such prepayment, the amount so prepaid shall be retained by the Administrative Agent and held in the Cash Collateral Account as cover for Letter of Credit Usage, as more particularly described in Section 2.04(l), and thereupon such cash shall be deemed to reduce the aggregate Letter of Credit Usage by an equivalent amount.

(v) Application of Payments. (A) Except as may otherwise be set forth in any Refinancing Amendment, Extension Amendment or any Incremental Amendment, each prepayment of Term Loans pursuant to Section 2.07(b)(i), (ii) or (iii) shall be applied ratably to each Class of Term Loans then outstanding (*provided* that any prepayment of Term Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt), (B) with respect to each Class of Loans (other than Revolving Loans or Swing Line Loans), each prepayment pursuant to clauses (i) through (iii) of this Section 2.07(b) shall be applied to remaining scheduled installments of principal thereof following the date of prepayment pursuant to Section 2.09 as directed by the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity of the remaining installments under the applicable Class of Loans), and (C) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment.

(vi) Foreign and Tax Considerations. Notwithstanding any other provisions of this Section 2.07(b),

(A) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.07(b)(ii) (a “**Foreign Disposition**”), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”) or Excess Cash Flow of a Foreign Subsidiary are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash

Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.07(b) but may be retained by the applicable Foreign Subsidiary so long as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to use its commercially reasonable efforts to promptly take all actions reasonably required by the applicable local law to permit such repatriation) and, if within 12 months of the applicable prepayment event, such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.07(b) to the extent provided herein, and

(B) to the extent that the Borrower has determined in good faith that repatriation to the United States of any or all of the Net Cash Proceeds of any Foreign Disposition or any Foreign Casualty Event or any or all of the Excess Cash Flow of a Foreign Subsidiary would have material adverse tax consequences (relative to the relevant Foreign Disposition, Foreign Casualty Event or Excess Cash Flow and taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; *provided* that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.07(b) (or such Excess Cash Flow would have been required to be applied to prepayments pursuant to this Section 2.07(b)), (1) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments (in the case of Net Cash Proceeds) and to such prepayments (in the case of Excess Cash Flow) as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount (the “**Netted Tax Amount**”) of additional taxes that would have been payable or reserved against it if such Net Cash Proceeds or Excess Cash Flow had been repatriated to the United States by such Foreign Subsidiary; *provided* that, in the case of this clause (1), to the extent that within 12 months of the applicable prepayment event, the repatriation of any Net Cash Proceeds or Excess Cash Flow from such Foreign Subsidiary would no longer have material adverse tax consequences (relative to the relevant Foreign Disposition, Foreign Casualty Event or Excess Cash Flow), such Foreign Subsidiary shall promptly repatriate an amount equal to the Netted Tax Amount to the Administrative Agent, which amount shall be applied to the pro rata prepayment of the Loans and Commitments pursuant to Section 2.07(d) or (2) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(vii) Mandatory Prepayment Procedures; Declining Lenders. The Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Loans pursuant to Section 2.07(b)(i), (ii), (iii) or (iv) three Business Days prior to the date on which such payment is due. Such notice shall state that the Borrower is offering to make or will make such mandatory prepayment on or before the date specified in Section

2.07(b)(i), (ii), (iii) or (iv), as the case may be (each, a “**Prepayment Date**”). Once given, such notice shall be irrevocable (*provided* that the Borrower may rescind any notice of prepayment if such prepayment would have resulted from a refinancing of all or any portion of the applicable Facility or been made in connection with a Disposition, which refinancing or Disposition shall not be consummated or shall otherwise be delayed) and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in Section 2.07(b)(vi) and in the last sentence of this Section 2.07(b)(vii)). Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment, the Prepayment Date and of such Lender’s Pro Rata Share of the prepayment. Each Lender may elect (in its sole discretion) to decline all (but not less than all) of its Pro Rata Share of any mandatory prepayment (other than any mandatory prepayment with the proceeds of any Credit Agreement Refinancing Indebtedness or a mandatory prepayment pursuant to Section 2.07(b)(iii)) by giving notice of such election in writing to the Administrative Agent by 11:00 a.m.(New York City time), on the date that is one Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a notice of election declining receipt of its Pro Rata Share of such mandatory prepayment to the Administrative Agent within the time frame specified above, any such failure will be deemed to constitute an acceptance of such Lender’s Pro Rata Share of the total amount of such mandatory prepayment of Term Loans. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower of such election. Subject to any requirements set forth in the Second Lien Credit Documents, any amount so declined by any Lender shall be retained by the Borrower and the Restricted Subsidiaries and/or applied by the Borrower or any of the Restricted Subsidiaries in any manner not inconsistent with the terms of this Agreement.

(c) Interest, Funding Losses, Etc. All prepayments under this Section 2.07 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurocurrency Rate Loan or a SOFR Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan or SOFR Loan, as applicable, pursuant to Section 3.05.

(d) Application of Prepayment Amounts. In the event that the obligation of the Borrower to prepay the Loans shall arise pursuant to subsection (b) above,

(i) *first*, the Borrower shall prepay the outstanding principal amount of the Term Loans in the amount of such prepayment obligation within the applicable time periods specified in subsection (b) above, with such prepayment to be applied in the manner set forth in Section 2.07(b)(v),

(ii) *second*, to the extent of any excess remaining after the prepayment as provided in clause (i) above, the Borrower shall prepay the outstanding principal amount of the Swing Line Loans, without a corresponding permanent reduction to the Revolving Commitments,

(iii) *third*, to the extent of any excess remaining after the prepayment as provided in clauses (i) and (ii) above, the Borrower shall prepay the outstanding principal amount of the Revolving Loans, without a corresponding permanent reduction to the Revolving Commitments, and

(iv) *fourth*, to the extent of any excess remaining after application as provided in clauses (i), (ii) and (iii) above, the Borrower shall pay any outstanding Reimbursement Obligations, and thereafter the Borrower shall Cash Collateralize the Letter of Credit Usage pursuant to Section 2.04(l).

Each payment or prepayment pursuant to the provisions of Section 2.07(b) shall be applied ratably among the Lenders of each Class holding the Loans being prepaid, in proportion to the principal amount held by each, and shall be applied as among the Term Loans or the Revolving Loans, as the case may be, being prepaid, (A) first, to prepay all Base Rate Loans and (B) second, to the extent of any excess remaining after application as provided in clause (A) above, to prepay all Eurocurrency Rate Loans (and as among Eurocurrency Rate Loans, (1) first to prepay those Eurocurrency Rate Loans, if any, having Interest Periods ending on the date of such prepayment, and (2) thereafter, to the extent of any excess remaining after application as provided in clause (1) above, to prepay any Eurocurrency Rate Loans in the order of the expiration dates of the Interest Periods applicable thereto) and all SOFR Loans (and as among SOFR Loans, (1) first to prepay those SOFR Loans, if any, having Interest Periods ending on the date of such prepayment, and (2) thereafter, to the extent of any excess remaining after application as provided in clause (1) above, to prepay any SOFR Loans in the order of the expiration dates of the Interest Periods applicable thereto) on a pro rata basis.

(e) Interest Period Deferrals. Notwithstanding any of the other provisions of this Section 2.07, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans or SOFR Loans is required to be made under this Section 2.07 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.07 in respect of any such Eurocurrency Rate Loan or SOFR Loan, as applicable, prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.07. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.07.

SECTION 2.08 Termination or Reduction of Commitments.

(a) Optional. The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one Business Day prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$1,000,000 or any whole multiple of \$1,000,000 in excess thereof or, if less, the entire amount thereof and (iii) the Borrower shall not terminate or reduce (A) the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.07, the Total Utilization of Revolving Commitments would exceed the total Revolving Commitments, (B) the Letter of Credit Sublimit if, after giving effect thereto, (1) the Letter of Credit Usage not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the Letter of Credit Sublimit or (2) the Letter of Credit Usage with respect to Letters of Credit issued by an applicable Issuing Bank not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the

amount of such Issuing Bank's Letter of Credit Percentage of the Letter of Credit Sublimit or (C) the Swing Line Sublimit, if after giving effect to any concurrent payment of Swing Line Loans in accordance with Section 2.07, the Total Utilization of Revolving Commitments with respect to Swing Line Loans would exceed the Swing Line Sublimit. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory.

(i) (A) The Initial Term Loan Commitment of each Lender shall be automatically and permanently reduced to \$0 upon the making of such Lender's Initial Term Loans pursuant to Section 2.01(a), (B) the Delayed Draw Commitment of each Lender shall be automatically and permanently reduced (x) by the aggregate principal amount of Delayed Draw Term Loans made from time to time by such Lender pursuant to Section 2.01(a) and (y) to \$0 upon the Delayed Draw Commitment Termination Date and (C) the Revolving Commitments shall terminate on the Revolving Commitment Termination Date.

(ii) If after giving effect to any reduction or termination of Revolving Commitments under this Section 2.08, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Commitments at such time, the Letter of Credit Sublimit or the Swing Line Sublimit, as the case may be, shall be automatically reduced by the amount of such excess.

(c) The Borrower may, upon notice to the Administrative Agent, terminate the Delayed Draw Commitments or from time to time permanently reduce the Delayed Draw Commitments; *provided* that (i) any such notice shall be received by the Administrative Agent not later than 1:00 p.m. three Business Days prior to the date of termination or reduction, (ii) any such notice shall be irrevocable, and (iii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof.

(d) Effect of Termination or Reduction. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Pro Rata Share of Commitments of such Class.

SECTION 2.09 Repayment of Loans.

(a) (i) the 2021 Incremental Term Loans shall not require any scheduled amortization payments prior to the Maturity Date therefor; *provided* that this clause (i) shall be amended, as it relates to any then-existing tranche of Term Loans to increase the amortization with respect thereto, in connection with the Borrowing of any Incremental Term Loans that constitute Pari Passu Lien Debt if and to the extent necessary so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans and to the extent possible, a "fungible" tranche, in each case, without the consent of any party hereto, and (z) such amendments shall not decrease any amortization payment to any Lender that would have otherwise been payable to such Lender prior thereto, and (ii) the Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for each Class of Term Loans, the aggregate principal amount of all such Term Loans outstanding on such date.

(b) The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders the outstanding principal amount of the Revolving Loans on the Revolving Commitment Termination Date.

(c) The Borrower shall repay to the Swing Line Lender (or, to the extent required by Section 2.03(c), to the Administrative Agent for the account of the Revolving Lenders) each Swing Line Loan made by the Swing Line Lender to the Borrower on the earlier to occur of (i) the date seven Business Days after such Swing Line Loan is made and (ii) the Maturity Date of the Revolving Loans; *provided*, on each date that a Revolving Loan is made, the Borrower shall repay all Swing Line Loans then outstanding. At any time there shall exist a Defaulting Lender that is a Revolving Lender, immediately upon the request of the Swing Line Lender, the Borrower shall repay the outstanding Swing Line Loans made by the Swing Line Lender to the Borrower in an amount sufficient to eliminate any Fronting Exposure in respect of the Swing Line Loans.

SECTION 2.10 Interest.

(a) Subject to the provisions of Section 2.10(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the Adjusted Eurocurrency Rate for such Interest Period plus the Applicable Rate, (ii) each SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to Adjusted Term SOFR for such Interest Period plus the Applicable Rate (iii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate *per annum* equal to the Base Rate plus the Applicable Rate and (iv) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate *per annum* equal to the Base Rate plus the Applicable Rate.

(b) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(c) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then upon the request of the Required Lenders such amount shall thereafter bear interest at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(d) Accrued and unpaid interest on the principal amount of all outstanding past due Obligations (including interest on past due interest) shall be due and payable upon demand.

(e) Interest on each Loan shall be due and payable (i) with respect to Base Rate Loans, in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein and (ii) with respect to Eurocurrency Rate Loans and SOFR Loans, at the end of each Interest Period in respect thereof, and, in any event, every three months. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding, under any Debtor Relief Law.

(f) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for any Eurocurrency Rate Loans and SOFR Loans upon determination of such interest rate. The determination of the Adjusted Eurocurrency Rate, the Eurocurrency Rate, Adjusted Term SOFR, Term SOFR and SOFR by the Administrative Agent shall be conclusive in the

absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the “prime rate” used in determining the Base Rate promptly following the public announcement of such change.

(g) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to a Refinancing Amendment or Extension, the number of Interest Periods otherwise permitted by this Section 2.10(g) shall increase by three Interest Periods for each applicable Class so established.

SECTION 2.11 Fees.

(a) The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing (including pursuant to the Engagement Letter and Agency Fee Letter) in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

(b) The Borrower agrees to pay to Lenders having Revolving Exposure:

(i) commitment fees for the period from and including the Closing Date to and including the Revolving Commitment Termination Date equal to (A) the average of the daily difference between (1) the Revolving Commitments and (2) the sum of (I) the aggregate principal amount of all outstanding Revolving Loans *plus* (II) the Letter of Credit Usage, *times* (B) the Applicable Commitment Fee; and

(ii) letter of credit fees with respect to all Letters of Credit (the “L/C Fee”) equal to (A) the Applicable Rate for Revolving Loans that are Eurocurrency Rate Loans (prior to the Amendment No. 4 Effective Date) or SOFR Loans (on and after the Amendment No. 4 Effective Date), *times* (B) the average aggregate daily maximum amount available to be drawn under all Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination and whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit).

All fees referred to in this Section 2.11(b) shall be paid to the Administrative Agent at the Administrative Agent’s Office and upon receipt, the Administrative Agent shall promptly distribute to each Lender its Pro Rata Share thereof.

(c) The Borrower agrees to pay directly to the applicable Issuing Bank, for its own account, the following fees:

(i) a fronting fee to be agreed by the Borrower and the applicable Issuing Bank (not to exceed 0.125% *per annum*) *times* the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) determined as of the close of business on any date of determination; and

(ii) such documentary and processing charges for any issuance, amendment, transfer or payment of a Letter of Credit as are in accordance with such Issuing Bank’s standard schedule for such charges and as in effect at the time of such issuance, amendment, transfer or

payment, as the case may be, which fees, costs and charges shall be payable to such Issuing Bank within three Business Days after its demand therefor and are nonrefundable.

Each payment of fees required above under this clause (c) on any Letters of Credit denominated in an Alternative Currency shall be made in Dollars.

(d) All fees referred to in Sections 2.11(b) and 2.11(c)(i) shall be payable quarterly in arrears on the last Business Day of each fiscal quarter of each year during the Revolving Commitment Period, commencing with the first full fiscal quarter ending after the Closing Date, and on the Revolving Commitment Termination Date; *provided* that any such fees accruing after the Revolving Commitment Termination Date shall be payable on demand.

