Explanation of Responses:

- This amendment is being filed to reflect in Column 4 the disposition of 198,200 shares on 8/10/2023 previously inadvertently reported incorrectly in this column as an "A" for acquisition. The information relating to this transaction was reported accurately in all other aspects including the correct use of code "S" in column 3 and a sale reflected in the amount of securities beneficially owned in column 5 following the transaction.
- The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$6.99 to \$7.21. The Reporting Person undertakes to provide the Company, any security holder of the Company, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in this footnote.