(e) The Borrower agrees to pay on the Closing Date to each Lender party to this Agreement on the Closing Date, as fee compensation for the funding of such Lender's Initial Term Loan, a closing fee (the "**Closing Fee**") in an amount equal to 0.25% of the stated principal amount of such Lender's Term Loan made on the Closing Date. Such Closing Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and such Closing Fee shall be netted against Initial Term Loans (in the form of original issue discount) made by such Lender. In addition, with respect to each advance of Delayed Draw Term Loans made in accordance with Section 2.01(a), the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with a Delayed Draw Commitment, an upfront fee (the "**Delayed Draw Upfront Fee**") in an amount equal to 0.25% of the stated principal amount of such Delayed Draw Term Loans that are made on the date of such advance. Such Delayed Draw Upfront Fee will be in all respects fully earned, due and payable on the date on which such Delayed Draw Term Loans are made and shall be non-refundable thereafter, and such Delayed Draw Upfront Fee shall be netted against the Delayed Draw Term Loans (in the form of original issue discount) made by such Lender on such date.

(f) The Borrower agrees to pay to the Administrative Agent for its own account the fees payable in the amounts and at the times separately agreed upon.

(g) At the time of the effectiveness of any Repricing Event that is consummated during the period commencing on February 5, 2020 and ending on the day immediately prior to the date that is six months after February 5, 2020, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with Initial Term Loans or Delayed Draw Term Loans that are either repaid, converted or subjected to a pricing reduction in connection with such Repricing Event (including each Lender that withholds its consent to such Repricing Event and is replaced as a Non-Consenting Lender under Section 3.07), a fee in an amount equal to 1.0% of (i) in the case of a Repricing Event described in clause (a) of the definition thereof, the aggregate principal amount of all Initial Term Loans and Delayed Draw Term Loans prepaid (or converted) in connection with such Repricing Event and (ii) in the case of a Repricing Event described in clause (b) of the definition thereof, the aggregate principal amount of all Initial Term Loans and Delayed Draw Term Loans outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Event. Such fees shall be earned, due and payable upon the date of the effectiveness of such Repricing Event. Notwithstanding anything to the contrary herein or in any other Loan Document, each Lender hereby agrees to waive any amounts payable by the Borrower pursuant to Section 3.05 that would have resulted from a refinancing of this Agreement or a Repricing Event.

(h) The Borrower agrees to pay to Lenders (other than any Defaulting Lender) having Delayed Draw Commitments a ticking fee (the "**Delayed Draw Ticking Fee**") during the Delayed Draw Commitment Period, calculated in an amount equal to the average daily balance of the unfunded and outstanding Delayed Draw Commitments, multiplied by a *per annum* rate (calculated in accordance with Section 2.12) equal to (x) for any day in the period from and including the Closing Date to and including the date that is 45 days

after the Closing Date, 0%, (y) for any day in the period from and including the date that is 46 days after the Closing Date to and including the date that is 90 days after the Closing Date, 50% of the Eurocurrency Rate Spread (as specified in the definition of “Applicable Rate”) applicable to the Initial Term Loans, and (z) for any day in the period from and including the date that is 91 days after the Closing Date to but excluding the Delayed Draw Commitment Termination Date, 100% of the Eurocurrency Rate Spread (as specified in the definition of “Applicable Rate”) applicable to the Initial Term Loans. Subject to the following sentence, the Delayed Draw Ticking Fee shall accrue on unfunded and outstanding Delayed Draw Commitments from and including the last day on which the Delayed Draw Ticking Fee was paid (or if no such payment date has yet been made, from and including the Closing Date) and shall be due and payable in arrears on (i) each Interest Payment Date applicable to Base Rate Loans (regardless of whether any Base Rate Loans are outstanding) and (ii) the Delayed Draw Commitment Termination Date. The Delayed Draw Ticking Fee also shall be due and payable on each Delayed Draw Closing Date solely to the extent of the Delayed Draw Commitments funded as Delayed Draw Term Loans on such Delayed Draw Closing Date (and such payment shall not affect the accrual of the Delayed Draw Ticking Fee or timing of payment thereof on the remaining unfunded and outstanding Delayed Draw Commitments pursuant to the foregoing sentence).

SECTION 2.12 Computation of Interest and Fees. All computations of interest for Base Rate Loans calculated by reference to the “prime rate” and for the Delayed Draw Ticking Fee shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to [Section 2.10\(a\)](#), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.13 Evidence of Indebtedness.

(a) The Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as non-fiduciary agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence the relevant Class of such Lender’s Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to [Section 2.13\(a\)](#), and by each Lender in its account or accounts pursuant to [Section 2.13\(a\)](#), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the

Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.14 Payments Generally.

(a) All payments to be made by the Borrower shall be made on the date when due, in immediately available funds without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 1:00 p.m. (New York City time, in the case of any payment in Dollars, or London time, in the case of any payment in an Alternative Currency) on the date specified herein. If, for any reason, the Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, the Borrower shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office; *provided* that the proceeds of any borrowing of Revolving Loans to finance the reimbursement of a drawn Letter of Credit as provided in Section 2.04(c) shall be remitted by the Administrative Agent to the applicable Issuing Bank. All payments received by the Administrative Agent after 1:00 p.m. (New York City time, in the case of any payment in Dollars, or London time, in the case of any payment in an Alternative Currency) shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(c) Unless the Borrower has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder for the account of any Lender or any Issuing Bank, as applicable, that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to such Lender or such Issuing Bank. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then such Lender or such Issuing Bank, as applicable, shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or such Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or such Issuing Bank, as applicable, to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 10.07 are several and not joint.

The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 9.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of such of the outstanding Loans or other Obligations then owing to such Lender.

(h) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.03(c), 2.04(c), 2.06, 2.15 or 10.07, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent, the Swing Line Lender or the Issuing Banks, as applicable, to satisfy such Lender's obligations to the Administrative Agent, the Swing Line Lender and the Issuing Banks until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.15 Sharing of Payments, Etc. If, other than as expressly provided elsewhere herein, any Lender shall obtain payment in respect of any principal of or interest on account of the Loans of a particular Class made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such sub-participations in the participations in L/C obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each relevant Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including Section 2.07(a)(iv) and Section 11.07), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder or (C) any payment received by such Lender not in its capacity as a Lender. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law,

exercise all its rights of payment (including the right of setoff, but subject to Section 11.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.15 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.15 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.16 Incremental Borrowings.

(a) Notice. At any time and from time to time, on one or more occasions, the Borrower may, by notice to the Administrative Agent, (i) increase the aggregate principal amount of any outstanding tranche of Term Loans or add one or more additional tranches of term loans under the Loan Documents (the “**Incremental Term Facilities**” and the term loans made thereunder, the “**Incremental Term Loans**”) or (ii) increase the aggregate principal amount of Revolving Commitments or add one or more additional revolving loan facilities under the Loan Documents (the “**Incremental Revolving Facilities**” and the revolving loans and other extensions of credit made thereunder, the “**Incremental Revolving Loans**”); each such increase or tranche pursuant to clauses (i) and (ii), an “**Incremental Facility**” and the loans or other extensions of credit made thereunder, the “**Incremental Loans**”).

(b) Ranking. Incremental Facilities (i) may rank either *pari passu* or junior in right of payment with the Initial Term Loans, the Delayed Draw Term Loans and the initial Revolving Commitments, (ii) may either be unsecured or secured by the Collateral (or assets that become Collateral) (including secured by Liens that secure the Facilities on a *pari passu* or junior basis) and (iii) may be guaranteed only by the Loan Parties (or Persons that become Loan Parties).

(c) Size and Currency. Subject to Section 1.08, the aggregate principal amount of Incremental Facilities on any date Indebtedness thereunder is first incurred (or commitments with respect thereto are received (x) in the case of any Incremental Revolving Facility, assuming such commitments are fully drawn on such date, and (y) in the case of any Incremental Term Facility with a delayed draw feature, at the Borrower’s option either assuming any incremental commitments thereunder are fully drawn on such date or determined based on the date and actual amount of funding thereof), together with the aggregate principal amount of Incremental Equivalent Debt outstanding on such date, will not exceed, an amount equal to,

(i) the Fixed Incremental Amount, *plus*

(ii) the Ratio Amount, (the sum of the Fixed Incremental Amount and the Ratio Amount, the “**Incremental Amount**”).

Calculation of the Incremental Amount shall be made on Pro Forma Basis and evidenced by a certificate from a Responsible Officer of the Borrower demonstrating such calculation in reasonable detail. Each Incremental Amendment executed in connection with an Incremental Facility shall identify whether all or any portion of such Incremental Facility is being incurred pursuant to clauses (i) or (ii) above or a combination of such clauses. Each Incremental Facility will be in an integral multiple of \$1,000,000 and in an aggregate principal amount that is not less than \$10,000,000 (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the Incremental Amount at such time. Any Incremental Facility may be denominated in Dollars or in any Alternative Currency (and in the case of any Alternative Currency, the Dollar Amount thereof as of the date of incurrence (or, in the case of an LCA Election, as of

the applicable LCA Test Date) shall be controlling for purposes of determining compliance with the Incremental Amount, and the minimum amount and integral multiples shall be a Dollar Amount of \$10,000,000 or \$1,000,000, respectively (or, in each case, such lesser minimum amount approved by the Administrative Agent in its reasonable discretion)).

(d) Incremental Lenders. Incremental Facilities may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make, or provide commitments with respect to, an Incremental Loan) or by any Additional Lender. While existing Lenders may (but are not obligated to unless invited to and so elect) participate in any syndication of an Incremental Facility and may (but are not obligated to unless invited to and so elect) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication of, and will not have any right of first refusal or other right to provide all or any portion of, any Incremental Facility or Incremental Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, chose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be pro rata among existing Lenders). Final allocations in respect of Incremental Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.16; *provided* that the lenders providing the Incremental Facilities will be reasonably acceptable to the (i) Borrower, (ii) the Administrative Agent and (iii) solely with respect to any Incremental Revolving Facility, each Issuing Bank (except that, in the case of clauses (ii) and (iii), only to the extent such Person otherwise would have a consent right to an assignment of such loans or commitments to such lender, such consent not to be unreasonably withheld, conditioned or delayed). For the avoidance of doubt, any Affiliated Lender that provides any Incremental Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 11.07(h) (including the Affiliated Lender Term Loan Cap, as applicable).

(e) Incremental Facility Amendments; Use of Proceeds. Each Incremental Facility will become effective pursuant to an amendment (each, an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Person providing such Incremental Facility and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Borrower in consultation with the Administrative Agent, to effect the provisions of this Section 2.16 and, to the extent practicable, to make an Incremental Loan fungible (including for tax purposes) with other Loans (subject to the limitations under sub-clauses (g) and (h) of this Section) to the extent practicable. Without limiting the foregoing, an Incremental Amendment may (i) extend or add “call protection” to any existing tranche of Term Loans, including amendments to Section 2.11(g), and (ii) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.09(a) (*provided*, that any such amendment shall not decrease any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment), in the case of each clause (i) and (ii), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided*, that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Facility and the Incremental Term Loans evidenced thereby. This Section 2.16 shall supersede any provisions in Section 2.15 or 11.01 to the contrary. The Borrower may use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(f) Conditions. The availability of Incremental Facilities under this Agreement will be subject solely to the following conditions, subject, for the avoidance of doubt, to Section 1.08, measured on the date of the initial borrowing under such Incremental Facility (or, with respect to (x) any Incremental

Revolving Facility, the date commitments with respect thereto are received and (y) any Incremental Term Facility with a delayed draw feature, at the Borrower's option, either the date commitments with respect thereto are received or the date and amount of actual funding thereof):

(i) no Event of Default shall have occurred and be continuing or would result therefrom; *provided* that the condition set forth in this clause (i) may be waived or not required (other than with respect to Specified Events of Default) by the Persons providing such Incremental Facilities if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, a Permitted Investment; and

(ii) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects) immediately prior to, and after giving effect to, the incurrence of such Incremental Facility; *provided* that the condition set forth in this clause (ii) may be waived or not required (other than with respect to the Specified Representations) by the Persons providing such Incremental Facilities if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, a Permitted Investment.

(g) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Facility. The terms of each Incremental Facility will be as agreed between the Borrower and the Persons providing such Incremental Facility; *provided* that:

(i) the final maturity date of any such Incremental Term Loans will be no earlier than the Latest Maturity Date of the Initial Term Loans; *provided* that this clause shall not apply to the incurrence of any Incremental Term Loans pursuant to the Inside Maturity Exception;

(ii) the Weighted Average Life to Maturity of any such Incremental Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans; *provided* that this clause shall not apply to the incurrence of any Incremental Term Loans pursuant to the Inside Maturity Exception;

(iii) any mandatory prepayment of such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis in any mandatory repayments or prepayments of the Initial Term Loans, but not on a greater than *pro rata* basis to the Initial Term Loans (other than (A) any repayment of such Incremental Term Loans at maturity and (B) any greater than *pro rata* repayment of such Incremental Term Loans with the proceeds of Credit Agreement Refinancing Indebtedness with respect to a mandatory prepayment pursuant to Section 2.07(b)(iii) (B));

(iv) (A) to the extent secured, such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, shall not be secured by any Lien on any property or asset of the Borrower or any Guarantor that does not also secure the Term Loans or Revolving Loans, as applicable, at the time of such incurrence (except (1) customary cash collateral in favor of an agent, letter of credit issuer or similar "fronting" lender, (2) Liens on property or assets applicable only to periods after the Latest Maturity Date of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (3) any Liens on property or assets to the extent that a Lien on such property or asset is also added for the benefit of the Lenders under the Term Loans or Revolving Loans, as applicable) and (B) to the extent guaranteed, such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, shall not be incurred or guaranteed by any Loan Party other than the Borrower and the Guarantors (including any Person required to be a Guarantor) (except (1) for guarantees by other Persons that are applicable only to periods after the Latest Maturity Date

of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (2) any such Person incurring or guaranteeing such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, that also guarantees the Term Loans or Revolving Loans, as applicable); and

(v) except as otherwise set forth herein, all terms of any Incremental Revolving Facility shall be on terms and pursuant to documentation applicable to the Revolving Facility and all other terms of any Incremental Term Facility shall be on terms (including subordination terms, if applicable) and pursuant to documentation to be determined by the Borrower and the providers of the Incremental Term Facility; *provided* that the operational and agency provisions contained in such documentation shall be reasonably satisfactory to the Administrative Agent and the Borrower.

(h) Pricing. The interest rate, fees and original issue discount for any Incremental Term Loans will be as determined by the Borrower and the Persons providing such Incremental Term Loans; *provided* that in the event that the All-In Yield applicable to any Incremental Term Loans (other than any Excluded Incremental Term Loan (as defined below)) that are incurred during the first six months following the Closing Date and are secured on a *pari passu* basis with the Initial Term Loans exceeds the All-In Yield (taking into account the leverage-based pricing grid therein and any comparable leverage-based pricing grid applicable to such Incremental Term Loans) for the Initial Term Loans by more than 75 basis points, then the interest rate margins for the Initial Term Loans shall be increased to the extent necessary so that the All-In Yield for such Term Loans is equal to the All-In Yield for such Incremental Term Loans *minus* 75 basis points. “**Excluded Incremental Term Loan**” means any (i) Incremental Term Loans incurred in reliance on the Ratio Amount, (ii) Incremental Term Loans with a scheduled maturity date more than one years after the initial scheduled maturity date for the Initial Term Loans, (iii) Incremental Term Loans incurred in connection with a Permitted Investment, (iv) Incremental Term Loans in an original aggregate principal amount not to exceed the greater of (A) 50% of Closing Date EBITDA and (B) 50% of TTM Consolidated Adjusted EBITDA as of the applicable date of determination, (v) Incremental Term Loans that are not a syndicated “term loan b” facility or (vi) Incremental Term Loans that are not denominated in Dollars.

(i) Adjustments to Revolving Loans. Upon each increase in the Revolving Commitments pursuant to this Section 2.16,

(i) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an “**Incremental Revolving Facility Lender**”), and each such Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender’s participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (1) participations hereunder in Letters of Credit and (2) participations hereunder in Swing Line Loans held by each Revolving Lender will equal the percentage of the aggregate Revolving Commitments of all Lenders represented by such Revolving Lender’s Revolving Commitments; and

(ii) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Facility be prepaid from the proceeds of Incremental Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 3.05.

(j) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to Section 2.16.

SECTION 2.17 Refinancing Amendments.

(a) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans or Revolving Loans, in the form of Refinancing Loans or Refinancing Commitments made pursuant to a Refinancing Amendment.

(b) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions as may be requested by the providers of applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans or Revolving Loans subject thereto as Refinancing Term Loans or Refinancing Revolving Loans, respectively).

(c) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17. This Section 2.17 supersedes any provisions in Section 11.01 to the contrary.

(d) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender (subject to Section 11.07(h)). The lenders providing the Refinancing Loans will be reasonably acceptable to the (i) Borrower, (ii) the Administrative Agent and (iii) solely with respect to any Refinancing Revolving Loans, each Issuing Bank (except that, in the case of clauses (ii) and (iii), only to the extent such Person otherwise would have a consent right to an assignment of such loans or commitments to such lender, such consent not to be unreasonably withheld, conditioned or delayed).

SECTION 2.18 Extensions of Loans.

(a) Extension Offers. Pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans and/or Commitments pursuant to the terms set forth in an Extension Offer (each, an “**Extension**”). Each Extension Offer will specify the minimum amount of Loans and/or Commitments with respect to which an Extension Offer may be accepted, which (x) with respect to Loans and/or Commitments denominated in Dollars, will be an integral multiple of \$1,000,000 and an aggregate principal amount that is not less than \$5,000,000, or (y) with respect to Loans and/or Commitments denominated in any Alternative Currency, will be an integral multiple of the Dollar Amount of \$1,000,000 and an aggregate principal amount that is not less than the Dollar Amount of \$5,000,000 or, in each case, if less, (i) the aggregate principal amount of such Class of Loans outstanding or (ii) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount

thereof) and/or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans and/or Commitments offered to be extended pursuant to such Extension Offer, then the Loans and/or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans and/or Commitments of any or all applicable tranches be tendered.

(b) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (an “**Extension Amendment**”) as may be necessary or appropriate in order to establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (c) below as may be necessary or appropriate in the reasonable opinion of the Borrower, in consultation with the Administrative Agent, in connection with the establishment of such new tranches of Loans. This Section 2.18 shall supersede any provisions in Section 2.15 or 11.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(c) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(i) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans and/or Commitments subject to such Extension Offer;

(ii) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(iii) any Extended Loans that are Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of Term Loans other than any repayment of such Extended Loans at maturity or with the proceeds of Credit Agreement Refinancing Indebtedness; and

(iv) the covenants and events of default applicable to the Extended Loans and/or Extended Commitments are (A) substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such Extended Loans and/or Extended Commitments than, those applicable to the Loans and/or Commitments subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for covenants applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans) or (B) solely to the extent that any terms and conditions applicable to any such Extended Loans and/or Extended Commitments are not the same as, or substantially similar to, those then applicable to the Term Loans, shall otherwise reflect customary market terms and conditions at the time of such incurrence, including with respect to high yield debt securities to the extent applicable, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (*provided* that a certificate of a Responsible Officer delivered to the Administrative Agent at least four Business Days (or such shorter period

as may be agreed by the Administrative Agent) prior to the incurrence of such Extended Loans and/or Extended Commitments together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (iv) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided* that this clause (iii) will not apply to (w) terms addressed in the preceding clauses (i) through (iii), (x) interest rate, rate floors, fees, funding discounts and other pricing terms, (y) redemption, prepayment or other premiums, and (z) optional prepayment or redemption terms; *provided further* that the Borrower will promptly deliver to the Administrative Agent final copies of the definitive credit documentation relating to such Indebtedness (unless the Borrower is bound by a confidentiality obligation with respect thereto, in which case the Borrower will deliver a reasonably detailed description of the material terms and conditions of such Indebtedness in lieu thereof).

Any Extended Loans will constitute a separate tranche of Term Loans and/or Revolving Loans from the Term Loans and/or Revolving Loans held by Lenders that did not accept the applicable Extension Offer.

(d) Extension of Revolving Commitments. In the case of any Extension of Revolving Commitments and/or Revolving Loans, the following shall apply:

(i) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their Revolving Commitments, until the repayment of the Revolving Loans attributable to the non-extended Revolving Commitments on the relevant Maturity Date;

(ii) the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Letter of Credit or Swing Line Loan as between the Revolving Commitments of such new tranche and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Commitments has occurred;

(iii) no termination of extended Revolving Commitments and no repayment of extended Revolving Loans accompanied by a corresponding permanent reduction in extended Revolving Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a *pro rata* termination or permanent repayment (and corresponding *pro rata* permanent reduction), as applicable, of each other tranche of Revolving Loans and Revolving Commitments (or each other tranche of Revolving Commitments and Revolving Loans shall have otherwise been terminated and repaid in full);

(iv) the Maturity Date with respect to the Revolving Commitments may not be extended without the prior written consent of each Issuing Bank and the Swing Line Lender; and

(v) at no time shall there be more than five different tranches of Revolving Commitments.

If the Total Utilization of Revolving Commitments exceeds the Revolving Commitment as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Commitments while an extended tranche of Revolving Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(e) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.18 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.18 will not apply to any of the transactions effected pursuant to this Section 2.18.

SECTION 2.19 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.09 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to each Issuing Bank and the Swing Line Lender hereunder; *third*, to Cash Collateralize each Issuing Bank's Fronting Exposure with respect to such Defaulting Lender with respect to outstanding Letters of Credit (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) or the Swing Line Lender's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.19(d); *fourth*, as the Borrower may request (so long as no Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a Cash Collateral Account and released *pro rata* in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (B) Cash Collateralize each Issuing Bank's (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) or the Swing Line Lender's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit or Swing Line Loans, as applicable, issued under this Agreement, in accordance with Section 2.19(d); *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Event of Default shall have occurred and be continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (1) such payment is a payment of the principal amount of any Loans or Reimbursement Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share, and (2) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 (or, in the case of Delayed Draw Commitments and Delayed Draw Term Loans, Section 4.03) were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Reimbursement Obligations owed to, all

Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or Reimbursement Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.19(a)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.11(b) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender); *provided* such Defaulting Lender shall be entitled to receive fees pursuant to Section 2.11(b)(ii) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the Stated Amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.04.

(B) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Borrower shall (1) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swing Line Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iii) below, (2) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(iii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (A) the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (B) such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 11.25, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(iv) Cash Collateral. If the reallocation described in clause (iii) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize Issuing Bank's Fronting Exposure (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) in accordance with the procedures set forth in Section 2.04.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Swing Line Lender and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative

Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.04) whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

(c) New Swing Line Loans/Letters of Credit. So long as any Revolving Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) no Issuing Bank shall be required to issue, extend or amend any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) Cash Collateral. At any time that there shall exist a Defaulting Lender and Section 2.19(a)(iv) is applicable, within one Business Day following the written request of the Administrative Agent, any Issuing Bank (with a copy to the Administrative Agent) or the Swing Line Lender (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the applicable Issuing Bank's Fronting Exposure or the Swing Line Lender's Fronting Exposure, as the case may be, with respect to such Defaulting Lender (determined after giving effect to Section 2.04 and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(i) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Lenders (including the Swing Line Lender), and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letters of Credit and Swing Line Loans, to be applied pursuant to clause (ii) below. If at any time the Administrative Agent determines that the Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent, the Issuing Banks or the Lenders as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(ii) Application. Notwithstanding anything to the contrary contained in this Agreement, (A) Cash Collateral provided under this Section 2.19 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein and (B) Cash Collateral provided under this Section 2.19 in respect of Swing Line Loans shall be applied to the satisfaction of the Defaulting Lender's obligations to fund participations in respect of Swing Line Loans (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's or the Swing Line Lender's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.19 following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (B) the determination by the Administrative Agent, the applicable Issuing Bank or the Swing Line Lender, as the case may be, that there exists excess Cash Collateral; *provided* that, subject to the other provisions of this Section 2.19, the Person providing Cash Collateral and the applicable Issuing Bank or the Swing Line Lender, as the case may be, may agree that the Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; *provided further* that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

(e) Hedge Banks. So long as any Lender is a Defaulting Lender, such Lender shall not be a Hedge Bank with respect to any Secured Hedge Agreement entered into while such Lender was a Defaulting Lender.

SECTION 2.20 Currency Equivalents.

(a) The Administrative Agent shall determine the Dollar Amount of each Loan denominated in an Alternative Currency and Letter of Credit Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) as of the first day of each Interest Period applicable thereto, (ii) as of the end of each fiscal quarter of the Borrower and (iii) at any time while a Default or Event of Default has occurred and is continuing, and shall promptly notify the Borrower of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate as of such date.

(b) If after giving effect to any such determination of a Dollar Amount, the sum of the aggregate outstanding amount of the Revolving Loans denominated in Alternative Currencies and the Letter of Credit Obligations denominated in Alternative Currencies exceeds the aggregate Dollar Amount of Revolving Commitments then in effect, the Borrower shall, within five Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable Revolving Loans denominated in Alternative Currencies under the Revolving Facility or take other action as the Administrative Agent, in its discretion, may direct (including to Cash Collateralize the applicable Letter of Credit Obligations) to the extent necessary to eliminate any such excess.

SECTION 2.21 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto (and by its acceptance of its appointment in such capacity, each Lead Arranger) agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which, in accordance with normal banking procedures in the relevant jurisdiction, the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrower in respect of any sum due to any party hereto or any holder of the obligations owing hereunder (the "**Applicable Creditor**") shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than the currency in which such sum is stated to be due hereunder (the "**Agreement Currency**"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency

so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrower as a separate obligation and notwithstanding any such judgment, agrees to indemnify the Applicable Creditor against such loss. The obligations of the Borrower contained in this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

SECTION 2.22 Discontinuance of ICE LIBOR.

(a) Notwithstanding any provision of this Agreement or any other Loan Document to the contrary, regardless of whether ICE LIBOR is operational, reported, published on a synthetic basis or otherwise available in the market as of the Amendment No. 4 Effective Date, on and after the Amendment No. 4 Effective Date (a) no Eurocurrency Rate Loans denominated in Dollars shall be available, requested or made hereunder, (b) any request to convert an existing Loan denominated in Dollars to a Eurocurrency Rate Loan shall be ineffective and (c) any request for a new Eurocurrency Rate Loan denominated in Dollars, or to continue, renew, extend, reinstate or increase an existing Eurocurrency Rate Loan denominated in Dollars as a Eurocurrency Rate Loan, shall be ineffective.

(b) (i) From and after the Amendment No. 4 Effective Date, any Eurocurrency Rate Loans that are outstanding immediately prior to the Amendment No. 4 Effective Date (the “**Existing Eurocurrency Rate Loans**”) shall continue to bear interest at the Eurocurrency Rate until the end of the then-current Interest Period applicable to such Existing Eurocurrency Rate Loans and (ii) in accordance with Section 2.01(b) and Section 2.02(b), the Borrower shall deliver to the Administrative Agent a Committed Loan Notice prior to the end of such current Interest Period requesting a conversion of the Existing Eurocurrency Rate Loans to either SOFR Loans or Base Rate Loans; *provided* that (x) if the Borrower fails to specify a Type of Loan in such Committed Loan Notice or fails to give a timely notice requesting such conversion, then the Existing Eurocurrency Rate Loans shall be automatically converted to Base Rate Loans effective as of the last day of the Interest Period then in effect with respect to the Existing Eurocurrency Rate Loans and (y) if the Borrower requests a conversion to SOFR Loans in such Committed Loan Notice but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(a) Except as required by Law, any and all payments by the Borrower or any Guarantor to or for the account of any Agent, any Lender or Issuing Bank under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including additions to tax, penalties and interest) with respect thereto (“**Taxes**”). The following shall be “**Excluded Taxes**”: in the case of each Agent, each Lender and Issuing Bank, (i) Taxes imposed on or measured by net income (however denominated, and including branch profits and similar Taxes), and franchise or similar Taxes, in each case, that are (A) imposed by the jurisdiction under the laws of which it is organized or in which its principal office is located or, in the case of any Lender, in which its applicable Lending Office is located, or (B) Other Connection Taxes, (ii) any U.S. federal Tax that is (or would be) required to be withheld with respect to amounts payable hereunder in respect of an Eligible Assignee (pursuant to an assignment under Section 11.07) on the date it becomes an assignee to the extent such Tax is in excess of the Tax that would have been applicable had such assigning Lender not assigned its interest arising under any Loan Document (unless such assignment is at the express written request of the Borrower), (iii) U.S. federal withholding Taxes imposed on amounts payable to or for the account of a Lender, Agent or Issuing Bank with respect to an applicable interest in a Loan or Commitment pursuant to a Law in effect on the date on which (A) such Lender, Agent or Issuing Bank acquires such interest in the

Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 3.07) or (B) such Lender changes its Lending Office (other than at the written request of the Borrower to change such Lending Office), except in each case to the extent that pursuant to Section 3.01, amounts with respect to such Taxes were payable to such Lender's, Agent's or Issuing Bank's assignor immediately before such Lender, Agent or Issuing Bank became a party hereto, or to such Lender immediately before it changed its Lending Office, (iv) any U.S. federal withholding Taxes imposed as a result of the failure of any Agent, Lender or Issuing Bank to comply with the provisions of Sections 3.01(b), 3.01(c) and 3.01(d) (in the case of any Foreign Lender, as defined below) or the provisions of Section 3.01(e) (in the case of any U.S. Lender, as defined below), and (v) any Taxes imposed on any amount payable to or for the account of any Agent, Lender or Issuing Bank as a result of the failure of such recipient to satisfy the applicable requirements under FATCA to establish that such payment is exempt from withholding under FATCA. If an applicable Withholding Agent is required to deduct any Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any Loan Document to any Agent, any Lender or Issuing Bank, (i) except in the case of Excluded Taxes, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01(a)), each of such Agent, such Lender or Issuing Bank receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable Withholding Agent shall make such deductions, (iii) the applicable Withholding Agent shall pay the full amount deducted to the relevant taxing authority, and (iv) within thirty days after the date of any such payment by the Borrower or any Guarantor (or, if receipts or evidence are not available within thirty days, as soon as practicable thereafter), the Borrower or applicable Guarantor shall furnish to such Agent, Lender or Issuing Bank (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the Borrower or applicable Guarantor (or other evidence of payment reasonably satisfactory to the Administrative Agent). If the Borrower or Guarantor fails to pay any Taxes or Other Taxes when due to the appropriate taxing authority, then the Borrower or applicable Guarantor shall indemnify such Agent, such Lender and such Issuing Bank for any incremental Taxes that may become payable by such Agent, such Lender or such Issuing Bank arising out of such failure.

(b) To the extent it is legally able to do so, each Agent, Lender or Issuing Bank (including an Eligible Assignee to which a Lender assigns its interest in accordance with Section 11.07, unless such Eligible Assignee is already a Lender hereunder) that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code (each, a "**Foreign Lender**") agrees to complete and deliver to the Borrower and the Administrative Agent on or prior to the date on which the Foreign Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two accurate, complete and signed copies of whichever of the following is applicable: (i) IRS Form W-8BEN or Form W-8BEN-E certifying that it is entitled to benefits under an income tax treaty to which the United States is a party; (ii) IRS Form W-8ECI certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States; (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder of the Borrower described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrower within the meaning of Section 864(d) of the Code, a certificate to that effect in substantially the form attached hereto as Exhibit G (a "**Non-Bank Certificate**") and an IRS Form W-8BEN or Form W-8BEN-E, certifying that the Foreign Lender is not a United States person; (iv) to the extent a Foreign Lender is not the beneficial owner for U.S. federal income tax purposes, IRS Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by, as and to the extent applicable, an IRS Form W-8BEN, Form W-8BEN-E, Form W-8ECI, Non-Bank Certificate, Form W-9, Form W-8IMY (or other successor forms) and any other required supporting information from each beneficial owner (it being understood that a Foreign Lender need not provide certificates or supporting documentation from beneficial owners if (A) the Foreign Lender is a "qualified intermediary" or "withholding foreign partnership" for U.S. federal income tax purposes and (B) such Foreign Lender is as a result able to establish, and does establish, that payments to such Foreign Lender are, to the extent applicable, entitled to

an exemption from or, if an exemption is not available, a reduction in the rate of, U.S. federal withholding taxes without providing such certificates or supporting documentation); or (v) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(c) In addition, each such Foreign Lender shall, to the extent it is legally entitled to do so, (i) promptly submit to the Borrower and the Administrative Agent two accurate, complete and signed copies of such other or additional forms or certificates (or such successor forms or certificates as shall be adopted from time to time by the relevant taxing authorities) as may then be applicable or available to secure an exemption from or reduction in the rate of U.S. federal withholding tax (1) on or before the date that such Foreign Lender's most recently delivered form, certificate or other evidence expires or becomes obsolete or inaccurate in any material respect, (2) after the occurrence of a change in the Foreign Lender's circumstances requiring a change in the most recent form, certificate or evidence previously delivered by it to the Borrower and the Administrative Agent, and (3) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and (ii) promptly notify the Borrower and the Administrative Agent of any change in the Foreign Lender's circumstances that would modify or render invalid any claimed exemption or reduction. This Section 3.01(c) shall not apply to any reporting requirements under FATCA.

(d) If a payment made to a Lender under any Loan Document would be subject to tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Foreign Lender has complied with such Foreign Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.01(d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(e) Each Agent, Lender or Issuing Bank that is a "United States person" (within the meaning of Section 7701(a)(30) of the Code) (each, a "U.S. Lender") agrees to complete and deliver to the Borrower and the Administrative Agent two copies of accurate, complete and signed IRS Form W-9 or successor form certifying that such U.S. Lender is not subject to U.S. federal backup withholding tax (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete or inaccurate in any material respect, (iii) after the occurrence of a change in the U.S. Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(f) The Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise (in the nature of a documentary or similar tax), property, intangible, filing or mortgage recording taxes or charges or similar levies imposed by any Governmental Authority that arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that are Other Connection Taxes imposed in connection with an Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan

Document, except to the extent that any such change is requested in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(f) being hereinafter referred to as “**Other Taxes**”).

(g) If any Taxes or Other Taxes are directly asserted against any Agent, Lender or Issuing Bank with respect to any payment received by such Agent or Lender in respect of any Loan Document, such Agent, Lender or Issuing Bank may pay such Taxes or Other Taxes and the Borrower will promptly indemnify and hold harmless such Agent, Lender or Issuing Bank for the full amount of such Taxes (other than Excluded Taxes) and Other Taxes (and any Taxes (other than Excluded Taxes) and Other Taxes imposed on amounts payable under this Section 3.01), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted. Payments under this Section 3.01(g) shall be made within ten days after the date the Borrower receives written demand for payment from such Agent, Lender or Issuing Bank.

(h) A Participant shall not be entitled to receive any greater payment under this Section 3.01 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent or such entitlement to a greater payment results from a change in law that occurs after the Participant acquired the participation.

(i) If any Agent, any Lender or Issuing Bank determines, in its sole discretion, exercised in good faith, that it has received a refund in respect of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or any Guarantor, as the case may be, or with respect to which the Borrower or any Guarantor, as the case may be, has paid additional amounts pursuant to this Section 3.01, it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or any Guarantor under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses incurred by such Agent, such Lender or Issuing Bank and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower or applicable Guarantor, as the case may be, upon the request of such Agent, such Lender or Issuing Bank, agrees to repay the amount paid over to the Borrower or applicable Guarantor, as the case may be (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent, such Lender or Issuing Bank in the event such Agent, such Lender or Issuing Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will such Agent, Lender or Issuing Bank be required to pay any amount to the Borrower or applicable Guarantor pursuant to this paragraph (i) the payment of which would place such Agent, Lender or Issuing Bank in a less favorable net after-tax position than the indemnified party would have been in if the Tax or Other Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax or Other Tax had never been paid. Such Agent, such Lender or Issuing Bank, as the case may be, shall provide the Borrower upon request with a copy of any notice of assessment or other evidence reasonably available of the requirement to repay such refund received from the relevant Governmental Authority (*provided* that such Lender, such Agent or Issuing Bank may delete any information therein that such Lender, such Agent or Issuing Bank deems confidential or not relevant to such refund in its reasonable discretion). This subsection shall not be construed to require any Agent, any Lender or Issuing Bank to make available its tax returns (or any other information relating to its taxes that it reasonably deems confidential) to the Borrower, any Guarantor or any other Person.

(j) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (g) with respect to such Lender, it will, if requested by the Borrower in writing, use commercially reasonable efforts (subject to legal and regulatory restrictions) to mitigate the effect of any such event, including by designating another Lending Office for any Loan affected by such event and by completing

and delivering or filing any tax-related forms that such Lender is legally able to deliver and that would reduce or eliminate any amount of Taxes or Other Taxes required to be deducted or withheld or paid by the Borrower; *provided* that such efforts are made at the Borrower's expense and are on terms that, in the reasonable judgment of such Lender, do not cause such Lender or any of its Lending Offices to suffer any economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.01(j) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (g).

(k) Notwithstanding any other provision of this Agreement, the Borrower and the Administrative Agent may deduct and withhold any taxes required by any Laws (including, for the avoidance of doubt, FATCA) to be deducted and withheld from any payment under any of the Loan Documents, subject to the provisions of this Section 3.01.

(l) Each Agent or Lender, as applicable, shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any Taxes attributable to such Agent or Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.07(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Agent or Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Agent or Lender by the Administrative Agent shall be conclusive absent manifest error. Each Agent and Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Agent or Lender under any Loan Document or otherwise payable by the Administrative Agent to such Agent or Lender from any other source against any amount due to the Administrative Agent under this Section 3.01(l).

(m) The agreements in this Section 3.01 shall survive the resignation or replacement of the Administrative Agent, termination of this Agreement and the payment of the Loans and all other amounts payable hereunder and any assignment of rights by, or replacement of, any Lender.

SECTION 3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate or SOFR, or to determine or charge interest rates based upon the Eurocurrency Rate or SOFR, or, in the case of the Eurocurrency Rate, any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or any Alternative Currency in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or SOFR Loans, as applicable, or to convert Base Rate Loans to Eurocurrency Rate Loans or SOFR Loans, as applicable, shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Rate or Adjusted Term SOFR, as applicable, component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (A) with respect to Borrowings denominated in Dollars, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or SOFR Loans, as applicable, and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay

or, if applicable, convert all Eurocurrency Rate Loans or SOFR Loans, as applicable, of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or SOFR Loans, as applicable, to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans or SOFR Loans, as applicable, (B) with respect to Borrowings denominated in an Alternative Currency, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Rate Loans of such Lender to a Loan bearing interest at an alternative rate mutually acceptable to the Borrower and the applicable Lenders, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans; *provided, however*, that if the Borrower and the applicable Lenders cannot agree within a reasonable time on an alternative rate for such Loans, the Borrower may, at its discretion, either (x) prepay such Loans or (y) maintain such Loans outstanding, in which case, the interest rate payable to the applicable Lender on such Loans will be the rate determined by the Administrative Agent as its cost of funds to fund a Borrowing of such Loans with maturities comparable to the Interest Period applicable thereto plus the Applicable Margin or (C) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Adjusted Eurocurrency Rate or Adjusted Term SOFR, as applicable, component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate or SOFR, as applicable. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders reasonably determine that for any reason in connection with any request for a Eurocurrency Rate Loan or SOFR Loan or a conversion to or continuation thereof that (a) in the case of Eurocurrency Rate Loans, deposits in the applicable Alternative Currency are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurocurrency Rate Loan, (b) adequate and reasonable means do not exist (i) for determining the Adjusted Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, (ii) Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan or (iii) in connection with an existing or proposed Base Rate Loan or (c) (i) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or (ii) SOFR for any requested Interest Period with respect to a proposed SOFR Loan, in each case, does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans or SOFR Loans, as applicable, shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Adjusted Eurocurrency Rate or Adjusted Term SOFR component of the Base Rate, as applicable, the utilization of the Adjusted Eurocurrency Rate or Adjusted Term SOFR component, as applicable, in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) with respect to Borrowings denominated in Dollars, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or SOFR Loans, as applicable, or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein and (ii) with respect to Borrowings denominated in an Alternative Currency, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans and shall convert all such Eurocurrency Rate Loans of such Lender to a Loan

bearing interest at an alternative rate mutually acceptable to the Borrower and the applicable Lenders; provided, however, that if the Borrower and the applicable Lenders cannot agree within a reasonable time on an alternative rate for such Loans, the Borrower may, at its discretion, either (x) prepay such Loans or (y) maintain such Loans outstanding, in which case, the interest rate payable to the applicable Lender on such Loans will be the rate determined by the Administrative Agent as its cost of funds to fund a Borrowing of such Loans with maturities comparable to the Interest Period applicable thereto plus the Applicable Margin.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans and SOFR Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender, any Issuing Bank or the Swing Line Lender;

(ii) subject any Lender, any Issuing Bank or the Swing Line Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Eurocurrency Rate Loan or SOFR Loan made by it, or change the basis of taxation of payments to such Lender, Issuing Bank, or Swing Line Lender, as applicable, in respect thereof (except, in each case, for (A) Taxes with respect to which the Borrower is obligated to pay additional amounts or indemnity payments pursuant to Section 3.01, (B) any taxes and other amounts described in clauses (ii) through (v) of the second sentence of Section 3.01(a) that are imposed with respect to payments to or for the account of any Agent, any Lender, any Issuing Bank or the Swing Line Lender under any Loan Document, (C) Connection Income Taxes, and (D) Other Taxes); or

(iii) impose on any Lender, any Issuing Bank or the Swing Line Lender or the London interbank market any other condition, cost or expense affecting this Agreement, any Letter of Credit, any participation in a Letter of Credit or Eurocurrency Rate Loans or SOFR Loans made by such Lender or any Issuing Bank or the Swing Line Lender (other than with respect to Taxes) that is not otherwise accounted for in the definition of the Adjusted Eurocurrency Rate or Adjusted Term SOFR, as applicable, or this clause (a);

and the result of any of the foregoing shall be to increase the cost to such Lender, such Issuing Bank or the Swing Line Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate or SOFR or, in the case of a Change in Law with respect to Taxes, making or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, such Issuing Bank or such other Lender of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank (whether of principal, interest or any other amount)) then, from time to time within ten days after demand by such Lender or such Issuing Bank setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent) (provided that such calculation will not in any way require disclosure of confidential or price-sensitive information or any other information the disclosure of which is prohibited by law), the Borrower will pay to such Lender or such Issuing Bank such additional amount or amounts as will compensate such Lender or such Issuing Bank for such additional costs incurred or reduction suffered. No Lender, Issuing Bank or Swing Line Lender shall request that the Borrower pay any additional amount

pursuant to this Section 3.04(a) unless it shall concurrently make similar requests to other borrowers similarly situated and affected by such Change in Law and from whom such Lender, Issuing Bank or Swing Line Lender is entitled to seek similar amounts.

(b) Capital Requirements. If any Lender or any Issuing Bank reasonably determines that any Change in Law affecting such Lender or such Issuing Bank or any Lending Office of such Lender or such Issuing Bank or such Lender's or Issuing Bank's holding company, if any, regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or such Issuing Bank or the Loans made by or Letters of Credit issued by it to a level below that which such Lender or such Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to liquidity or capital adequacy), then from time to time upon demand of such Lender or such Issuing Bank setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent) (provided that such calculation will not in any way require disclosure of confidential or price-sensitive information or any other information the disclosure of which is prohibited by law), the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or their respective holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty days prior to the date that such Lender or such Issuing Bank notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurocurrency Rate Loans and SOFR Loans. The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities") or SOFR funds and deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan and each SOFR Loan, as applicable, equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan made to the Borrower; *provided* the Borrower shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 10 days from receipt of such notice.

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for

requesting such amount (provided that such calculation will not in any way require disclosure of confidential or price-sensitive information or any other information the disclosure of which is prohibited by law), the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost, liability or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurocurrency Rate Loan or SOFR Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07;

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 (i) with respect to the "floor" specified in the parenthetical in the first sentence of the definition of Adjusted Eurocurrency Rate, (ii) the Floor with respect to SOFR Loans or (iii) in connection with any prepayment of interest on Term Loans.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(b) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans or SOFR Loans, as applicable, from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans or SOFR Loans, as applicable, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Conversion of Eurocurrency Rate Loans and SOFR Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans or SOFR Loans, as applicable, no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans or SOFR Loans, as applicable, made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans or SOFR Loans, as

applicable, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurocurrency Rate Loans or SOFR Loans, as applicable, and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

SECTION 3.07 Replacement of Lenders Under Certain Circumstances. If (i) any Lender requests compensation under Section 3.04 or ceases to make Eurocurrency Rate Loans or SOFR Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and such Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.01(j), (iii) any Lender is a Non-Consenting Lender, (iv) any Lender does not accept an Extension Offer, (v) (A) any Lender shall become and continue to be a Defaulting Lender and (B) such Defaulting Lender shall fail to cure the default pursuant to Section 2.19(b) within five Business Days after the Borrower's request that it cure such default, (vi) any Lender becomes a Disqualified Lender or (vii) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided that*:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.07(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit and Swing Line Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts payable under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in Letters of Credit or Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided that* the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) in the case of any such assignment resulting from a Lender being a Non-Consenting Lender, the Eligible Assignee shall consent, at the time of such assignment, to each matter in respect of which such Lender being replaced was a Non-Consenting Lender; and

(g) such assignment does not conflict with applicable Laws.

Notwithstanding anything to the contrary contained above, any Lender that acts as an Issuing Bank may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 10.09.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders, Required Revolving Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender.**”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent or the Collateral Agent.

SECTION 3.09 Revolving Facility Benchmark Replacement Setting

Notwithstanding anything to the contrary herein or in any other Loan Document, solely with respect to the Revolving Facility:

(a) [Reserved].

(b) Replacing Benchmarks. Upon the occurrence of a Benchmark Transition Event, the applicable Benchmark Replacement will replace the applicable then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Revolving Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Revolving Lenders. At any time that the administrator of such then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Revolving Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower’s receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate

Loans. During the period referenced in the foregoing sentence, the component of Base Rate based upon such Benchmark will not be used in any determination of Base Rate, if applicable.

(c) Benchmark Replacement Conforming Changes. In connection with the implementation and administration of a Benchmark Replacement, the Administrative Agent (in consultation with the Borrower) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) Notices: Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Revolving Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Revolving Lender (or group of Revolving Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section.

(e) Unavailability of Tenor of Benchmark. At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the applicable then-current Benchmark is a term rate (including Term SOFR), then the Administrative Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Administrative Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

(f) Definitions.

“**Benchmark Replacement**” means, for any Available Tenor, for purposes of clause (b) of this Section, the sum of (a) the alternate benchmark rate and (b) an adjustment (which may be a positive or negative value or zero), in each case, that has been selected by the Administrative Agent and the Borrower as the replacement for such Available Tenor of such Benchmark giving due consideration to any evolving or then-prevailing market convention, including any applicable recommendations made by the Relevant Governmental Body, for syndicated credit facilities denominated in the Applicable Currency at such time; *provided* that, if the Benchmark Replacement would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

“**Benchmark Replacement Conforming Changes**” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Base Rate,” the definition of “Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent (in consultation with the Borrower) decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines (in consultation with the Borrower) that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent

decides (in consultation with the Borrower) is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

(e) The representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of the Closing Date; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided, further*, that any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(f) As of the Closing Date, no Default or Event of Default shall have occurred and be continuing on such date (immediately prior to giving effect to the extensions of credit requested to be made) or would result after giving effect to the extensions of credit requested to be made on such date.

Without limiting the generality of the provisions of the last paragraph of Section 10.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement or funded Loans hereunder shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

(b) To the extent that the applicable Delayed Draw Term Loans are to be funded for any purpose other than to finance a substantially simultaneous closing of a Permitted Investment and related fees and expenses:

(e) so long as no Default exists or would result therefrom, the Borrower may merge or consolidate with any other Person; *provided that*:

(h) Invalidity of Loan Documents. The material provisions of the Loan Documents, taken as a whole, at any time after their execution and delivery thereof and for any reason cease to be in full force and effect, except (A) as expressly permitted under a Loan Document (including as a result of a transaction permitted under Section 7.04, 7.05 or 7.13(b)), (B) as a result of the satisfaction of the Obligations or (C) resulting from acts or omissions of a Secured Party or the application of applicable law; or

(iv) exercise on behalf of itself, the Issuing Banks and the Lenders all rights and remedies available to it, the Issuing Banks and the Lenders under the Loan Documents and/or under applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under any Debtor Relief Law, the Commitments of each Lender and the obligations of each Issuing Bank to issue Letters of Credit shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the Letters of Credit as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

(b) If a Financial Covenant Event of Default has occurred and is continuing as a result of a breach of Section 8.01, the Required Revolving Lenders may either (i) terminate the Revolving Commitments and/or (ii) take the actions specified in Section 9.02(a) in respect of the Revolving Commitments, the Revolving Loans, Letters of Credit and Swing Line Loans. The Required Lenders may take any of the actions specified in Section 9.02(a) in respect of a Financial Covenant Event of Default that has occurred and is continuing only upon the occurrence and during the continuance of a Financial Covenant Cross Default.

(c) Notwithstanding anything to the contrary herein, if the only Event of Default then having occurred and continuing is the Financial Covenant Event of Default, then the Revolving Lenders and the Administrative Agent may not take any of the actions set forth in Section 9.02(a) or (b) during the period commencing on the date that the Administrative Agent receives a Notice of Intent to Cure and ending on the Cure Expiration Date with respect thereto in accordance with and to the extent permitted by Section 8.02.

SECTION 9.03 Application of Funds. After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 9.02(a)), any amounts received on account of the Obligations shall, subject to the Intercreditor Agreements, be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 11.04 and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent in their capacities as such;

Second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the Issuing Banks *pro rata* in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

Third, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Letter of Credit fees, Obligations under Secured Hedge Agreements and Cash Management Obligations) payable to the Lenders and the Issuing Banks (including Attorney Costs payable under Section 11.04 and amounts payable under Article III) ratably among them in proportion to the amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees and interest on the Loans and Letter of Credit Usage, ratably among the Lenders and the Issuing Banks in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, (a) to payment of that portion of the Obligations constituting unpaid principal of the Loans, the Letter of Credit Usage and the Obligations under Secured Hedge Agreements and Cash Management Obligations and (b) to Cash Collateralize Letters of Credit (to the extent not otherwise Cash Collateralized pursuant to the terms of this Agreement) (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) and to further permanently reduce the Revolving Commitments by the amount of such Cash Collateralization, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fifth held by them; *provided* that (i) any such amounts applied pursuant to the foregoing subclause (b) shall be paid to the Administrative Agent for the ratably account of the Issuing Banks to Cash Collateralize such Letters of Credit, (ii) subject to Sections 2.04 and 2.19, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause Fifth shall be applied to satisfy drawings under such Letters of Credit as they occur and (c) upon the expiration of any Letter of Credit, the *pro rata* share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 9.03;

Sixth, to the payment of all other Obligations that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

ARTICLE X
Administrative Agent and Other Agents

SECTION 10.01 Appointment and Authority of the Administrative Agent.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints Jefferies Finance to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article X (other than Sections 10.09 and 10.11) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have any rights as a third party beneficiary of any such provision. Each Issuing Bank shall act on behalf of the Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the Letter of Credit Documents pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article X and the definition of “Agent Related Person” included such Issuing Bank with respect to such acts or omissions, and (ii) as additionally provided herein with respect to each Issuing Bank.

(b) The Administrative Agent shall also irrevocably act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank and/or Cash Management Bank) and each of the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and such Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Sections 10.05 and 10.12 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article X (including Section 10.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the Intercreditor Agreements), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 10.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers (and no additional duties or obligations) in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any Person serving as an Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders, and may accept fees and other consideration from the Borrower for services in connection herewith and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its

Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 10.03 Exculpatory Provisions. None of the Administrative Agent, any of the other Agents, any of their respective Affiliates, nor any of the officers, partners, directors, employees or agents of the foregoing shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) or any of their respective officers, partners, directors, employees or agents:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under any agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law, including for the avoidance of doubt refraining from any action that, in its opinion or the opinion of its counsel, may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity; and

(d) shall not be liable to the Lenders for any action taken or omitted to be taken under or in connection with any of the Loan Documents except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.02 and 11.01) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report, statement or agreement or other document delivered hereunder or thereunder or in connection herewith or therewith or referred to or provided for in, or received by the Administrative Agent under or in connection with this Agreement or any other Loan

Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default (including compliance with the terms and conditions of Section 11.07(h)(iii) or (h)(iv)), (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Lenders or for any assignment or participation to a Disqualified Lender.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

SECTION 10.04 Reliance by the Agents. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Agent shall be fully justified in failing or refusing to take any action that is not required or explicitly approved by the Lenders under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; *provided* that the Agents shall not be required to take any action that, in their opinion or in the opinion of their counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law.

SECTION 10.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by such Agent. Each Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Agents and any such sub agent, and shall apply to their respective activities in connection with the

syndication of the credit facilities provided for herein as well as activities as the Agents. Notwithstanding anything herein to the contrary, with respect to each sub agent appointed by an Agent, (i) such sub agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Loan Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub agent, and (iii) such sub agent shall only have obligations to the Agent that appointed it as sub agent and not to any Loan Party, Lender or any other Person and no Loan Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub agent. Each Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub agents.

SECTION 10.06 Non-Reliance on Agents and Other Lenders; Disclosure of Information by Agents.

(a) Each Lender and each Issuing Bank acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender and each Issuing Bank represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender and each Issuing Bank also represents that it will, independently and without reliance upon any Agent, any other Lender or any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

(b) Each Lender, by delivering its signature page to this Agreement or an Assignment and Assumption and funding its Term Loan and/or Revolving Loans on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by any Agent, Required Lenders or Lenders, as applicable on the Closing Date.

(c) Each Lender acknowledges that certain Affiliates of the Loan Parties, including the Sponsors or entities controlled by the Sponsors, are Eligible Assignees hereunder and may purchase Loans and/or Commitments hereunder from the Lenders from time to time, subject to the restrictions set forth herein.

SECTION 10.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent, each Agent, each Issuing Bank, the Swing Line Lender and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of any Agent, any Issuing Bank or the Swing Line Lender, as applicable) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent, each Agent, each Issuing Bank, the Swing Line Lender and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of any Agent, each Issuing Bank or the Swing Line Lender, as applicable) from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction; *provided* that, to the extent each Issuing Bank or Swing Line Lender is entitled to indemnification under this Section 10.07 solely in its capacity and role as an Issuing Bank or as a Swing Line Lender, as applicable, only the Revolving Lenders shall be required to indemnify the applicable Issuing Bank or the Swing Line Lender, as the case may be, in accordance with this Section 10.07 (determined as of the time that the applicable payment is sought based on each Revolving Lender's Pro Rata Share thereof at such time); *provided, further*, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 10.07. If any indemnity furnished to any Agent, any Issuing Bank or the Swing Line Lender for any purpose shall, in the opinion of such Agent, such Issuing Bank or the Swing Line Lender, as applicable, be insufficient or become impaired, such Agent, such Issuing Bank or the Swing Line Lender, as applicable, may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; *provided*, in no event shall this sentence require any Lender to indemnify any Agent, any Issuing Bank or the Swing Line Lender against any Indemnified Liabilities in excess of such Lender's pro rata share thereof; and *provided further*, this sentence shall not be deemed to require any Lender to indemnify any Agent, any Issuing Bank or the Swing Line Lender against any Indemnified Liabilities described in the first proviso in the immediately preceding sentence. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 10.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent, each Issuing Bank and the Swing Line Lender, as applicable, upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent, such Issuing Bank or the Swing Line Lender, as applicable, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent, such Issuing Bank or the Swing Line Lender, as applicable, is not reimbursed for such expenses by or on behalf of the Borrower; *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; *provided, further*, that the failure of any Lender to indemnify or reimburse such Agent, such Issuing Bank or the Swing Line Lender, as applicable, shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 10.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent, Collateral Agent, other Agents, any Issuing Bank and the Swing Line Lender.

SECTION 10.08 No Other Duties; Other Agents, Lead Arrangers, Managers, Etc. Jefferies Finance, BMOCM, UBS and Nomura are each hereby appointed as Lead Arrangers hereunder, and each Lender hereby authorizes each of Jefferies Finance, BMOCM, UBS and Nomura to act as Lead Arrangers in accordance with the terms hereof and the other Loan Documents.

Each Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Loan Documents, as applicable. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or the other Agents listed on the cover page hereof (or any of their respective Affiliates) shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except (x) in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder and (y) as provided in Section 11.01(d) and the last sentence of Section 11.01, and such Persons shall have the benefit of this Article X. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrower or any of their respective Subsidiaries. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder. Any Agent may resign from such role at any time, with immediate effect, by giving prior written notice thereof to the Administrative Agent and Borrower.

SECTION 10.09 Resignation of Administrative Agent or Collateral Agent. The Administrative Agent or the Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed), at all times other than during the existence of a Specified Event of Default, to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or Collateral Agent, as applicable, shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor of such Agent is appointed) and (b) except for any indemnity payments or other amounts owed to the retiring or retired Administrative Agents, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. If neither the Required Lenders nor the Administrative Agent have appointed a successor Administrative Agent, the Required Lenders shall be deemed to have succeeded to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent (subject to the proviso in the sentence above). Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to perfect or continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable (other than any rights to indemnity payments or other amounts owed to the retiring or retired Administrative Agent), and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.07, 11.04 and 11.05 shall

continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

SECTION 10.10 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or in respect of Letter of Credit Obligations shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks and the Administrative Agent under Sections 2.11 and 11.04) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.11 and 11.04. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Administrative Agent, its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.11 and 11.04 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders or the Issuing Banks may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations (as defined in the Security Agreement) pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (i) at any sale thereof

conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (ii) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (B) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof) shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (g) of Section 11.01 of this Agreement, (C) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action and (D) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

SECTION 10.11 Collateral and Guaranty Matters.

(a) Each Agent, each Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank), each Issuing Bank and each other Secured Party agrees that, notwithstanding anything to the contrary in any Loan Document:

(i) Liens on any property granted to or held by an Agent or in favor of any Secured Party under any Loan Document will be automatically and immediately released, and each Secured Party irrevocably authorizes and directs the Agents to enter into, and each agrees that it will enter into, the necessary or advisable documents requested by the Borrower and associated therewith, upon the occurrence of any of the following events (each, a “**Lien Release Event**”),

(A) the payment in full in cash of all the Obligations (other than (1) Secured Cash Management Obligations, Secured Swap Obligations and contingent obligations in respect of which no claim has been made and (2) obligations in respect of Letters of Credit that have been backstopped or cash collateralized on terms satisfactory to the applicable Issuing Bank);

(B) a transfer of the property subject to such Lien as part of, or in connection with, a transaction that is permitted (or not prohibited) by the terms of the Loan Documents to any Person that is not a Loan Party;

(C) with respect to property owned by any Guarantor, the release of such Guarantor from its obligations under its Guaranty pursuant to clause (iii) below;

(D) the approval, authorization or ratification of the release of such Lien by the Required Lenders, or such percentage as may be required pursuant to Section 11.01;

(E) such property becoming an Excluded Asset, Excluded Equity Interest or an asset owned by an Excluded Subsidiary;

(F) as to the assets owned by such Excluded Subsidiary, upon any Person becoming an Excluded Subsidiary; and/or

(G) any such property becoming subject to a Securitization Financing to the extent required by the terms of such Securitization Financing;

(ii) upon the request of the Borrower (such request, the “**Release/Subordination Event**”) it will release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(d);

(iii) a Subsidiary Guarantor will be automatically and immediately released from its obligations under the Guaranty as a result of (A) such Subsidiary Guarantor ceasing to be a Subsidiary, (B) such Subsidiary Guarantor ceasing to be a Material Subsidiary, or (C) such Subsidiary Guarantor becoming an Excluded Subsidiary (clauses (A)-(C), each a “**Guaranty Release Event**”), and each Secured Party irrevocably authorizes and directs the Agents to enter into, and each agrees it will enter into, the necessary and advisable documents requested by the Borrower to (1) release such Subsidiary Guarantor from its obligations under the Guaranty and (2) release any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary; and

(iv) the Administrative Agent and the Collateral Agent will exclusively exercise the rights and remedies under the Loan Documents, and neither the Lenders nor any other Secured Party will exercise such rights and remedies (other than the Required Lenders through the Administrative Agent); *provided* that the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 11.09 or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Loans made by it or filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law.

Each Agent, each Lender and each other Secured Party agrees that it will promptly take such action and execute any such documents as may be reasonably requested by the Borrower (such actions and such execution, the “**Release Actions**”), at the Borrower’s sole cost and expense, in connection with a Lien Release Event, Subordination/Release Event or Guaranty Release Event and that such actions are not discretionary. Without limitation, the Release Actions may include, as applicable, (a) executing (if required) and delivering to the Loan Parties (or any designee of the Loan Parties) any such lien releases, mortgage releases, discharges of security interests, pledges and guarantees and other similar discharge or release documents, as are reasonably requested by a Loan Party in connection with the release, as of record, of the Liens (and all notices of security interests and Liens previously filed) the subject of a Lien Release Event or Release/Subordination Event or the release of any applicable Guarantee in connection with a Guarantee

Release Event and (b) delivering to the Loan Parties (or any designee of the Loan Parties) all instruments evidencing pledged debt and all equity certificates and any other collateral previously delivered in physical form by the Loan Parties to a Secured Party.

In connection with any Lien Release Event, Release/Subordination Event, Guarantee Release Event or Release Action, each of the Collateral Agent and the Administrative Agent shall be entitled to rely and shall rely exclusively on an officer's certificate of the Borrower (the "**Release Certificate**") confirming that (a) such Lien Release Event, Subordination/Release Event or a Guaranty Release Event, as applicable, has occurred or will upon consummation of an identified transaction (an "**Identified Transaction**") occur, (b) the conditions to any such Lien Release Event, Subordination/Release Event or Guaranty Release Event have occurred or will occur upon consummation of an Identified Transaction, and (c) that any such Identified Transaction is permitted by (or not prohibited by) the Loan Documents. The Collateral Agent and the Administrative Agent will be fully exculpated from any liability and shall be fully protected and shall not have any liability whatsoever to any Secured Party as a result of such reliance or the consummation of any Release Action. A Release Certificate may be delivered in advance of the consummation of any applicable Identified Transaction.

Each Lender and each Secured Party irrevocably authorizes and irrevocably directs the Collateral Agent and the Administrative Agent to take the Release Actions and consents to reliance on the Release Certificate. The Secured Parties agree not to give any Agent any instruction or direction inconsistent with the provisions of this Section. Neither the Administrative Agent nor the Collateral Agent shall be responsible for, or have a duty to ascertain or inquire into, any statement in a Release Certificate, the compliance of any Identified Transaction with the terms of a Loan Document, any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or contained in any certificate prepared or delivered by any Loan Party in connection with the Collateral or compliance with the terms set forth above or in a Loan Document, nor shall the Administrative Agent or Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(b) Anything contained in any of the Loan Documents to the contrary notwithstanding, each Agent, each Lender and each Secured Party hereby agree that:

(i) no Lender or other Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty or any other Loan Document, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Loan Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Lenders in accordance with the terms hereof and thereof, and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof;

(ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including, without limitation, pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the U.S. Bankruptcy Code), only the Collateral Agent (except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the U.S. Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Collateral Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities), shall be entitled, upon instructions from the Required Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the

Loan Document Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition;

(iii) no provision of any Loan Documents shall require the creation, perfection or maintenance of pledges of or security interests in, or the obtaining of title insurance or abstracts with respect to, any Excluded Assets and any other particular assets, if and for so long as, in the reasonable judgment of the Collateral Agent, the cost of creating, perfecting or maintaining such pledges or security interests in such other particular assets or obtaining title insurance or abstracts in respect of such other particular assets is excessive in view of the fair market value of such assets or the practical benefit to the Lenders afforded thereby;

(iv) the Collateral Agent may grant extensions of time for the creation or perfection of security interests in or the obtaining of title insurance and surveys with respect to particular assets (including extensions beyond the Closing Date for the creation or perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that creation or perfection cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the Collateral Documents;

(v) other than with respect to the Equity Interests and assets of a Foreign Subsidiary that becomes a Loan Party, no actions required by the Laws of any non-U.S. jurisdiction shall be required in order to create any security interests in any assets or to perfect such security interests (including any intellectual property registered in any non-U.S. jurisdiction) (it being understood that there shall be no security agreements or pledge agreements governed under the Laws of any non-U.S. jurisdiction); and

(vi) no control agreements or control shall be required with respect to assets (other than in respect of Pledged Equity or Pledged Debt) requiring perfection through control agreements or perfection by "control" (as defined in the Uniform Commercial Code).

SECTION 10.12 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually, as a "**Supplemental Administrative Agent**" and, collectively, as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to

perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article X and of Sections 11.04 and 11.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 10.13 Intercreditor Agreements. The Administrative Agent and the Collateral Agent are authorized to enter into the Intercreditor Agreements (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Permitted Pari Passu Secured Refinancing Debt or any Permitted Junior Secured Refinancing Debt, in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents)), and the Lenders acknowledge that the Intercreditor Agreements will be binding upon them. Each Lender (i) understands, acknowledges and agrees that Liens may be created on the Collateral pursuant to the definitive documents governing such Indebtedness, which liens shall be subject to the terms and conditions of any Intercreditor Agreement, (ii) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any Intercreditor Agreement and (iii) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into any Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Permitted Pari Passu Secured Refinancing Debt or any Permitted Junior Secured Refinancing Debt, in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

SECTION 10.14 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 9.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral or any Guaranty (including the release or impairment of any Collateral or Guaranty) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Cash Management Obligations or Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Cash Management Obligations or such Obligations arising under Secured Hedge Agreements, together with such

supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 10.15 Withholding Taxes. To the extent required by any applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If any Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding tax ineffective or for any other reason, or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding tax from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred.

SECTION 10.16 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each other Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments;

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of Section 406 of ERISA and Section 4975 of the Code such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each other Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or any other Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

ARTICLE XI
Miscellaneous

SECTION 11.01 Amendments, Waivers, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided that*, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender or extend the final expiration date of any Letter of Credit beyond the Letter of Credit Expiration Date, without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.02 or Section 4.03 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest with respect to any Loan or Letter of Credit or with respect to any fees payable under Section 2.11(b) without the written consent of each Lender directly and adversely affected thereby, it being understood that (i) the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest, (ii) the agreement, consent or waiver by (A) the Required Revolving Lenders to postpone or reduce or waive unused commitment fees as set forth in the paragraph immediately succeeding the table in the definition of "Applicable Commitment Fee," (B) the Required Revolving Lenders to postpone or reduce or waive interest with respect to Revolving Loans as set forth in the paragraph immediately succeeding the table in the definition of "Applicable Rate" in Section 1.01 or (C) the Required Facility Lenders of interest with respect to any Initial Term Loans (including the Delayed Draw Term Loans, if any) as set forth in the paragraph immediately succeeding the table in the definition of "Applicable Rate" in Section 1.01, in any such case, shall not constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of interest or any payment of fees and (iii) a waiver of any condition precedent set forth in Section 4.02 or Section 4.03 or the waiver of any Default (other than a Default under Section 9.01(a)) or mandatory reduction of the Commitments shall not constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of interest or any payment of fees;

(d) change (i) any provision of this Section 11.01 (except as expressly set forth in clause (i) of the second proviso immediately succeeding clause (g) of this Section 11.01) or the definition of “Required Lenders,” “Required Facility Lenders” or “Pro Rata Share” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender, (ii) the definition of “Required Revolving Lenders” without the consent of each Revolving Lender or (iii) the definition of “Required Delayed Draw Lenders” without the consent of each Lender holding Delayed Draw Commitments;

(e) other than in connection with a transfer or other transaction permitted under the Loan Documents, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in connection with a transfer or other transaction permitted under the Loan Documents, release all or substantially all of the aggregate value of the Guaranty or all or substantially all of the Guarantors, without the written consent of each Lender; or

(g) modify Section 2.15 or 9.03 without the written consent of each lender directly and adversely affected thereby; *provided* that:

(i) no amendment, waiver or consent shall, unless in writing and signed by an Issuing Bank in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, such Issuing Bank under this Agreement, any Issuance Notice or any other Loan Document relating to any Letter of Credit issued or to be issued by it,

(ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Swing Line Lender under this Agreement or any other Loan Document,

(iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or

any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document,

(vi) the consent of Required Revolving Lenders, Required Delayed Draw Lender or Required Facility Lenders, as applicable, shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under such Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities,

(vii) the consent of the Required Revolving Lenders (but without the consent of other Lenders, including the Required Lenders) shall be required (x) to amend, waive or otherwise modify any provision of the paragraph immediately succeeding the table in the definition of "Applicable Rate" in Section 1.01 which provides for an agreement, consent or waiver by the Required Revolving Lenders and (y) to amend, modify or waive any condition precedent set forth in Section 4.02 with respect to making Revolving Loans, Swing Line Loans or the issuance of Letters of Credit,

(viii) the consent of only the Required Delayed Draw Lenders shall be required to amend, waive or otherwise modify any condition precedent set forth in Section 4.03 with respect to the making of Delayed Draw Term Loans, and

(B) expressly contemplated by the Intercreditor Agreement or any other intercreditor agreement;

provided further that, notwithstanding the foregoing,

(i) unless and until a Financial Covenant Cross Default has occurred and remains continuing, only the consent of the Required Revolving Lenders shall be necessary to, and upon the occurrence and continuance of a Financial Covenant Cross Default, the consent of the Required Lenders shall be necessary to (A) waive or consent to any Financial Covenant Event of Default or amend or modify the terms of, or waive or consent to any Default or Event of Default with respect to, Section 9.02(b) (including the related definitions as used in such Sections, but not as used in

other Sections of this Agreement) and no such amendment, modification, waiver or consent shall be permitted (1) without the consent of the Required Revolving Lenders (unless and until a Financial Covenant Cross Default has occurred) and (2) without the consent of the Required Lenders (upon the occurrence and during the continuance of a Financial Covenant Cross Default) and/or (B) amend this sentence.

Notwithstanding that, upon the occurrence of a Financial Covenant Cross Default, the consent of the Required Lenders shall be necessary to waive or consent to any Default or Event of Default resulting from a Financial Covenant Event of Default as set forth in the immediately preceding sentence, only the consent of the Required Revolving Lenders shall be necessary to (a) amend or modify the terms and provisions of Section 8.01 and/or Section 8.02 (in each case, whether or not a Financial Covenant Cross Default has occurred) and/or (b) amend this sentence,

(ii) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (I) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof, (II) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, and (III) if at any time (A) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 3.03 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 3.03 have not arisen, but the supervisor for the administrator of ICE LIBOR (or the successor thereto with respect to ICE LIBOR), or a Governmental Authority having jurisdiction over the Administrative Agent, has made a public statement identifying a specific date after which ICE LIBOR shall no longer be used for determining interest rates for loans or (B) the Required Lenders (including pursuant to Section 3.03) request an amendment to this Agreement as a result of the discontinuation of ICE LIBOR, then, in each case, the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (which rate shall in no event be less than 0.00% *per annum*), and may enter into an amendment to this Agreement and the other Loan Documents to amend and/or replace the definition of "Eurocurrency Rate" (and the ancillary terms and other provisions with respect thereto) to reflect such alternate rate of interest and such other related changes to this Agreement (and such other Loan Documents as may be applicable) with the consent of only the Borrower and the Administrative Agent, in each case, only so long as the Administrative Agent provides the Lenders with written notice of the terms thereof at least five Business Days prior to the effectiveness of any such amendment and the Required Lenders do not object thereto during such notice period, and

(iii) this Agreement may be amended with the written consent of the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing, replacement or exchange of all outstanding Term Loans of any Class ("**Refinanced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that,

(A) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans *plus* (i) the amount of all unpaid, accrued, or capitalized interest, penalties, premiums (including tender premiums), and other amounts payable with respect to any such Refinanced Loans and (ii) underwriting discounts, fees, commissions, costs, expenses and other amounts payable with respect to such Replacement Loans),

(B) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the remaining Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing, and

(C) (1) any such Replacement Loans shall be on terms and conditions that are, taken as a whole, not materially more favorable to the lenders or holders providing such Indebtedness than, those applicable to the Initial Term Loans, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (x) for covenants applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (y) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans) or (2) solely to the extent that any terms and conditions applicable to any Replacement Loans are not the same as, or substantially similar to, those then applicable to the Term Loans, shall otherwise reflect customary market terms and conditions at the time of such incurrence, including with respect to high yield debt securities to the extent applicable, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (*provided* that a certificate of a Responsible Officer delivered to the Administrative Agent at least four Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (C) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided further* that this clause (C) will not apply to (w) terms addressed in the other clauses of this clause (iii), (x) interest rate, rate floors, fees, funding discounts and other pricing terms and optional prepayment provisions, (y) redemption, prepayment or other premiums, and (z) optional prepayment or redemption terms. For the avoidance of doubt, any Affiliated Lender that provides any Replacement Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 11.07(h) (including the Affiliated Lender Term Loan Cap).

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders, the Required Delayed Draw Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (1) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender and (2) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

In addition, notwithstanding anything to the contrary contained in this Section 11.01, no amendment, modification or waiver of this Agreement or any Loan Document altering the ratable treatment of Obligations arising under Secured Hedge Agreements or under Cash Management Obligations resulting in such Obligations being junior in right of payment to principal on the Loans or resulting in Obligations owing to any Hedge Bank or any Cash Management Obligations becoming unsecured (other than releases of Liens permitted in accordance with the terms hereof), in each case in a manner materially adverse to any Hedge Bank or any Cash Management Bank, shall be effective without the written consent of such Hedge Bank or such Cash Management Bank, as applicable.

In addition, notwithstanding anything to the contrary contained in this Section 11.01, the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower and/or the Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects (as reasonably determined by the Administrative Agent and the Borrower) or (iii) to cause such Guaranty, Collateral Document or other document to be consistent with this Agreement and the other Loan Documents.

SECTION 11.02 Notices and Other Communications; Facsimile Copies.

(a) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by fax as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower, the Issuing Banks, the Swing Line Lender, the Collateral Agent or the Administrative Agent, to the address, fax number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and

(ii) if to any other Lender, to the address, fax number, electronic mail addresses or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient); and notices deposited in the United States mail with postage prepaid and properly addressed shall be deemed to have been given within three Business Days of such deposit; *provided* that no notice to any Agent shall be effective until received by such Agent. Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communication. Notices and other communications to any Agent, the Lenders, the Swing Line Lender and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites, including the Platform) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Agent, Lender, Swing Line Lender or the Issuing Banks pursuant to Article II if such Person, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(c) Receipt. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication

shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) Each Loan Party understands that the distribution of materials through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent, any Lender, the Swing Line Lender or any Issuing Bank as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(e) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS OR IN THE PLATFORM. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Lead Arranger (collectively, the “**Agent Parties**”) have any liability to Holdings, the Borrower, any Lender, the Swing Line Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender, the Swing Line Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages). Each Loan Party, each Lender, each Issuing Bank and each Agent agrees that the Administrative Agent may, but shall not be obligated to, store any Borrower Materials on the Platform in accordance with the Administrative Agent’s customary document retention procedures and policies.

(f) Change of Address. Each of Holdings, the Borrower, the Administrative Agent, the Swing Line Lender and the Issuing Banks may change its address, fax or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, fax or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the Collateral Agent, the Swing Line Lender and the Issuing Banks. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(g) Reliance by the Administrative Agent, the Issuing Banks and the Lenders. The Administrative Agent, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including Committed Loan Notices, Swing Line Loan Requests and Issuance Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other

telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording. The Borrower shall indemnify the Administrative Agent, the Issuing Banks and the Lenders and each Agent-Related Person from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(h) Private-Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private-Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to information that is not made available through the "Public-Side Information" portion of the Platform and that may contain Private-Side Information with respect to Holdings, its Subsidiaries or their respective securities for purposes of United States federal or state securities laws. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither the Borrower nor the Administrative Agent has (A) any responsibility for such Public Lender's decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents and (B) any duty to disclose such information to such Public Lender or to use such information on behalf of such Public Lender, and shall not be liable for the failure to so disclose or use, such information.

SECTION 11.03 No Waiver; Cumulative Remedies. No forbearance, failure or delay by any Lender or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall impair such right, remedy, power or privilege or operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and independent of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Borrower shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Article IX for the benefit of all the Lenders and the Issuing Banks; *provided* that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (ii) any Issuing Bank or the Swing Line Lender from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Bank or the Swing Line Lender, as applicable) hereunder and under the other Loan Documents, (iii) any Lender from exercising setoff rights in accordance with Section 11.09 (subject to the terms of Section 2.15) or (iv) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to the Borrower under any Debtor Relief Law; *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (A) the Required Lenders shall have the rights otherwise provided to the Administrative Agent pursuant to Article IX and (B) in addition to the matters set forth in clauses (ii), (iii) and (iv) of the preceding proviso and subject to Section 2.15, any Lender may, with the consent of the Required Lenders, enforce any rights or remedies available to it and as authorized by the Required Lenders.

SECTION 11.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Supplemental Administrative Agents, the Issuing Banks and the Swing Line Lender for all reasonable and documented in reasonable detail out-of-pocket expenses incurred on or after the Closing Date in connection with the preparation, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), limited, in the case of legal fees and expenses, to the Attorney Costs of one primary counsel and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of the Lenders taken as a whole (which may be a single local counsel acting in multiple material jurisdictions), and (b) to pay or reimburse the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Supplemental Administrative Agents, the Issuing Banks, the Swing Line Lender and the Lenders for all reasonable and documented in reasonable detail out-of-pocket costs and expenses incurred in connection with the enforcement or protection of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Supplemental Administrative Agents, the Issuing Banks, the Swing Line Lender and the Lenders taken as a whole (and, if reasonably necessary, one local counsel in any relevant material jurisdiction (which may be a single local counsel acting in multiple material jurisdictions) and, solely in the event of a conflict of interest between the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Supplemental Administrative Agents, the Issuing Banks, the Swing Line Lender and the Lenders, where the Person or Persons affected by such conflict of interest inform the Borrower in writing of such conflict of interest, one additional counsel in each relevant material jurisdiction to each group of affected Persons similarly situated taken as a whole)). The agreements in this Section 11.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 11.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion. The Borrower and each other Loan Party hereby acknowledge that the Administrative Agent and/or any Lender may receive a benefit, including a discount, credit or other accommodation, from any of such counsel based on the fees such counsel may receive on account of their relationship with the Administrative Agent and/or such Lender, including fees paid pursuant to this Agreement or any other Loan Document.

SECTION 11.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Administrative Agent, any Supplemental Administrative Agent, the Collateral Agent, the Issuing Banks, the Swing Line Lender, each Lender, each Lead Arranger, each Joint Bookrunner and their respective Affiliates, directors, officers, directors, employees, agents, advisors, partners, shareholders, trustees, controlling persons, and other representatives (collectively, the “**Indemnitees**”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (but limited, in the case of legal fees and expenses, to the Attorney Costs of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of such Indemnitees (which may be a single local counsel acting in multiple material jurisdictions), and solely in the case of a conflict of interest between Indemnitees (where the Indemnitee affected by such conflict of interest informs the Borrower in writing of such conflict of interest), one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole),

(a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby (including the reliance in good faith by any Indemnitee on any notice purportedly given by or on behalf of the Borrower),

(b) the Transaction,

(c) any Commitment, Loan, Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit),

(d) any actual or alleged presence or release of, or exposure to, any Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower or any other Loan Party, or any Environmental Claim or Environmental Liability arising out of the activities or operations of or otherwise related to the Borrower or any other Loan Party, or

(e) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”);

provided that such indemnity shall not, as to any Indemnitee, be available to the extent that a court of competent jurisdiction determines in a final-non-appealable judgment that any such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (i) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any Related Indemnified Person of such Indemnitee, (ii) a material breach of any obligations of such Indemnitee under any Loan Document by such Indemnitee or Related Indemnified Person, or (iii) any dispute solely among Indemnitees or of any Related Indemnified Person of such Indemnitee other than any claims against an Indemnitee in its capacity or in fulfilling its role as the Administrative Agent, the Collateral Agent, an Issuing Bank, the Swing Line Lender or a Lead Arranger (or other Agent role) under the Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 11.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, except to the extent resulting from the willful misconduct, bad faith or gross negligence of such Indemnitee or any Related Indemnified Person (as determined by a final and non-appealable judgment of a court of competent jurisdiction), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 11.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 11.05 (after the determination of a court of competent jurisdiction, if required pursuant to the terms of this Section 11.05) shall be paid within twenty Business Days after written

demand therefor. The agreements in this Section 11.05 shall survive the resignation of the Administrative Agent, the Collateral Agent, the Swing Line Lender or any Issuing Bank, replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 11.05 shall not apply to Taxes, except it shall apply to any taxes that represent losses, claims, damages, etc. arising from a non-tax claim (including a value added tax or similar tax charged with respect to the supply of legal or other services).

SECTION 11.06 Marshaling; Payments Set Aside. None of the Administrative Agent, any Lender, the Collateral Agent or any Issuing Bank shall be under any obligation to marshal any assets in favor of the Loan Parties or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent, any Lender or any Issuing Bank (or to the Administrative Agent, on behalf of any Lender or any Issuing Bank), or any Agent or any Lender enforces any security interests or exercises its right of setoff, and such payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred and (b) each Lender and each Issuing Bank severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate from time to time in effect.

SECTION 11.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.04 or 7.11(b), assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except,

(i) to an assignee in accordance with the provisions of subsection (b) of this Section,

(ii) by way of participation in accordance with the provisions of subsection (d) of this Section,

(iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section, or

(iv) to an SPC in accordance with the provisions of subsection (g) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void).

Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Agent-Related Persons of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment and the Loans (including for purposes of this Section 11.07(b)), participations in Letters of Credit and in Swing Line Loans) at the time owing to it; *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Term Loans at the time held by it, in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment and Revolving Loans at the time held by it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) with respect to any assignment not described in subsection (b)(i)(A) of this Section, such assignment shall be in an aggregate amount of not less than (1) with respect to the assigning Lender's Term Loans, \$1,000,000 and (2) with respect to the assigning Lender's Revolving Commitment and Revolving Loans, \$2,500,000, unless in each case of clauses (1) and (2) each of the Administrative Agent, and so long as no Specified Event of Default has occurred and is continuing at the time of such assignment, the Borrower otherwise consents (such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment of Term Loans or Delayed Draw Commitments shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Term Loans or Delayed Draw Commitments assigned, and each partial assignment of Revolving Commitments and/or Revolving Loans shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Revolving Commitments and/or Revolving Loans being assigned, except that this clause (ii) shall not (x) apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans or (y) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 11.07(b)(i)(B) of this Section and the following:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) a Specified Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is made (a) with respect to Term Loans or Delayed Draw Commitments to a Lender, an Affiliate of a Lender or an Approved Fund and (b) with respect to Revolving Commitments and Revolving Loans, to a Revolving Lender or an Affiliate of the assigning Revolving Lender; *provided, however*, that the Borrower shall be deemed to have consented to any assignment of Term Loans or Delayed Draw Commitments if the Borrower does not respond within ten Business Days of a written request for its consent with respect to such assignment;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund; *provided, however*, that the consent of the Administrative Agent shall not be required for any assignment to an

Affiliated Lender or a Person that upon effectiveness of an assignment would be an Affiliated Lender, except for the separate consent rights of the Administrative Agent pursuant to clause (h)(v) of this Section 11.07;

(C) with respect to assignments of Revolving Loans and/or Revolving Commitments, the Swing Line Lender (such consent not to be unreasonably withheld, conditioned or delayed); and

(D) with respect to assignments of Revolving Loans and/or Revolving Commitments, each Issuing Bank (such consent not to be unreasonably withheld, conditioned or delayed).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that (A) the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (B) no processing and recordation fee shall be payable in connection with an assignments by or to a Lead Arranger or its Affiliates. The Eligible Assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required under Sections 3.01(b), (c), (d) and (e), as applicable. Upon receipt of the processing and recordation fee and any written consent to assignment required by Section 11.07(b)(iii), the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register.

(v) No Assignments to Certain Persons. No such assignment shall be made,

(A) to Holdings, the Borrower or any of the Borrower's Subsidiaries except as permitted under Section 2.07(a)(iv) or under subsection (l) below,

(B) subject to subsection (h) below, any of the Borrower's Affiliates (other than Holdings or any of the Borrower's Subsidiaries),

(C) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause,

(D) to a natural person, or

(E) to a Disqualified Lender or Lender who has become a Disqualified Lender.

To the extent that any assignment is purported to be made to a Disqualified Lender (notwithstanding clause (E) of the foregoing sentence), such Disqualified Lender shall be required immediately (and in any event within five Business Days) to assign all Loans and Commitments then owned by such Disqualified Lender to another Lender (other than a Defaulting Lender) or Eligible Assignee (and the Borrower shall be entitled to seek specific performance in any applicable court of law or equity to enforce this sentence).

(vi) Defaulting Lenders Assignments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient,

upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Issuing Banks, the Swing Line Lender and each other Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, subject to the requirements of clause (h) of this Section), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement (except in the case of an assignment to or purchase by Holdings, the Borrower or any of Holdings' Subsidiaries) and, to the extent of the interest assigned by such Assignment and Assumption and as permitted by this Section 11.07, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 11.04 and 11.05 with respect to facts and circumstances occurring prior to the effective date of such assignment); *provided* that anything contained in any of the Loan Documents to the contrary notwithstanding, each Issuing Bank shall continue to have all rights and obligations with respect to any Letters of Credit issued by it until the cancellation or expiration of such Letters of Credit and the reimbursement of any amounts drawn thereunder. Upon request, and the surrender by the assigning Lender of its applicable Notes, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts and stated interest of the Loans and Letter of Credit Obligations (specifying the Reimbursement Obligations), Letter of Credit Borrowings and other amounts due under Section 2.04 owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower or any Lender (but only, in the case of a Lender at the Administrative Agent's Office and with respect to any entry relating to such Lender's Commitments, Loans, Letter of Credit Obligations and other Obligations), at any reasonable time and from time to time upon reasonable prior notice. This Section 11.07(c) and Section 2.13 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent, the Issuing Banks, the Swing Line Lender or any other Person sell participations to any Person (other than a natural person, a Disqualified Lender or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in Letters of Credit and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso of the first paragraph of Section 11.01 (other than clause (d) and (g) thereof) that directly and adversely affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Sections 3.01(b), (c), (d) and (e), as applicable (it being understood that the documentation required under such Sections shall be delivered to the participating Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 11.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.15 as though it were a Lender. To the extent that any participation is purported to be made to a Disqualified Lender, such transaction shall be required immediately (and in any event within five Business Days) to be unwound and shall be deemed null and void (and the Borrower shall be entitled to seek specific performance in any applicable court of law or equity to enforce this sentence).

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or such entitlement to a greater payment results from a change in law that occurs after the Participant acquired the participation. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations) issued thereunder relating to the exemption from withholding for portfolio interest on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). A Lender shall not be obligated to disclose the Participant Register to any Person except to the extent such disclosure is necessary to establish that any Loan or other obligation is in registered form under Section 5f.103-1(c) or proposed Section 1.163-5(b) of the United States Treasury regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Liens on Loans. Any Lender may, at any time without the consent of the Borrower or the Administrative Agent, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Notes, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no

such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Special Purpose Funding Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Sections 3.01, 3.04 and 3.05), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (1) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Affiliated Lenders. Any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement (including under Incremental Term Facilities) to a Person who is or will become, after such assignment, an Affiliated Lender (including any Affiliated Debt Fund) through (i) Dutch auctions open to all Lenders in accordance with the procedures set forth on Exhibit L or (ii) open market purchase on a non-*pro rata* basis, in each case subject to the following limitations applicable to Affiliated Lenders that are not Affiliated Debt Funds:

(i) Such Affiliated Lenders (A) will not receive information provided solely to Lenders by the Administrative Agent or any Lender except to the extent such materials are made available to the Borrower and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Term Loans or Commitments required to be delivered to Lenders pursuant to Article II, (B) will not receive the advice of counsel provided solely to the Administrative Agent or the Lenders, and (C) may not challenge the attorney-client privilege between the Administrative Agent and counsel to the Administrative Agent or between the Lenders and counsel to the Lenders;

(ii) the Assignment and Assumption will include either (A) a representation by the applicable Affiliated Lender acquiring or disposing of Term Loans in such assignment that, as of the date of any such purchase or sale, it is not in possession of material non-public information with respect to the Borrower, its Subsidiaries or their respective securities or (B) a statement by the

applicable Affiliated Lender acquiring or disposing of Term Loans in such assignment that it cannot make the representation set forth in the foregoing clause (A);

(iii) (A) the aggregate principal amount of Term Loans held by all Affiliated Lenders that are not Affiliated Debt Funds shall not exceed 25% of the aggregate outstanding principal amount of all Term Loans at the time of purchase or assignment (such percentage, the “**Affiliated Lender Term Loan Cap**”), (B) unless otherwise agreed to in writing by the Required Facility Lenders, regardless of whether consented to by the Administrative Agent or otherwise, no assignment which would result in Affiliated Lenders that are not Affiliated Debt Funds holding Term Loans with an aggregate principal amount in excess of the Affiliated Lender Term Loan Cap, shall in either case be effective with respect to such excess amount of the Term Loans (and such excess assignment shall be and be deemed null and void); *provided* that each of the parties hereto agrees and acknowledges that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (h)(iii) or any purported assignment exceeding the Affiliated Lender Term Loan Cap limitation or for any assignment being deemed null and void hereunder and (C) in the event of an acquisition pursuant to the last sentence of this clause (h) which would result in the Affiliated Lender Term Loan Cap being exceeded, the most recent assignment to an Affiliated Lender involved in such acquisition shall be unwound and deemed null and void to the extent that the Affiliated Lender Term Loan Cap, would otherwise be exceeded;

(iv) Affiliated Lenders may not purchase Revolving Loans or Revolving Commitments; and

(v) as a condition to each assignment pursuant to this clause (h), (A) the Administrative Agent shall have been provided a notice in the form of Exhibit D-2 to this Agreement in connection with each assignment to an Affiliated Lender or an Affiliated Debt Fund or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender or an Affiliated Debt Fund, and (without limitation of the provisions of clause (iii) above) shall be under no obligation to record such assignment in the Register until three Business Days after receipt of such notice and (B) the Administrative Agent shall have consented to such assignment (which consent shall not be withheld unless the Administrative Agent reasonably believes that such assignment would violate clause (h)(iii) of this Section 11.07).

Each Affiliated Lender and each Affiliated Debt Fund agrees to notify the Administrative Agent promptly (and in any event within ten Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten Business Days) if it becomes an Affiliated Lender or an Affiliated Debt Fund. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit D-2.

(i) Voting Limitations. Notwithstanding anything in Section 11.01 or the definition of “Required Lenders” to the contrary:

(i) for purposes of determining whether the Required Lenders have (A) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 11.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, in each case, that does not require the consent of a specific Lender,

each Lender or each affected Lender, or does not affect such Affiliated Lender that is not an Affiliated Debt Fund in a disproportionately adverse manner as compared to other Lenders holding similar obligations, Affiliated Lenders that are not Affiliated Debt Funds will be deemed to have voted in the same proportion as non-affiliated Lenders voting on such matters; and

(ii) Affiliated Debt Funds may not in the aggregate account for more than 49.9% of the amounts set forth in the calculation of Required Lenders and any amount in excess of 49.9% will be subject to the limitations set forth in clause (i)(i) above.

(j) Insolvency Proceedings. Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender that is not an Affiliated Debt Fund hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower. The Lenders and each Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Section 11.07(j) and the related provisions set forth in each Assignment and Assumption entered into by an Affiliated Lender constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where Holdings, the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to Holdings, the Borrower or such Restricted Subsidiary, as applicable. Each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to vote on behalf of such Affiliated Lender as set forth in this Section 11.07(j).

(k) Resignation of Swing Line Lender and Issuing Bank. Notwithstanding anything to the contrary contained herein, any Issuing Bank or the Swing Line Lender may, upon thirty days' notice to the Borrower and the Revolving Lenders, resign as an Issuing Bank or the Swing Line Lender, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank or the Swing Line Lender shall have identified a successor Issuing Bank or Swing Line Lender reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank or Swing Line Lender hereunder. In the event of any such resignation of an Issuing Bank or the Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank or the Swing Line Lender, as the case may be, except as expressly provided above. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all Letter of Credit Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or

fund risk participations in Letters of Credit pursuant to Section 2.04(c)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.03(c). Upon the appointment by the Borrower of a successor Issuing Bank of Swing Line Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank or Swing Line Lender, as applicable, (ii) the retiring Issuing Bank or Swing Line Lender, as applicable, shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

(l) Assignments to Borrower, etc.

(i) Any Lender may, so long as no Event of Default has occurred and is continuing or would result therefrom, assign all or a portion of its rights and obligations with respect to the Term Loans and the Term Loan Commitments under this Agreement to Holdings, the Borrower or any of its Subsidiaries through (i) Dutch auctions open to all Lenders in accordance with the procedures set forth on Exhibit L or (ii) open market purchase on a non-pro rata basis, in each case subject to the following limitations; *provided*, that:

(A) if the assignee is Holdings or a Restricted Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or

(B) if the assignee is the Borrower (including through contribution or transfers set forth in clause (A) above), (1) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer and (2) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register; and

(C) if the proceeds of any Revolving Loans are used to finance such purchase and assignment, on a Pro Forma Basis for such assignment the Borrower's Liquidity equals or exceeds 33% of the Revolving Commitments (whether or not drawn) as of the date of determination.

(ii) Any Affiliated Lender may, in its discretion (but is not required to), assign all or a portion of its rights and obligations with respect to the Term Loans and the Term Loan Commitments under this Agreement to Holdings, the Borrower or any of its Subsidiaries (regardless of whether any Default or Event of Default has occurred and is continuing or would result therefrom), on a non-*pro rata* basis, for purposes of cancelling such Term Loans or Term Loan Commitments, which may include contribution (with the consent of the Borrower) to the Borrower (whether through any of its direct or indirect parent entities or otherwise) in exchange for (A) debt on a dollar-for-dollar basis or (B) Equity Interests of the Borrower (or any of its direct

or indirect parent entities) that are otherwise permitted to be incurred or issued by the Borrower (or such direct or indirect parent entity) at such time.

(m) Fronted Delayed Draw Term Loans. Notwithstanding anything herein to the contrary, assignments pursuant to and in accordance with Section 2.06(b) shall be permitted and shall not be subject to any of the restrictions set forth in this Section 11.07.

SECTION 11.08 Confidentiality. Each of the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed,

(a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and in no event shall such disclosure be made to any Disqualified Lender pursuant to this clause (a) but only to the extent that a list of such Disqualified Lender is available to all Lenders upon request),

(b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including the Federal Reserve Bank or any other central bank or any self-regulatory authority, such as the National Association of Insurance Commissioners),

(c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent, the Collateral Agent, such Lead Arranger or such Lender or such Issuing Bank, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority) unless such notification is prohibited by law, rule or regulation,

(d) to any other party hereto (it being understood that in no event shall such disclosure be made to any Disqualified Lender pursuant to this clause (d) but only to the extent that a list of such Disqualified Lenders is available to all Lenders),

(e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(f) subject to an agreement containing provisions at least as restrictive as those of this Section 11.08 (it being understood that in no event shall such disclosure be made to any Disqualified Lender pursuant to this clause (f) but only to the extent that a list of such Disqualified Lenders is available to all Lenders upon request), to (i) any *bona fide* assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and their obligations,

(g) with the prior written consent of the Borrower,

(h) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender), or

(i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 11.08 or (ii) becomes available to the Administrative Agent, the Collateral Agent, any Lead Arranger, any Lender, any Issuing Bank, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of the Borrower or any Affiliate of the Borrower.

In addition, each of the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Issuing Banks and the Lenders may disclose the existence of this Agreement and the information about this Agreement to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, market data collectors, similar service providers to the lending industry, and service providers to the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Issuing Banks and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents.

For purposes of this Section 11.08, “**Information**” means all information received from or on behalf of any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent, the Collateral Agent or any Lender on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Collateral Agent, the Lead Arrangers and the Lenders acknowledges that (A) the Information may include Private-Side Information concerning Holdings, the Borrower or a Subsidiary, as the case may be, (B) it has developed compliance procedures regarding the use of Private-Side Information and (C) it will handle such Private-Side Information in accordance with applicable Law, including United States Federal and state securities Laws.

Notwithstanding anything to the contrary therein, nothing in any Loan Document shall require Holdings or any of their subsidiaries to provide information (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure is prohibited by applicable Law, (iii) that is subject to attorney client or similar privilege or constitutes attorney work product or (iv) the disclosure of which is restricted by binding agreements not entered into primarily for the purpose of qualifying for the exclusion in this clause (iv).

SECTION 11.09 Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or such Issuing Bank, the Letters of Credit and participations therein, irrespective of whether or not (a) such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document and (b) the principal of or the interest on the Loans or any amounts

in respect of the Letters of Credit or any other amounts due hereunder shall have become due and payable pursuant to Article II and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Sections 2.15 and 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank or Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application.

SECTION 11.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents with respect to any of the Obligations, shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder. If the rate of interest under this Agreement at any time exceeds the Maximum Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Maximum Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Maximum Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrower to conform strictly to any applicable usury laws.

SECTION 11.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging (including in.pdf or .tif format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11.12 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal

effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 11.13 Survival. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent, each Issuing Bank and each Lender, regardless of any investigation made by the Administrative Agent, any Issuing Bank or any Lender or on their behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default at the time of any Borrowing or issuance of a Letter of Credit, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit remain outstanding. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 3.01, 3.04, 3.05, 11.04, 11.05 and 11.09 and the agreements of the Lenders set forth in Sections 2.15, 10.03 and 10.07 shall survive the satisfaction of the Termination Conditions, and the termination hereof.

SECTION 11.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable in any jurisdiction, (a) the legality, validity and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 11.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, any Issuing Bank or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 11.15 GOVERNING LAW.

(a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION AND VENUE OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF ANY UNITED STATES FEDERAL COURT SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ACTIONS BY ANY AGENT IN RESPECT OF RIGHTS UNDER ANY SECURITY AGREEMENT GOVERNED BY A LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK OR WITH RESPECT TO ANY COLLATERAL SUBJECT THERETO), OR FOR

RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 11.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH

LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 11.16 AND EXECUTED BY EACH OF THE PARTIES HERETO AND THE LEAD ARRANGERS), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

SECTION 11.17 Limitation of Liability. The Loan Parties agree that no Indemnitee shall have any liability (whether in contract, tort or otherwise) to any Loan Party or any of their respective Subsidiaries or any of their respective equity holders or creditors for or in connection with the transactions contemplated hereby and in the other Loan Documents, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's gross negligence or willful misconduct or bad faith or breach by such Indemnitee of its material obligations under this Agreement. In no event, shall any party hereto, any Loan Party or any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings) (other than, in the case of the Borrower, in respect of any such damages incurred or paid by an Indemnitee to a third party). Each party hereto (and by its acceptance of its appointment in such capacity, each Lead Arranger) hereby waives, releases and agrees (each for itself and on behalf of its Subsidiaries) not to sue upon any such claim for any special, indirect, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in its favor.

SECTION 11.18 Use of Name, Logo, Etc. Each Loan Party consents to the publication in the ordinary course by the Administrative Agent or any Lead Arranger of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or Trademark; *provided* that any such Trademarks or logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Borrower or any of its Subsidiaries or the reputation or goodwill of any of them. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and such Lead Arranger, as applicable.

SECTION 11.19 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. Each Loan Party shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

SECTION 11.20 Service of Process. EACH PARTY HERETO (AND BY ITS ACCEPTANCE OF ITS APPOINTMENT IN SUCH CAPACITY, EACH LEAD ARRANGER) IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 11.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other

modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding that: (a) (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Agents, the Lenders, the Issuing Banks, the Swing Line Lender and the Lead Arrangers on the one hand, and the Loan Parties and their Affiliates, on the other hand, (ii) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) each of the Loan Parties is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) the Agents, the Issuing Banks, the Swing Line Lender and the Lead Arrangers are and have been, and each Lender is and has been, acting solely as a principal and, except as expressly agreed in writing by the relevant parties, have or has not been, are or is not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties, its stockholders or its Affiliates (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters), or any other Person and (ii) none of the Agents, the Issuing Banks, the Swing Line Lender, the Lead Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Agents, the Issuing Banks, the Swing Line Lender, the Lead Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve economic interests that conflict with those of the Loan Parties, their stockholders and/or their affiliates, and none of the Agents, the Issuing Banks, the Swing Line Lender, the Lead Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Agents, the Issuing Banks, the Swing Line Lender, the Lead Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 11.22 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender and each Issuing Bank that each such Lender or each such Issuing Bank has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent, each Lender and each Issuing Bank and their respective successors and assigns.

SECTION 11.23 Obligations Several; Independent Nature of Lender's Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitments of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

SECTION 11.24 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

SECTION 11.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of

any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.
